A Lovely Wedding at Loveland

The climax of a happy love affair occurred at Loveland, Colo., on Wednesday evening, Oct. 13, when Bates F. Copeland of Alliance and Miss Inez Wordman, daughter of Mr. and Mrs. W. C. Wordman of Loveland, were united in the holy bonds of matrimony at the residence of the bride's parents. "Doc's" acquaintances here have been predicting a wedding as the outcome of his frequent visits to the Colorado city with the affectionate name, but he disappointed them so many times that when the wedding finally occurred it came as a surprise after all. He has a host of friends who will unite with The Herald in congratulations to him and best wishes to his bride, and welcome them both to Alliance, where they are "at home" after October 20.

Makes a Hit

Our sister city, Chadron, was distinctly honored at the recent convention of the municipal mayors of the United States, held at St. Louis, when Mayor Finnigan, of that city, delivered an interesting and intellectual speech on city government. The St. Louis papers printed the address in full, accompanied with a large half-tone of Chadron's good looking mayor.

A Beautiful Life Ended.

On Thursday, Oct. 14th, news was received in Alliance of the death that day of Mrs. Roscoe M. Blood at her home in Mitchell, Nebr. Not only was the home of her mother and brothers and sisters, Mrs. Vera Krajicek and family, grief stricken, but a pall of sadness was thrown over the community, for Mrs. Blood, who was Miss Louise Krajicek, resided in this city from childhood till the time of her marriage April 2, 1907, to Roscoe M. Blood. She was born Oct. 1, 1883, hence was twenty-six years and thirteen days of age at the time of her death. She had a large circle of acquaintances who esteemed her most highly, and her untimely demise brought to their hearts an inexpressible sorrow.

Her life exemplified the beautiful Christian character which she possessed. As a member of the Methodist Episcopal church and the Epworth League she engaged actively in religious and charitable work, and the wholesome influence which she exerted will continue throughout the years to come. "She being dead yet speaketh."

For fifty-two days Mrs. Blood was ill with typhoid fever, pneumonia setting in three days before her death, making recovery impossible. The remains were brought to Alliance and the funeral was conducted from the home of her mother, Sunday afternoon, Rev. J. L. Vallow, pastor of the M. E. church, having charge of the same, interment being in Greenwood ceme-

tery. Relatives from out of Alliance who attended the funeral were Stanley Krajicek, brother of the deceased; Mrs. S. Blood and Mr. and Mrs. R. M. Blood, mother, brother and sister-in-law of Roscoe M. Blood.

Prof. Hunt Returns Home

Prof. E. W. Hunt left on Tuesday for his home at Syracuse, Nebr. We are preparing a statement for publication in the next issue of The Herald in regard to the experimentation of the past spring and summer, and a few suggestions as to what is needed to improve agricultural conditions in this country.
