THURSDAY, JULY 14, 1910.

Democratic County Convention

You are hereby notified that on Saturday, July 16th, 1910, at 2 o'clock p. m., at the county court house, the Democrats of Box Butte county, will hold a county convention...

NOTICE

I hereby announce myself a candidate for the office of County Attorney, for Box Butte County, at the Primary to be held August 16th, 1910, subject to the Democrat and People's party.

Announcement

I hereby announce myself as a candidate for State Representative of the 53rd representative district of Nebraska, subject to the Primaries of the Democratic and People's Independent Parties to be held Aug. 16, 1910.

Announcement

I wish to announce to the voters that I am a candidate for Representative of the 53rd District, subject to the action of the Democratic and People's Independent parties. Primaries August 16th, 1910. H. E. REISCHE.

The Herald does not demand of a candidate for an elective office, as a condition to securing our vote, that he think just as we think on all questions of public interest; but we wish to say here and now that no candidate for a legislative office, whether state or national, will ever receive our support unless he is openly and unequivocally committed to the principle of direct legislation.

For some time past friends of Prof. J. W. Crabtree, ex-president of the Peru state normal school, have been urging him to become a candidate for state superintendent of public instruction. He declined to yield to their request in the matter as long as there was a possibility that Supt. Bishop would be a candidate for re-election.

Direct Legislation for Colorado

The indications are that Nebraska and Colorado will both have direct legislation within a few years, but it looks now like Colorado will beat our own state to it. Governor Shafroth has called a special session of the Colorado legislature to take action on a number of reform measures, including the initiative and referendum.

"Irrespective of party the people are in favor of these reforms. In the thirty five counties visited by me in

the last six months the sentiment is overwhelmingly for the redemption of the pledges. I speak of the farmers and laborers, for I did not talk with politicians. Party name has lost its significance throughout the state. The people do not care which party gives them the reforms demanded.

W. J. TAYLOR

Candidate for the Democratic and Populist Nomination for Congress

I believe that the position of the Democratic party upon the tariff, in come tax, banking, ship-subsidies, courts, control of corporations, direct legislation, etc., is best conducive to the people's interest, and that a republican cannot consistently complain of the present conditions and ask for a continuance of his party in power.

Automobile Laws of Nebraska

Every owner of a motor vehicle shall, for every such vehicle owned by him, file in the office of the secretary of state a statement of his name and address, with a brief description of the vehicle to be registered, on a blank prepared and furnished by such Secretary for that purpose.

It is a noteworthy fact that while the principle of direct legislation is endorsed practically unanimously by voters in rural districts, it is also one of fundamental principles of union labor organizations. There is no reputable union labor paper, so far as we know, that opposes the initiative and referendum.

The Herald will soon have some very interesting contributions from J. P. Barger, of Chariton, Iowa, who is putting in the new nursery near Alliance. Mr. Barger will write some very valuable articles relative to the growth and care of trees in Box Butte county and western Nebraska.

Treasurer's Semi-Annual Statement-Box Butte County

Summary of Collections, Disbursements and Balances for the Six Months Ending June 30th, 1910

Table with columns: COLLECTIONS, AMOUNT, DISBURSEMENTS, AMOUNT, BALANCES, AMOUNT. Includes items like 'To cash on hand forwarded', 'By state treas. receipt No. 63670', etc.

I, Fred Mollring, County Treasurer of Box Butte County, do hereby certify that the enclosed statement is a true copy of all collections and disbursements for the six months ending June 30th, 1910.

AUTO DEPARTMENT

B. H. Fernald, Auto Livery. Prompt service. Phone 15 or Red 187.

The Lincoln Automobile Club turned out in large numbers and attended the parade of the Lincoln Boosters, who returned from their southern trip last Saturday night, to welcome them home.

Last month the Nebraska Buick Automobile Company placed very substantial agencies at Bridgeport, Sidney and Kimball in the western end of this state, and have already shipped several carloads of cars to those different points.

The County Commissioners at Lincoln have put in 250 miles of graded roads leading in every direction from Lincoln. This is the greatest number miles of graded roads put in Lancaster County in any one previous year.

Mr. H. E. Sidles, General Manager of Nebraska Buick Automobile Company of Lincoln, and his family, accompanied by Mrs. Emma Holmes and party, Walton G. Roberts and family, and A. G. Davis and family, left Lincoln Fourth of July in their automobiles for a trip across the country to Denver, going by the way of Cheyenne. They expect to stop in Kearney the first night, Ogallala the second night, Cheyenne the third night, and Denver the fourth night.

The following list of autos registered in Nebraska from January 1st to June 1st of this year may be of interest to our readers, as it shows just how many cars of each make are being sold.

Table listing car models and counts: Buick, Ford, Chevrolet, etc. with corresponding numbers.

