## NEBRASKA NEWS

Capital City Decides to Maintain Prohibitory Policy.

SALOONS AGAIN VOTED OUT.

Good Organization on Part of Anti-Saloon Forces Carried the Day—Total Vote Was Over Two Thousand in Excess of That of Last Year—Bitter Campaign Waged.

Lincoln, April 12.—Lincoln went dry again. The total vote cast was 9,478, of which the wets cast 4,271 and the dries 5,207. Dry majority, 936. The majority for the dries last year was 346. The total vote last year was 7,000.

Good organization is the cause given for the result. Two of the best political organizations that have ever been assembled in Lincoln were pitted against each other. The wet forces were carefully organized, although the organization had to be built anew in a large measure, most of the saloon workers of the spring of 1907 having spent their winter in other places than Lincoln.

The dry organization had the advantage of its beginning last spring. From fifteen to twenty-five men were busy in every precinct getting out the vote. At every polling place stood two men with a poll of the voters, checking off supposed dry voters as they came to the polls. Late in the afternoon automobiles were sent after the men who were missing and women were stationed at telephones in every precinct calling up voters and getting them to the polls.

Neither side has been hampered by a lack of money. Women of the churches served lunches near the polling places for the dry workers and for the election boards. Every available automobile in town was pressed into service.

The city had a wild celebration last night over the result. With Havelock dry, this will make a decided change in surface conditions for the Nebraska capital the coming year.

### LOOKED LIKE REBATE

Railroad Commission Dismisses Complaint Against Burlington.

Lincoln, April 12.—The state railway commission has dismissed the complaint of the Kendall-Smith company against the Burlington railroad. This was a case wherein the Kendall-Smith company had for thirty years a rate from Woodlawn to Lincoln, a distance of six miles, of \$5 a car, by which it shipped grain from its mill. In 1906 the company cancelled this rate and put in a rate of 4 1/2 cents per 100 pounds. By reason of this higher rate the complainant set out that it was forced to discontinue the grinding and marketing of flour and feed stuff. The rate on commodities to flour and feed, such as wheat and corn, for the thirty years was 5 cents per 100 pounds, but since July 5, 1907, this rate has been 4 1/2 cents. To force the railroad to restore that \$5 rate the commission held to be a very dangerous precedent, as the rate was in the nature of a rebate.

### Fakirs and Beggars Under Ban.

Central City, Neb., April 12.—The campaign being waged by the Commercial club against traveling beggars and fake advertising schemes is already bearing fruit, and the sight of an itinerant beggar bearing the placard, "I Am Blind," or carrying papers explaining that he is deaf and dumb, seems to be almost a thing of the past in Central City. The Commercial club has appointed a credentials committee, which is to examine the papers of all beggars who come to the town asking for aid, and if they convince the committee that they are worthy they are authorized to go ahead and ask aid from the citizens.

### Road Complies With Order.

Lincoln, April 12.—The Burlington has notified the state railway commission that it will obey the order to construct a new depot at Holdrege, but it asked until May 1 to get the plans perfected. This time was granted. The order was issued by the commission after a hearing had been given on both sides and it was proven to the satisfaction of the commission that Holdrege was entitled to a better depot than it had.

### State's Meat Bill.

Lincoln, April 12.—The meat bill of the state institutions for the quarter beginning April 1 is \$17,259, according to the requisitions of the various institutions on which contracts were let. The bids show a wide divergence of opinion among packing houses as to what meat is worth.

### Lawrence Has Busy Day.

Lincoln, April 12.—Ed Lawrence, bond clerk in the office of State Auditor Barton, filed bonds issued by Phelps county to the amount of \$100,000 for a new court house and jail and bonds to the amount of \$7,000 for Beaver City for waterworks.

### Kills Himself on Wife's Grave.

Omaha, April 12.—Standing beside his wife's grave in Laurel Hill cemetery, August Shipperet, an Omaha tailor, shot and instantly killed himself. Two bullets he fired through the heart and another through the mouth.

### Furnas Pioneer Dead.

Beaver City, Neb., April 12.—D. C. Ward, aged eighty-one, the oldest citizen, died here.

### OSSENKOP MUST SERVE TERM

Supreme Court Affirms Sentence Against Cass County Farmer.

