Good Work of A. V. F. D.

About 10:40 a. m. today, the blowing of the fire whistle called the Alliance Volunteer Fire Department to extinguish a blaze in the roof of the two story parsonage, west of the United Presbyterian church. The fire evidently started from sparks from a chimney blowing under the deck of the roof. Had it not been put under control immediately, there is no doubt that a disastrous fire would have resulted. Had the parsonage burned, it would have also without doubt taken the church. The response of the fire department was one of the quickest we have ever seen anywhere. The building was saved without any great loss.