Economy, Haynes, Rider Lewis, Wayne, Warren, Mar, Pop, Mar, Moon, Hatfield, Staver, Mason, Mont, Antra, Henderson, Gieson, Ricketts, each 2.

Automobile Laws of Nebraska

Any person operating a motor vehicle shall at request or on signal by putting up the hand, from a person riding or driving a restive horse or other draught or domestic animal, bring such motor vehicle immediately to a stop and, if traveling in the opposite direction remain stationary so long as may be reasonable to allow such horse or animal to pass, and, if traveling in the same direction use reasonable caution in passing such horse or animal, and the operator or occupant of any motor vehicle shall render necessary assistance to the party having in charge such a horse or other draught animal in so passing.

Cities and towns shall have no power to pass, enforce or maintain any ordinance, rule or regulation requiring of any owner or operator of a motor vehicle any license or permit to use the public highway or to exclude or prohibit any motor vehicle whose owner has complied with section two (2) (6320) or section four (4) (6322) of this act

Junior Normal Notes

Miss Anna Nerud visited Normal last Friday. Miss Elizabeth Thomas has left Normal and will soon leave for an extended trip through the east.

Mr. Matrin, agent of the Houghton, Mifflin Co. was in town Saturday and during the day talked shop to most of the faculty. Misses Nation, Russell and Kennedy have only a few studies left to complete before receiving a state certificate good for life in Nebraska.

The students of the Normal have been favored by reading selections, piano solos and duets and speeches from many prominent people this summer.

I. E. Downey formerly Normal Training Inspector, visited chapel Monday and gave an excellent talk to the teachers on subjects of their profession.

The Normal students were cordially invited to the Baptist church last Sunday night. Rev. Huston preached a splendid special sermon which was well received.

Fred B. Young of Morrill visited Normal from Saturday until Monday. Primarily his visit was to see one of our "Normal Lilies" and secondarily to see his Uncle Everett.

One of the important classes of the Normal is the music class of which Prof. Gardner has charge. Mr. Gardner took the class as an extra, for he already had the allotted number.

Nearly every Sunday afternoon a crowd of Normalites gather at the dining hall and sing church songs. If the usual church choir could have the enthusiasm of these voices it would be well.

In the Nebraska Teacher of this month Supt. Pate's picture appears among those who have made important changes. Dean Fuller, who was with us during Institute, has the honor place on the cover.

The various classes of the Junior Normal are doing good work. From all the reports of the people who have visited the other Junior Normals, Alliance beats them all in point of enthusiasm and energy if not in point of numbers.

The county certificate examination will be given next Friday and Saturday. No

from the free use of such highways, and all such ordinances, rules or regulations now in force, are hereby declared to be of no validity or effect; provided that nothing in this act shall be construed as limiting the power of local authorities to make and force and maintain an ordinance, rules or regulations, in addition to the provision of this act, affecting motor vehicles which are offered to the public for hire.

OWNER FILE STATEMENT WITH SECRETARY OF STATE

Every owner of a motor vehicle shall, for every such vehicle owned by him, file in the office of the secretary of state a statement of his name and address, with a brief description of the vehicle to be registered, on a blank prepared and furnished by such Secretary for that purpose.

Notice of Filing Final Account

In County Court of Box Butte county Nebraska. In the matter of the estate of Morris Kellogg Deceased.

NOTICE TO CREDITORS

In County Court, within and for Box Butte County, Nebraska, June 27, 1910, in the matter of the estate of Nellie E. Taylor deceased.

student will be allowed to take any examination in branches of study which are currently carried. At the close of the Normal examinations may be taken in any branch for certificate grades.

It has been suggested that the Normal be named "Wm. J. Bryan" for there are 10 girls to one of the opposite sex. Only recently one of the "beauties" wore a pretty ribbon on her hair and drew a prize. Since then it is amazing how many others have done likewise.

The Normal school at Wayne is to be started this fall, a year earlier than was expected. There is some talk of starting the Chadron Normal also this fall.

Tuesday afternoon 43 students visited the dairy farm of Mr. Schoffer west of town. Prof. Gardner had charge of the work and gave very many interesting pointers in the selection of the dairy type of cattle.

The dining hall for Junior Normals originated at Alliance. At the present time nearly fifty are fed each meal. The price was left this year at \$3.00 a week, but in view of the fact that all supplies have advanced considerably in price the charge should have been not less than \$3.50.

The Valentine Junior Normal according to current reports has but about fifty teachers in attendance. The payroll of the instructors for the two months will be about \$1,300.

LEGAL NOTICE

In the County Court of Box Butte County, Nebraska.

In the matter of the (order for hearing on estate of Samuel A. Smith account, do case).

LEGAL NOTICE

To Frederick W. Gray, non resident defendant.
