### DATE OF CLOSING

We learn that some have thought that, because the exact date of closing the contest was not announced at the start, the contest might be carried on till next year; but this will not be the case. It will close some time during the coming summer. In planning the contest we did so with a view to make ourselves

safe, and decided to close soon after the number of votes cast indicated payments on subscription sufficient to cover the value of the premiums offered. But whether the subscriptions paid reach that amount or not, the contest will close in August or earlier. The exact date will be announced at least thirty days before the closing of the contest.

### SPECIAL PRIZE FOR APRIL

The contestant receiving the largest number of votes cast by new subscribers from April 1st to the evening of May 4th will receive a ten dollar due bill on any store that she may select from the advertising columns of any number of the paper issued during the month. This is open to all candidates, and will have nothing to do with the final award of prizes. A new subscriber is one whose name was not on the subscription books April 1, but whose subscription is received at this office some-time during the month.

## Supt. Hayes Heads Peru State Normal

With mingled feelings of congratulations to Superintendent D. W. Hayes for the honor conferred upon him and regret at the prospect of seeing him and his excellent family leave Alliance, we record his election to the presidency of the Peru State Normal by the State Board of Education on Tuesday of this week. Without doubt his selection to fill this important position was the best thing that could be done in the interest of that school. Not only is Mr. Hayes eminently qualified for the work, but the fact that he was the choice of all factions is a matter that bespeaks the welfare of that institution. It was universally conceded by the leading educators of the state that he was pre-eminently the man for the place at this particular time, with the support that he will receive from all parties interested in the school.

For the first time in the history of state normal schools in Nebraska when a president was to be elected, the election was made by unanimous vote of the Board of Education on the first ballot.

President Hayes' salary will be the same as that of his predecessor, \$3,000.00 a year.

Much as we regret that the Alliance city schools will lose Superintendent Hayes, there is no doubt that a well qualified successor can be secured by the school board, as applications are pouring in by every mail and some by wire.

### Departed Life at Ripe Age

Mrs. Mahala Cavins was born Nov. 16, 1826 in Mexico, Penn., and died at the residence of her daughter, Mrs. Ella Hawkins, in Alliance, at 4 a. m. on the morning of April 13, 1910. She leaves one son, Joe Barton of San Francisco, and one daughter with whom she has resided for a year past.

Since childhood she has been a member of the Methodist church and exerted a wholesome influence by her Christian life. Rev. Vallow, pastor of the Methodist church, conducted prayer at the residence on Wednesday evening, and on the next day the remains were taken to Creston, Iowa, her former home for interment, accompanied by Mrs. Hawkins, Mrs. Crane of Creston, a granddaughter who is a trained nurse and has been here for about ten days, and Miss Pearl Hillis. The funeral service will be held at 10 a. m. tomorrow morning at Creston.

## Notice the Dates Queen Esther

The Herald wishes to call particular attention to the dates for the Queen Esther cantata, or oratorio, as the dates first decided upon have been changed, and as there is still some misunderstanding in regard to the same. The final decision was for Tuesday and Thursday of next week, April 19th and 21st.

Another thing to which we wish to call attention is the number of singers who will take part in the performance. When the copy was prepared for the programs it was expected that there would be at least seventy-five voices, but unless something occurs to keep out some of those who are now practicing for the entertainment there will be more than one hundred who will take part. Through the kindness of J. W. Guthrie, who has the part of Abasuerus, King of Persia, on Tuesday

evening, we give our readers the following interesting information:

The cantata, "Esther, the Beautiful Queen," to be produced by local talent under the direction of Prof. A. G. Bixler Tuesday and Thursday nights next week promises to be one of the greatest musical and dramatic treats ever experienced by the people of this section of the state. Prof. Bixler has conducted numerous reproductions of the exquisitely rhythmic harmonious operetta with remarkable success and the press of the many cities in which he superintended its productions give him most flattering notices. He has had the pick of the singers of the city and as rehearsals have been going on for several weeks it bids fair to be a success from every standpoint. There will be a chorus of over 100 voices. The cast is a very strong one both locally and as actors, and we can promise an evening of much enjoyment and pleasure to those who attend. The story of the piece is familiar to all readers of Bible history and as a synopsis will be given on the programs we hardly deem it necessary to recite it here. The costumes used will be correct and appropriate in every detail and will enhance the beauty of the production accordingly. The proceeds are to be devoted to a most worthy object and we feel assured a crowded house will greet each evening's production. It is intended to have different parties interpolate the principal parts each evening so that, while the play will be exactly the same both nights, the players will be changed.

## Conference of Alliance Deanery

Bishop Scannell of Omaha and Father Wolf of Grand Island arrived in Alliance this morning for the first conference of Alliance deanery, which was held at 10 a. m. today at the Catholic parsonage, departing on train No. 44. All of the priests of the deanery were present, as follows: Fr. Dolan of Chadron; Fr. Becker, Crawford; Fr. Dobson Fr. Kavanaugh and Fr. Fenev, Sidney; all of whom left for their homes on the noon train.

