LEGAL NOTICE

In District Court of Box Butte County, Nebraska
In the matter of the application of J. F. Keane, Guardian of the estate of William J. Keane, a minor, for permission to sell real estate.
On reading and filing the petition, duly verified, of J. F. Keane, Guardian of the person and estate of William J. Keane, a minor, for license to sell the following described real estate situated in the counties of Richardson and Box Butte, the land in Richardson county being described as Lot Number Three, and the Northwest Quarter of Section Three, and the North ten acres of the Southeast Quarter of the Northwest Quarter of said Section Three, all in Township No. Three, Range Sixteen in said Richardson county.
The land in Box Butte county being described as the Southeast Quarter of Section Sixteen, Township Twenty-eight, Range Fifty. Said petition asks that said lands may be sold and the proceeds invested in other ways for the reason that the looking after the said lands and collection of the rents therefrom is attended with such expense as to make the said land unprofitable for said minor, the said lands being situated at so great a distance apart, that some person must be employed to look after the same which makes the expense of attending to the collection of rents and looking after said lands very great.
It is therefore ordered that the next of kin of said minor, and all persons interested in said estate appear before me at chambers at the Court House in the city of Rushville, Sheridan County, Nebraska, on the 15th day of December, 1909, at 9 o'clock in the forenoon and show cause, if any there be, why the prayer of said petition should not be granted and license issued to said J. F. Keane, Guardian, to sell said lands for the purpose set forth.
It is further ordered that a copy of this order in said estate at least fourteen days before the date set for the hearing, and published once each week for three successive weeks in The Alliance Herald, a newspaper printed, published and circulating in Box Butte county, Nebraska.
Dated at Chambers in said Sheridan county this 9 day of November, 1909.
W. H. Westrover, Judge of the District Court, Box Butte County, Nebraska.

Every progressive farmer is anxious to get new ideas about the growing of crops and live stock produced on the farm.

The women are equally anxious to become better cooks and household managers.

The object of the Farmers' Institute is to create new thoughts along these lines, to promote better agriculture and encourage the upbuilding of more attractive country homes; to increase the production and profits and awake an interest in the important problems of rural life.

These meetings are held under the auspices of the University of Nebraska and the Alliance Farmers' Institute Association, and are FREE to all.