Lincoln, April 12.—Fred Ossenkop of Cass county must serve ten years in the penitentiary for the death of Charles Byrnes at Eagle last summer. The supreme court, after holding the opinion until Ossenkop could again be taken into custody, handed down a decision affirming the sentence of the lower court.

The appeal was made chiefly on two bases; that Ossenkop was not directly responsible for Byrnes' death, and that the jury was prejudiced by association with other citizens.

Ossenkop and Byrnes met in Eagle and quarreled. They clinched and fell from a sidewalk, raised about three feet above the ground. Byrnes fell underneath. The testimony shows that Ossenkop struck Byrnes in the face three times. There is also testimony to the effect that Ossenkop afterwards kicked Byrnes in the head. This is disputed. The supreme court did not consider the dispute on this point of sufficient weight to bear much in Ossenkop's favor.

The trial was delayed for about three weeks, owing to the fact that some of Ossenkop's most important witnesses were quarantined for smallpox. During this delay the jury was allowed to go free, separating and mixing with the citizens of the community. Matthew Gerjng, Ossenkop's attorney, asserted that the jury was prejudiced. The court could find nothing prejudicial in the outcome, however, in view of the record and sustained the jury's finding.

### AT WORK ON CAPITAL REMOVAL

Citizens of Grand Island Take Steps to Be in Readiness When Fight Begins.

Grand Island, Neb., April 12.—A meeting of the Commercial club has been called for this evening for the purpose of discussing the action to be taken with reference to securing a vote by the people of the state on the capitol removal proposition before any appropriation or levy is made for a new capitol building. The aim is to co-operate with every city and county in central and western Nebraska. Kearney's Commercial club already has a committee on publicity and the fact is recognized fully that up to the point of fixing a new location, if it comes to that, the interests of the various cities are identical.

### License Contests at Hastings.

Hastings, Neb., April 11.—U. S. Rohrer, who directed the Prohibition campaign here in 1908 and 1909, has announced that he will resist the licensing of saloons. He says he has been collecting evidence relative to the various applicants for licenses and will use it as the basis for remonstrances. Following the reorganization tomorrow night the council will be unanimous in favor of high license, but if appeals are taken on remonstrances, as now threatened, the licenses will be inoperative until passed upon by the district court, whose next term here will not take place until late in May.

### Missing Gold Coins Found.

Hastings, Neb., April 11.—A Servian named Jacob Ureck made complaint in the county court that he had been robbed of \$1,500 in gold at Kenesaw. He had about \$4,000 in gold coins sewed up in his garments and claimed that some persons in Kenesaw helped themselves to part of it while searching through his effects for a watch which he was accused of having stolen. Deputy Sheriff Nellis went to Kenesaw and recovered \$1,015 of the missing coin. They said they found it where it had evidently fallen out of the Servian's wagon.

### Killed Duck, Paid Fine.

Lincoln, April 12.—Frank Bates made a mistake and shot a duck in the presence of Dan Gellus and Joe Boshier, game warden and deputy, and as a result had to pay out \$6 when taken before Judge Hefferman of Dakota county. All this shooting occurred at Crystal lake, where the two sleuths went to snare a few persons who were supposed to be fishing illegally. Instead of catching the fishermen, they caught the hunter.

### Interurban Extensions.

Lincoln, April 11.—The Nebraska Traction and Power company will extend its line from Ralston to Papillion and the work on the extension will begin in the near future. This interurban line now runs from Omaha to Ralston. The information was given out by C. J. Chapman, traffic manager of the company, who said the work would be rushed to completion as soon as possible.

### Death of Saunders Pioneer.

Ashland, Neb., April 11.—After an illness of five days of pneumonia, Patrick J. Hall died at his home, two miles northwest of Memphis, aged seventy-one years. He was one of the most prominent pioneers of the county, representing it in the legislature one term in the later 80s.

### Wrecked the Auto.

Shubert, Neb., April 11.—Dale Jones, the twenty-year-old son of Lane Jones, wrecked his father's Overland touring car when scorching alone on the Shubert Stella road at the rate of forty miles an hour. The machine turned over, but the boy escaped injury.

### Federal Officials for Nebraska.

Washington, April 12.—President Taft sent to the senate nominations, including the following: Receiver of public moneys, Lincoln, Neb., William Gifford; register of the land office, Lincoln, Neb., Charles E. Shedd.
