## Piano Contest Booming

It is said that "Open confession is good for the soul," hence we may as well "acknowledge the corn" and confess that the object in starting the great voting contest now going on was to boom subscriptions and at the same time give to a number of lady friends of the paper prizes that will repay them for any effort they and their friends put forth to secure them. The contest is having the desired effect. Subscriptions are booming and the prospect is that they will continue to boom for some time to come.

As will now be seen by reading the standing of the contest, Miss Attie Snow still continues in the lead, having made a gain during the past week of 2,050 votes which gives her a total of 15,550. Miss Boon made the largest gain of any of the candidates during the last week, having increased her vote 2,100 which places her in second place with 13,425 votes to her credit and gives her the special April prize of a \$10.00 due bill which she has chosen to take on Geo. D. Mollring's store. The total number of votes cast for her on new subscriptions from April 1st to May 4th, is 3,845. Miss Ella Moravek now holds third place, although only 450 votes behind Miss Boon. Miss Nell Acheson increased her votes during the week and continues to hold fourth place.

Miss Alma Rosenberger made a gain during the week of 2,030, only 70 votes less than the gain made by Miss Boon and 20 less than Miss Snow's gain. This places her fifth in the list of candidates instead of sixth as last week.

Miss Jessie Geiger now has sixth place, Miss Anna Dainton seventh, Miss Theresa Morgan eighth and Miss Jennie Sandoz passes from the bottom of the list to ninth place.

### STANDING OF CONTESTANTS

### Obituary

Conductor Andrew Dwyer, who has been in St. Bernard's hospital, Council Bluffs, for the past two years, died on Thursday, April 28th. His body was shipped to his old home in Burlington, Iowa, where the funeral was conducted on May 2. He leaves a wife and two little daughters. He was a man of sterling worth and all who knew him mourn his death. The family has the sympathy of the entire community.

### Making Preparations for Celebration

W. S. Ridgell went to Crawford last Saturday to complete arrangements with the Ft. Robinson military band. While there he saw Col. Kingsbury and learned that the 8th cavalry will start for Cheyenne about July 1st to attend the summer maneuvers at Ft. A. D. Russell. They will probably make the trip via Alliance and we hope that an effort will be made to get them to stop here during the celebration. We understand that the proper committee will take the matter up and see what can be done.

Judge Ridgell informs us that the Ft. Robinson military band will bring their tents and camp on either the Elks' or Eagles' lots near the Drake hotel.

### Strayed or Stolen

### May Starts Out Well

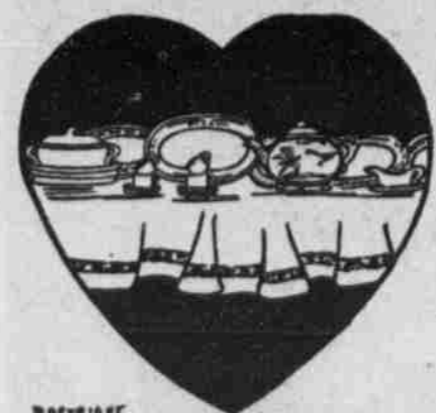

The Herald received thirty-five new subscriptions the first three days of this week. This starts the month well and looks as though May will be a record-breaking month for subscriptions.

For Rent—Two furnished rooms, modern, first floor; could be used for light housekeeping. Phone 324 or 299.

### Tag Day

June 18th has been designated as "tag day" by the sisters who have charge of Mercy Hospital. On that day three ladies, Miss Mary O'Keefe, Mrs. W. D. Rumer and Mrs. John Brennan, each assisted by six girls, all of whom will be supplied with suitable tags, will solicit donations to be used in furnishing the new hospital building when it opens July 1st. Every person making a donation will be given a tag to wear during the balance of the day.

As this will be something new for this city, and as the donations will be to help a work of mercy and charity, it is expected that the public will respond liberally on tag day.
