BUY DENVER LOTS  
BUY MONTCLAIR LOTS

## Reasons Why You Should Buy Property in Montclair "DENVER'S Queen Addition"

1. Because Montclair addition is located directly in the line of growth of Denver. It is a well known fact that East Denver is the finest and most beautiful portion of the city. It is in "East Denver" the famous "Montclair district" is located.

2. Because there are no mills or factories in or near Montclair, and the air is always perfectly clear and pure.

3. Because the lots offered for sale are absolutely in shape to build on, requiring no grading or filling.

4. Because you are buying realty in the best and largest city in the Middle West, and that will have a population of 500,000 within ten years, and your property will then be worth many times what it will cost you now.

5. Because by the completion of Denver's Great Boulevard System within one year (costing \$325,000) in the eastern portion of Denver, these lots will double in value in two years' time.

6. Because the title is perfect, a Warranty Deed and Abstract being given on the completion of the purchase.

7. Because Montclair has a 2 electric street car line service, Colfax avenue electric line and the Eighth avenue electric line, running directly to the heart of Denver, with but a single 5-cent fare, including a transfer to any part of the city. From 15 to 20 minutes' ride only to the business center of Denver.

8. Because one of the finest and largest schools is in Montclair, as well as two churches, a branch postoffice, free mail

delivery and other evidences of an up-to-date addition.
