Normal Board Decides to Give New School to Chadron.

SIX TOWNS COMPETE FOR SITE

After Fourteen Ballots Chadron Receives Five Votes and Decision is Then Made Unanimous—Donates Eighty Acres of Land and Academy Building to State—Location Said to Be an Ideal One.

Lincoln, Neb., Jan. 10.—Chadron gets the new normal school. The normal board in executive session at the Lincoln hotel selected the Dawes county town on the fifteenth ballot.

On different ballots each town received three votes, which was the highest number that town received. The votes were all cast under the Australian ballot system and each town competing for the school on various ballots received some votes. On the fourteenth ballot Chadron received five votes and then the location was made unanimous.

Chadron agreed to donate to the state eighty acres of land adjoining the town and which runs back into the buttes, and according to Treasurer Bryan is an ideal location for the school. In the center of the tract is the Chadron academy, an institution conducted by the Congregational church. This building will be donated to the state, though the board said this was no inducement to the selection of Chadron for the school. Chadron is on the Northwestern railroad and is in the extreme northwestern county of the state. The state appropriated \$35,000 for the school. The faculty will not be chosen until later, probably not until the building is constructed.

The towns which competed for the school were Chadron, Alliance, Crawford, Rushville, Gordon and Alnsworth.

The normal board visited all of the towns asking for the school. At its various meetings the board took no action regarding Principal Crabtree.

JILTED MAN WANTS \$6,000

August Schmidt Sues Tilden Girl for Breach of Promise.

Madison, Neb., Jan. 10.—August Schmidt has filed suit in the district court of Madison county against Miss Anna Whitner of Tilden for breach of promise to marry and asks the court for a judgment against his affianced in the sum of \$6,000. Mr. Schmidt says, so states the petition, that on or about Dec. 1, 1909, Miss Whitner promised to marry him and the date was tentatively fixed for Jan. 1, 1910, or within a reasonable time thereafter. Mr. Schmidt further states in his petition that on Jan. 4 he called at the home of Miss Whitner in Tilden and offered to marry her and she refused to do so and still refuses.

Mr. Schmidt says that Miss Whitner's refusal to marry him has injured his social standing and by reason of the shock he has suffered great mortification and mental anguish, besides being deprived of the comforts and enjoyment of Miss Whitner's society, all of which, he alleges in his petition, has caused him to suffer damages in the sum of \$6,000.

SUES COUNTY FAIR

Nuckolls County Man Suffers Serious Injury From Wild Horse.

Nelson, Neb., Jan. 10.—A suit for damages against the Nuckolls County Agricultural society for \$2,500 was filed in the district court by Ebenezer H. Foote of Superior, Neb. While attending the county fair held by that association last fall, he claims to have been injured by a wild horse springing upon him with its feet, knocking him unconscious, cutting a deep wound on his leg and otherwise permanently injuring him. This wild horse was a part of a wild west show and while the attempt was being made to ride it at a public exhibition, it broke through the fence with its rider, madly dashing through a dense crowd. It was at this time, it is claimed, the alleged injury was sustained.

Quible, county treasurer of Cherry county, has refused to turn over the office to Miss Gertrude Jordan, who was elected treasurer at last fall's election, on the grounds that Miss Jordan is not eligible to hold a county office. MULLIN IS CAUTIONED

Judge Admonishes Juror to Speak With Care in Future.

Grand Island, Neb., Jan. 8.—The closing incident of the Stout trial occurred when Juror Eg Mullin, who was withdrawn from the box in the middle of the trial on the affidavit of W. F. Thompson, was cited to appear and show cause why he should not be punished for contempt. Mullin appeared, represented by counsel, and it was shown from the court record that he had an opinion, qualifying this, on further examination, by the declaration that he could and he would lay that opinion aside. It was shown that he had not apparently attempted to conceal anything. The juror himself did not recall the exact conversation sworn to by Thompson, in which he is alleged to have said he would like to get on the jury as he would take pleasure in sending Stout to h—, but declared that he had no prejudice against Stout upon entering the box. It was shown that the juror was a man of excellent repute and the court after a severe admonishment discharged him, the juror to pay only the costs.

AUDITOR RULES ON AGENTS

State Official Desires to Pass on Insurance Solicitors.

Lincoln, Neb., Jan. 8.—Hereafter insurance agents will have to make application to the state auditor for licenses to do business. This is a change from the old way of doing business when the insurance companies simply sent in the names of the agents and the licenses were granted on their application.

The agents will be compelled to answer certain questions, among them being one telling of the amount of insurance he has written during the last year and also whether he intends to devote his time exclusively to the insurance business. The auditor is trying to prevent persons taking out licenses simply in order to write their own insurance.

SEVEN PARDONS FOR YEAR

Lincoln, Neb., Jan. 7.—Attorney General Thompson filed in the supreme court application for an injunction to restrain the Burlington and Union Pacific railroads from serving liquor in dining cars on through trains. The wine lists used on dining cars are submitted in evidence.

ZELAYA'S DEFENSE

Publishes Plea of Cannon and Groce as Proof of Guilt.

REPLIES TO PRESIDENT MADRIZ

Deposed Nicaraguan Dictator Exhibits Telegrams From the Two Americans, in Which They Confessed Guilt and Threw Themselves on His Mercy—Both Alleged to Have Made Promise of Support for Clemency.

Mexico City, Jan. 10.—As justification of his refusal to pardon Cannon and Groce, and in support of a denial which he made of irregularity in the manner of their condemnations and executions, Jose Santos Zelaya exhibited for the first time telegrams which he claimed to have received from the American victims of Nicaragua's martial law.

Zelaya gave his denial in reply to charges made by President Madriz of Nicaragua that the executions of Cannon and Groce were illegal and that the United States government was justified in its resentment over this action.

Text of Cannon Plea.

The telegrams were as follows: "El Castillo, Nov. 14, 1909.—Commander in Chief J. Santos Zelaya, Campo de Marte: The confessions made by me in my trial are sufficient proof of my voluntary guilt, therefore I do not attempt to maintain before you the innocence which does not exist, and I limit myself to asking that your recognized magnanimity be extended to me, saving my life and imprisoning me instead for the number of years you may designate, promising you on my word of honor never again to mix in the political affairs of the country, and, furthermore, to serve the government over which you preside in all that may be necessary for the peace of the republic which General Juan J. Estrada, with my humble collaboration, given in an unfortunate moment of excitement and madness, has disturbed. My salvation, after being condemned by the law and conscience to die, can only be the work of big hearts like yours, to which I appeal, and in which I put my trust, for the love of my good mother, who will be made happy by your noble action. LE ROY CANNON."

Groce Makes Two Appeals.

"Senor General Don J. Santos Zelaya, Campo de Marte: As you have always been magnanimous towards all, I pray you in the name of God to grant me clemency now that I am in distress. I will remain your grateful servant for life. For God's sake have pity on me. Your servant and brother Mason, L. W. GROCE."

"El Castillo, Nov. 14, 1909.—Senor General Don J. Santos Zelaya, Campo de Marte: I reiterate my plea, Mr. President. I am guilty, as I have confessed, but I promise you, General, never again to mix in the political affairs of this country, which I love as my own because my adored wife is a Nicaraguan. She and my four children will be happy through your magnanimity. Your servant, fraternally, "LEONARDO W. GROCE."
