

HERE is that Sewing Machine
Which you hear so much about—
“The FREE”
When We Secured
 idea what a stir of excitement it would create among the women of our city.
 He said:—“I spent the best years of my life to invent The FREE sewing machine,—that I have given it some 15 exclusive improvements and that I have insured it,—when the women of your city

The Only INSURED Sewing Machine

Reasons The FREE Sewing Machine has aroused so much enthusiasm:

1. **The “Rotoscillo” Movement**
 A wonderful invention of Mr. Free’s which combines in The FREE Bobbin Machine every advantage of both the “Shuttle” and “Round but two.”
2. **Ball-Bearings**
 The FREE Stand runs five times as light as any other machine. The FREE has eight sets of ball-bearings, whereas other machines have but two.
3. **Beauty.**
 The FREE has a beautiful French-leg design which will not show dust. This clever little device throws out the shuttle automatically.
4. **Shuttle Ejector**
 This clever little device throws out the shuttle automatically.
5. **Automatic Locks**
 The 6 The FREE drawers which run on steel slides are locked and unlocked automatically.
6. **Rotary Spool Pin**
 Thread never tightens or breaks when it falls off spool.
7. **Automatic Tension Release**
 Presents the breaking of needles.
8. **A Needle**
 Which can’t be put in wrong.
9. **Improved Head Latch**
 No tantalizing screw with which to loosen head.
10. **Reinforced Shuttle**
 The FREE Shuttle is reinforced at wearing points so that it wears longer than any other Shuttle.
11. **Insurance**
 The FREE Sewing Machine is insured for five years against Accident, Breakage, Wear, Fire, Tornado, Lightning and Water.

This Means: That if from any of these causes, any part (needle, belt or attachments, etc.) or all of the machine is destroyed, these parts or the whole machine will be replaced absolutely free to you. No other Sewing Machine Company dares to insure their machine.
