Former Allianceites at Scottsbluff

The following taken from the Scottsbluff Star will be of interest to our readers:

The Diers Bros. store has secured the services of W. J. Fuller, formerly of Alliance, as manager of its grocery department. Mr. Fuller is a thorough grocery man and has the reputation of holding the confidence of all who deal with him. Mr. Jackson, junior member of the firm, informs us that plans are under way to have a new building erected for the firm and the matter will be settled next week.

H. A. Feltz, for several years manager of one of Alliance's large stores, in the dry goods department, has accepted a position in the same capacity with the Weller Co. here. He assumed his duties last Friday and will move his family here next week. The Wellers now have a force of twelve clerks and are well settled in their new quarters. Their new dry goods department will be ready for the opening as advertised in another part of this paper.

Another New Building for Alliance

Alliance will have another new building on Box Butte Avenue. It will be located on the third lot north of The Herald office and is being erected by S. C. Reck. The Adler family who are the owners of the lot have contracted for the building which is to be of brick with basement. The size will be 25 by 80 feet. It will be completed within the next two months if possible.