While here the bishop visited the site for the new hospital and St. Agnes' Academy. He expressed himself as being highly pleased with the work of the students and the sisters who have charge. He had heard a great deal about the academy, but had never dreamed that such magnificent work was being done.

In regard to the hospital, there is much need of such an institution here. He felt sure that those who had helped the academy so generously would also help the hospital and the sisters who are to have charge of it.

### Death of Mrs. Rewick

A happy home has been broken up by the rule hand of death. Mrs. Mabel Laura Rewick, wife of Wm. L. Rewick, was born March 17, 1883, in Michigan, and died at her home in Alliance, Apr. 11, 1910. About a year ago she was married to the husband who is left to mourn his loss.

A service was conducted by Rev. Houston at the house on Wednesday afternoon and the remains taken to Lincoln, where the funeral takes place today. Tracey Rewick, a brother of the bereaved husband, accompanied him on his sad trip. The Herald wishes to extend condolence to the afflicted.

Born, to Mr. and Mrs. Joe Smith, Friday, April 8, 1910, a six pound boy. Mother and child are doing well. Joe was somewhat disappointed at the size of the lad, but thinks he is the making of an expert soda dispenser.

Dr. F. M. Knight is attending the Shriner's convention at New Orleans, going there from Omaha where he had been transacting business.

On April 5, Mr. Lawrence N. Frampton of Cody, Wyo. and Miss Jennie F. Riske of Manawa, Wis., were married by Dr. Bogue at his residence in Alliance.

### It Pays to Advertise

When the dimpled baby's hungry, what does the baby do? It doesn't lie serenely and merely sweetly coo:

The hungry baby bellows with all its little might Till some one gives it something to curb its appetite; The infant with the bottle which stills its fretful cries, A lesson plainly teaches—it pays to advertise.

The lamb lost on the hillside when darkness closes round Stands not in silence trembling and waiting to be found.

Its plaintive bleating echoes across the vales and meads. And when its fears are ended, as on his breast it lies, The lamb has made this patent: it pays to advertise.—Chicago Record Herald.

## GRACE CAMERON

This Famous Theatrical Star Will Appear at the Phelan Opera House Wednesday, April 20 in the Four Act Comedy Drama "Nancy."

Playgoers never having heard of Grace Cameron, most confess themselves as very ignorant of the theatrical world for she is known all over the theatrical world as one of the best. She was formerly leading lady of Star with "Little Dolly Dimples," "Piff, Paff, Puff," "The Tenderfoot," "When Johnnie Comes Marching Home," "Foxy Quiller" and others. She is now coming to Alliance in a brand new four-act comedy from the pen of the eminent author C. Herbert Kerr, entitled "Nancy." In addition to the play Miss Cameron's great soprano voice will be heard in several high-class numbers written especially for this production. At a large salary, Miss Cameron was especially engaged by the Edison Phonograph Co. to make two records a month and her records are great sellers and very popular. If such a company as this one headed by Grace Cameron is not greeted by a full house, we may as well write all other big companies booked for this place to cancel dates for it will be evidence that Alliance people are unwilling to support good shows when the opportunity is presented. Certainly no better show than this one billed for next Wednesday night can be secured and it is hoped that people of Alliance will show their appreciation by coming out in large numbers. The company management at first kicked on playing at less than dollar and half prices but the opera house management insisted on lower prices so that a compromise was effected whereby part of the house will be sold at \$1 and part at 75 cents with the gallery at 50 cents. Seats will be on sale Monday.

### Pinkerton-Chambers

The event of the season in the Angola neighborhood was the marriage at 6 o'clock p. m., Wednesday, April 6, 1910, of Mr. Jesse Raymond Chambers and Miss Lila Berenice Pinkerton, which took place at the home of the bride's parents, Mr. and Mrs. M. S. McCorkle, Rev. Burke, pastor of the Presbyterian church at Mitchell, Nebraska, officiating. The contracting parties were attended by Miss Frankie Pinkerton and Mr. Floyd Pinkerton, sister and brother of the bride.

Only relatives and a few immediate friends were present. After the words had been pronounced that made the happy couple husband and wife, a sumptuous wedding dinner was served, following which Mr. and Mrs. Chambers repaired to their new home on the Thompson ranch, taking with them the best wishes of the merry company.

The Herald is glad to unite congratulations and best wishes with those of their many friends.

### Back to Alliance

Friends of Mr. and Mrs. T. H. Barnes and their two daughters were made glad to hear Tuesday that they had returned from their extended visit at Los Angeles and other California points. Mr. Barnes informs us that he will devote some time to improving his city property and also two or more Box Butte county farms.
