## Cordial Invitation to Neighboring Towns

In view of the fact that Alliance will have the biggest Fourth of July celebration this year ever held so far in northwestern Nebraska, and that this is to be followed on July 5, 6 and 7 by the annual stockmen's convention, which draws more people from a distance than any other event in this part of the state, the committee extends a most cordial invitation to the people of our neighboring towns to save themselves the trouble and expense of a 4th of July celebration this year and come to Alliance.

The race meet to be held at the same time under American Trotting Association rules will also draw a great many people from neighboring towns, as well as from a greater distance, and is an additional reason why this invitation should be accepted.

Ample money has been raised and preparations are well under way to give visitors the best entertainment they ever attended. An acceptance of this invitation will not only be appreciated by Alliance, but will be reciprocated so far as possible.

some good work in the interest of her candidacy.

Miss Geiger makes the third largest gain during the week and retains fifth place.

Miss Rosenberger, who is still in sixth place, made the second largest gain for the week with 950 votes.

The other candidates continue in the same relative positions as last week.

### Grocery Store Changes Hands

Since going into the grocery business in Alliance, W. A. Springer has found that indoor work does not agree with his health. For some time past Geo. W. Duncan, who is an experienced grocer, has been planning to open a grocery store in this city. Consequently a deal was consummated the first of the week whereby Mr. Duncan exchanged property at Fort Morgan, Colo., for Mr. Springer's stock of groceries. The goods were invoiced Tuesday night and Wednesday morning the store changed hands.

While we regret to see Mr. Springer retire from business, we are glad that a man so well qualified to conduct a successful grocery store is his successor. Mr. Duncan has a large number of friends and acquaintances in this city and country tributary to it and having had a large experience in this line of business we bespeak for him a big trade.

He is too busy just now to write an advertisement for this week's issue of The Herald, but having ordered a large invoice of goods to add to his stock he will tell the readers of this paper about them and his business in our next issue.

### Tag Day

June 18th has been designated as "tag day" by the sisters who have charge of Mercy Hospital. On that day three ladies, Miss Mary O'Keefe, Mrs. W. D. Rumer and Mrs. John Brennan, each assisted by six girls, all of whom will be supplied with suitable tags, will solicit donations to be used in furnishing the new hospital building when it opens July 1st. Every person making a donation will be given a tag to wear during the balance of the day.

As this will be something new for this city, and as the donations will be to help a work of mercy and charity, it is expected that the public will respond liberally on tag day.

### Obituary

Fredrick John Kulper was born in Germany, Sept. 26, 1847, and died at his home in Alliance, Neb., April 26, 1910.

The deceased came to America in 1869 to Mauch Chunk, Penn., where he resided until 1880 when he moved to Lincoln, Nebr. In July 1889, he came to Alliance where he has since resided. He was married to Mrs. Minnie Winbeck in Mauch Chunk, Penn., in 1876. Nine children were born to them, six girls and three boys. Six are still living, namely; Mrs. Emma Harris, and Fred L. of Lincoln, and Mrs. Rose Chrisman of Union; George, Willie and Bertha at home.

Mr. Kulper was expecting to leave on 43 on Tuesday to enter a hospital at Lincoln, but passed away suddenly on that morning. He had never been strong since having been crushed between two cars some two or three years ago.

The funeral will be held at the M. E. church at 2 o'clock p. m. today, in charge of Rev. J. L. Vallow.

### SPECIAL APRIL PRIZE

The special prize to the candidate receiving the most votes on new subscriptions from April 1st to the evening of May 4th is creating some interest. This prize consists of a ten dollar due bill on any store selected from the advertising columns of The Herald during the month of April. Votes counted in the contest for this special April prize are also counted in the main contest just the same as though the special prize were not offered. Following is the standing of the candidates in the contest for the special prize, the same being the number of votes received by each on new subscriptions since April 1st:

Miss Boon.....	1725
Miss Moravek.....	1200
Miss Snow.....	900
Miss Acheson.....	900
Miss Geiger.....	150
Miss Rosenberger.....	150
Miss Morgan.....	150
Miss Sandoz.....	150

### MORE PRIZES OFFERED

We had thought of adding two or three more premiums to our already valuable list of prizes, but feel that we should have several more candidates in order to do so. If three or more candidates enter the contest during the coming week, we will announce two or three more prizes in our next issue. A half dozen more candidates can enter the contest yet, and each candidate be absolutely sure of a prize.

### CANDIDATES RUNNING WELL

A comparison of the votes reported this week with last week's report shows that the contest is progressing nicely. Miss Snow is still in the lead, but is only 525 votes ahead of Miss Moravek who has made the largest gain of any of the candidates during the week.

Miss Boon reaches third place and continues in the lead for the special April prize.

Miss Acheson is fourth in the race. We wish to make a little explanation in regard to what we said a few weeks since about her not working for herself. We did not mean that she was not interested, but that her being among the leaders through the efforts of her friends was a proof of her popularity. We understand now that she had done

### Committee on Celebration

We cannot yet give the complete program for the great Fourth of July celebration, the stockmen's convention and the race meet, but preparations are well under way to make it the biggest event of the kind ever pulled off in Nebraska. The gentlemen appointed on committees and as superintendents are competent to handle the big doings right and will see to it that nothing is left undone to make the whole affair a grand success.

We are pleased to announce the following officers: Executive committee: F. E. Holsten, chairman; W. S. Ridgell, secretary; R. M. Hampton, treasurer; Marcus Frankle, Geo. D. Interest in the races will be greatly increased by the fact that they are to be run under American Trotting Association rules.

### State High School Declamatory Contest

The annual state high school declamatory contest will be held at North Platte on Friday evening of this week. There will be, as usual, three classes in the contest, oratorical, dramatic and humorous. Last year Alliance high school students represented this district of the state in all three classes but this year our school will be represented in two classes only. Miss Lura Vance having won first place in oratorical and Ralph Thomas first place in dramatic at the district contest at Bridgeport, will represent Alliance and this district in those two classes in the contest. Miss Vance and Mr. Thomas leave on the noon train today for North Platte, accompanied by Supt. D. W. Hayes, who will visit the State Normal School at Kearney before returning.

### New Furniture Store.

T. J. Threlkeld has ordered a fine stock of new furniture, and is fixing up the store room at the northeast corner of Box Butte avenue and Wyoming street, where he will install the same when it arrives, which will be soon. ### Woman's Club Meeting.

The Woman's Club will meet tomorrow (Friday) afternoon with Mrs. L. H. Highland.

### Fatal Accident to Little Boy

Yesterday forenoon the cruel wheels of a loaded lumber wagon crushed the body of a sweet little boy on West Montana street, life becoming extinct within about twenty minutes after the accident. For several days past workmen have been excavating as a part of the improvements being made on F. E. Reddish's property at the southwest corner of Montana street and Cheyenne avenue, the dirt being hauled into the street. Some children were playing about a loaded wagon, unobserved by the driver, who started his team with the result that a wheel passed over the body of Mr. and Mrs. W. H. Grandstaff's little boy, Asher.

Asher Miner Grandstaff was born Nov. 3, 1906; died April 27, 1910. The funeral will be held at the M. E. church at 4 p. m. today, conducted by Rev. J. L. Vallow; interment in Greenwood cemetery. We extend to the sorrowing parents and brothers and sisters our sincerest sympathy.
