

## WHEN THE PRICE WOULD APPEAR ATTRACTIVE THE QUALITY, PERHAPS, HAS BEEN SACRIFICED

There is no risk taken when you buy a CHICKERING SON (Boston), IVERS & POND, PACKARD, KURTZMANN, STERLING, KOHLER & CAMPBELL, HARVARD, HUNTINGTON, besides a number of less expensive Pianos that may be seen on our floors and are regarded as leaders in their respective grades. YEARS FROM NOW you would regard the price of the Piano you purchased now as small if then you FOUND that you had in your home a Piano that had proven satisfactory. Time alone will demonstrate the musical value of a good Piano and the honor of the house that sells. Our aim has always been to sell the class of Pianos that would secure for us the confidence and esteem of the public. No Piano concern can produce a better asset than a satisfied community of buyers, and we are in Alliance to stay. Call and see us in our new quarters, Brennan's old drug store, opposite postoffice
