Favorable Comments from the Press

HON. J. R. DEAN.

Omaha World-Herald: "Judge Dean's qualifications as a candidate for congress are obvious. He made an excellent record on the supreme bench, and he is today one of the most popular democrats in Nebraska."

Ravenna News: "Judge Dean is one of the state's most capable men and his ability would soon win for him a place among the leaders in Congress."

Kearney Democrat: "Judge Dean is called the 'Insurgent Judge' of the supreme court."

Mason City Transcript: "Judge Dean is a good clean man morally, a fine lawyer, an able judge and a man Nebraska is proud to count among her citizens."

Holt County Independent: "Judge Dean's candidacy is certainly gratifying to the people in the district who have become painfully tired of Kinkaid."

Aurora Sun: "With Judge Dean once nominated we opine that the devoted patriot Mr. Alaska Coal Field Kinkaid will have reason violently to scratch gravel."

Kearney Times: "The Sixth District is looking for a strong man to run for congress this fall and Judge Dean seems to be the choice."

Alliance Herald: "Judge Dean is well known throughout the state as a member of the supreme court of Nebraska and if nominated we believe he will be the next congressman from the Big Sixth."

Hastings Democrat: "Judge Dean represents the best in democracy, and the people can rely upon his fidelity to progressive principles. His candidacy is the best news that has reached us lately."

Folk County Democrat: "We hope Judge Dean will receive the nomination that he will bring added votes to the other offices on the ticket in November. He is a vote getter."

Custer County Chief: "Judge Dean carried Custer county for supreme judge over Judge Fawcett by 863 majority and over Judge Barnes by 768. He led his two running mates in this county by something over 400 which shows the Judge is a popular man at home."

Custer County Beacon: "Judge Dean's remarkable vote in Custer county and in the Sixth district was one of the features of last fall's election and was favorably commented upon throughout the state. This with his other qualifications brings him prominently before the people as an available candidate for congress at this time."

Congressman Hitchcock for Senator

To the voters at the primaries:

August 16th is primary day and I ask for the democratic and populist nomination for United States senator.

I was born in Nebraska fifty years ago and have lived in the state all my life except two years spent at school as a boy in Germany.

Twenty-five years ago this month I established the Evening World. Four years later this became the Morning and Evening World-Herald, which I have published and edited as a radical democratic paper, supporting also many populist candidates.

I am now serving my third term in congress, representing Douglas, Washington and Sarpy county. I have been elected in this republican district by increasing majorities because people of all parties have approved my course in congress.

My record shows that I have

GILBERT M. HITCHCOCK.

fought the trusts, tariff robbery, ship subsidies and Cannonism.

I have supported the income tax, railroad regulation and publicity of campaign contributions. I assisted in the passage of the postal savings bank bill and I forced the investigation of Ballinger and the land frauds.

In these and other respects I have not only stood with my Democratic associates but have co-operated with such progressive republicans as Murdock in the House and La Follette in the Senate.

I trust that my service in the house has qualified me for a place in the senate and I ask your support at the primaries Aug. 16th. Respectfully,

GILBERT M. HITCHCOCK.

State Fair Items.

The entries for races of the State Fair, Sept. 5th to 9th, will close next Monday, August 15th, and are as follows: Trotting 2:25, 2:20, 2:15 and 2:10, and pacing 2:20, 2:17, 2:12, 2:09 and 2:04. Each being for a purse of \$500 with a five per cent entry. At the same time closes the Nebraska derby of 1:16 miles which will be run on Tuesday of the fair, and the ten mile relay race, two miles each day, changing mounts at the end of each half mile. These together with the six early closing races, four of which are for \$1,000 each, and nine running races, constitute the best list of races ever offered on a Nebraska course, and taken with Wright Bros. Aeroplanes to make flights each day of the fair, together with other usual features, should furnish a very attractive program for Fair visitors.
