The H. S. Juniors Entertain

The high school juniors gave their annual reception to the seniors on last Monday evening. A party of forty, including members of the two classes chaperoned by Misses Mayme O'Donnell and Blanche Macdonald, and a part of the faculty, had a merry hay-rack ride to the banks of Broncho lake where a clam-bake (weenie roast) was served by the juniors.

Upon their return to the city a progressive luncheon was served at some of the homes of the juniors, the last course being at the home of Ralph Thomas, where Prof. Hanna was toast-master and many happy responses were given to toasts offered.
The party dispersed at a late hour, all acknowledging the juniors to be delightful entertainers.

Move from Kansas to
Northwestern Nebraska

Last December J. S. and L. D. George and Bart Baumgardner of Lebo, Kans., filed on Kinkaid's near Long Lake in Sheridan county. J. S. George has been stopping during the winter at the home of T. J. Lawrence in the Fairview neighborhood. Yesterday morning L. D. George and Bart Baumgardner arrived in Alliance with two carloads of stock, farming implements and household furniture and utensils. Mr. Baumgardner's family will arrive within a few weeks.

Returning From France

Peter Kicken informs us that his brother Frank Kicken is coming back to America and is expected to arrive the last of this week or the first of next. He lived in this country in an early day, but returned to France with his family about eight years ago. It seems that his children prefer to reside in Box Butte county rather than in sunny France, and as The Herald has kept Mr. Kicken posted on the progress of this country he has decided to return with his family.
