Crop Outlook in Nebraska

In an interview with J. C. McCorkle, the veteran Box Butte county land man, he stated to the Herald reporter that he has made three trips in the last four weeks over the Burlington and Union Pacific and by auto through the eastern and southern parts of the state. From Broken Bow to Omaha on the Burlington the crops are above the average. The Platte valley has a good crop of corn. On an auto trip from Grand Island to the Republican river he saw good crops, around Hastings the crops being particularly fine. From Holdrege west on the Burlington the crops are very badly damaged by the drouth. From Bertrand east they are fine. His opinion is that Nebraska will have far above the average in the money value of crops this year.

In Box Butte county he states that the corn and potatoes are the best in twenty-four years. Box Butte county and surrounding country have practically the only potatoes in the state, the eastern portions having a potato failure this year. In Box Butte county the early small grain was hurt by the dry June weather but there is some very fine spring and winter wheat, oats and barley where properly farmed.

Methodist Pastor Arrives

Rev. Dr. J. L. B. Jones, recently appointed pastor of the Alliance M. E. Church, arrived Tuesday from Elkins, W. Va., where he was pastor of the First Methodist church. He stopped to visit friends in Missouri on his way west. His family, consisting of wife and four children, will arrive about September 15.

New Assistant Cashier Arrives

H. C. Nicholson, who takes the place of Glen Hampton at the First National as assistant cashier, has arrived and is already doing business. Mr. Nicholson has been connected with the Live Stock National bank of South Omaha for the last three years, being in the banking business in Iowa for eight years before that. He and his wife are now living at the Hawkeye residence. The writer has been acquainted with Mr. Nicholson for some time and the Herald joins in welcoming them to Alliance. We assure them they will find this a mighty good town where every man is a booster.

New Skating Rink

A new place of amusement will be opened in Alliance tonight and promises to be one of the most popular that has ever been in the city. R. A. Charlton has leased the front part of the ground floor of the new McCorkle block, a space fifty by eighty feet, for a skating rink. A supply of skates and a military band organ, run by an electric motor, were ordered new for this rink and have arrived. The Herald job department is printing a supply of admission and skating tickets and everything will be ready to open this evening.

Roller skating is becoming popular again in the larger cities, and we predict that it will soon be having a great run in Alliance. The location is a good one, and the floor will be excellent for roller skating. The price of admission is ten cents and twenty-five cents for skating including the use of skates.

Married

At the Baptist parsonage Tuesday evening at eight o'clock, Rev. J. M. Huston officiating, Mr. Ray Hoag and Miss Mary Anderson.

Both are popular Alliance young people. Mr. Hoag being connected with the Burlington, Miss Anderson is the daughter of J. A. Anderson of this city. The wedding was a surprise to their many friends, there being present besides the bride and groom, Miss Dorothy Hoag, sister of the groom, Miss Bertha M. Anderson, sister of the bride, and Chas. L. Hill. Miss Bertha Anderson was the bridesmaid and Chas. Hill the best man.

The happy couple will make their home in Alliance and will take up housekeeping at once. This makes two weddings in the Hoag family in the last few days, Miss Lydia Hoag being married only a few days ago. It is a pleasure to chronicle the marriage of such worthy young people and this paper wishes to them its warmest congratulations.

Fred Brennan, the Alliance plumber was held up last Saturday and severely beaten. He was out again the first of the week but showed the results of the encounter. The place of the assault was just south of Dr. Bowman's residence. Mr. Brennan was knocked down and kicked about the face and head. While unconscious from the beating he was robbed of six dollars and some cents in silver. The only description he could give was that his assailant was a large man.

Miss Della Reed and Miss Fannie McCoy are on a visit to Weiser, Idaho, visiting the parents of Miss Reed. Ira Reed, her father, was a well known resident of this county for several years.

Land Office Notes

A case of much interest to school teachers who have homesteads was recently decided by the secretary of the interior, Effie M. Walker, in Hyde county, South Dakota, was teaching school about four miles from her homestead and living on the homestead from Friday to Monday of each week. She had built a comfortable house on the tract; had broken five acres which was under cultivation, and had furnished the house.

The entry was committed and she sold the land. Later a special agent of the government recommended cancellation of the proof on account of insufficient evidence and cultivation. The general land office ordered the proof cancelled but after a review of the case the secretary of the interior ordered the proof sustained.

CONTESTS

Aug. 1. Lands in Sections 7, 18, 19, and 20, twp 22, range 49. Lincoln Lowry vs Floyd O. Pinkston.

Aug. 2. NE 1/4 of 32-34-51. John A. Pilster vs Jesse E. Wrighton.

Lands in 23-22-47. Bessie Graham vs Wm. F. Graham.

Lands in 3 and 4-24-45, and 35-25-45. Charlotte Ward vs Clarence Zurn.

Lands in 19-25-54 and 24-25-55. Geo. R. Rockwell vs Clyde T. Barlow.

Genuine Crude Oil Burner.

Owing to the cheapness of crude oil and the unlimited supply of the same, many attempts have been made to invent a crude oil burner for cook stoves, ranges and furnaces. Other attachments have been invented for the use of refined oil, which is more expensive, but the only successful attachment for the use of crude oil is the "O. K." Crude Oil burner, manufactured by M. H. Spere of Grand Island and sold in Alliance by W. M. Wilson, 204 Box Butte avenue.

Mr. Spere was in Alliance a few days this week and gave the Herald reporter some interesting information about this invention. It can be used in any stove, range or furnace without drilling holes or otherwise defacing the same in any way. Crude oil can be furnished to customers in Alliance at six cents per gallon, which by using the "O. K." burner will make a saving of from thirty to fifty per cent in the cost of fuel, either for baking or heating in any stove.

This saving will be of great interest to the men who have the fuel bills to pay, while the women will, of course, be more than pleased with the cleanliness, there being no ashes, soot or smoke, and with the ease with which the fire is started and regulated.

Baking is brought to perfection with this burner. Mr. Spere brought to The Herald office yesterday a loaf of bread which had been baked in thirty-five minutes by Mrs. W. H. Zehrung, for whom he had just installed a burner. The bread was certainly baked "to the queen's taste", and would cause any woman to become enthusiastic over the work of the burner.

To give an idea how these burners take where they have been demonstrated, Mr. Spere showed us a \$1,000 order for them, recently received at Des Moines, which he said was his first order in Iowa.

Persons who are interested are invited to call at Wilson's store, opposite The Herald office, and see the "O. K." demonstrated.

Born to Mr. and Mrs. Hal Pardey this morning, a baby girl. "Regulation weight."

Junior Normal Exercises

The Alliance State Junior Normal graduating exercises which were given last Thursday evening at the Opera House were not attended as well as might have been on account of the heavy rain. In spite of the small attendance much interest was manifested. The stage was tastefully decorated with the class colors, purple and white, and the class flower, wild Gentian, was much in evidence.

The graduates for this year were Victoria Sims, Verda Wiker, Helen Krajcek, Nettie Nation, Gertrude Converse and Jennie Oldershaw. The address by Prof. E. P. Wilson was very interesting and well delivered. It showed careful study and preparation. His oratorical ability is well known. The violin solo by Fred Funke, the vocal solo by Miss Ruth Ganson and the duet by Misses Ruth

Reduce Your Living Expenses by Buying Your Groceries Where You Can Get Them the Cheapest

These are a few of the many bargains to be found in our store:

Tomatoes in No. 2 cans \$1.00 dozen
