WEALTH IN IRRIGATION

Congress has just appropriated Twenty Million Dollars to hasten the work of Government irrigation.

THE GOVERNMENT SHOSHONE PROJECT IN THE BIG HORN BASIN

will receive its share and be pushed to completion at once. Contracts for a twelve-mile extension of the main canal were let June 27th. More than 150 farms now ready for settlers, and a large number of farms are now being surveyed, which will be open to entry within a few weeks.

These rich lands, irrigated by the Government, can be homesteaded by simply repaying the Government actual cost—\$45 per acre, in ten yearly payments, without interest.

15,000 ACRES OF CAREY ACT LANDS just opened to entry—only 30 days residence required. Under this law settlers buy water from the irrigation company at \$50 per acre, and the land from the State at 50 cents per acre, paying \$10 per acre cash, the remainder running over a period of ten years at six per cent.

Specially prepared Wyoming literature just off the press. Write for it today.

Report from Phoenix Board of Trade

An increase of \$1,025,637.89 or 12 per cent in one year makes the total assessed valuation of property in Maricopa county in 1910 \$17,940,167.42.—A company has been organized in Phoenix to erect a \$250,000 fireproof hotel, the work of clearing the ground has commenced.—Commissioners of Territorial Fair have opened offices, schedule of prizes totalling \$60,000 offered for annual November event.—Fish and Game Commission has arranged to stock with fish the Roosevelt Reservoir, a lake 25 miles in area.—Owners of 24,000 acres of land outside the Roosevelt Project have asked to have their lands and works added to the Salt River Valley scheme.—Filing a trust deed to secure \$40,000,000 of bonds to Farmers Loan and Trust Co. of New York evidences the progress intended by various combined railroad lines in Arizona.—Recent decision making a reduction of 30 per cent in freight rates to Arizona to go into effect October 1st will stimulate trade conditions to a remarkable extent.

Sample of the early crops in Arizona: the Glendale sugar factory has received 25,000 tons of beets this season, hauling closed July 21. Outside of Arizona beet hauling is only commencing.—Subdivision of large tracts in Salt River Valley is noted, 11,967 acres have been added to the small areas since April. This is more than the area subdivided during the entire preceding year, a splendid endorsement of the Roosevelt Project.—Farmers of Salt River Valley are to erect power plants to produce 10,000 horse-power, an assessment of \$2.25 per acre for two years will pay the cost of construction, \$1,000,000, after which time profit will result to land owner and water user.—Territorial and National Banks report progress.

A good Phoenix newspaper is The Arizona Republican. It is a daily twelve-page paper in its twenty-first year. The Republican occupies its own large building in Phoenix which was erected especially for it. Anyone desiring a copy of this paper can get it at The Herald office.

SPECIAL ENVELOPE OFFER

As a unique method of advertising Alliance and Box Butte county, we ordered direct from the factory a case of envelopes (about 40,000) on which was printed, before the envelopes were folded, a photo cut shown below, with a blank space in the upper left hand corner in which we print at this office the names of persons or firms using them.

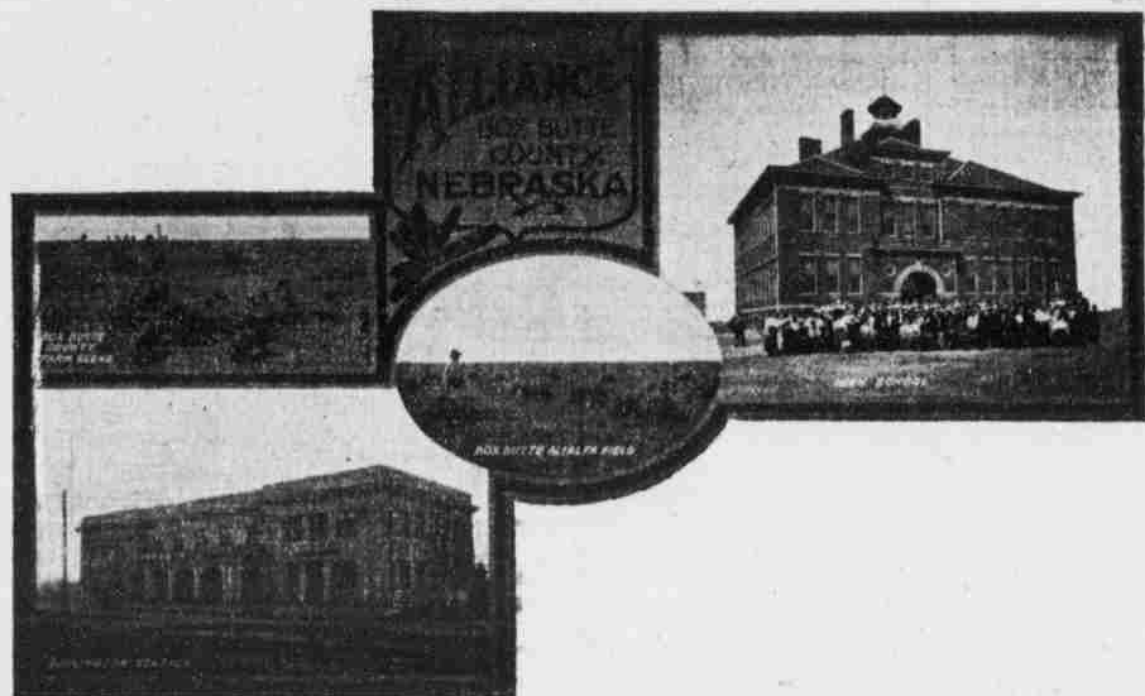

These make a splendid advertisement of Alliance and Box Butte county and we wish to have them used as extensively as possible. More than two-thirds of these envelopes have already been sold, mostly to business men of Alliance but some to farmers. Our price on these envelopes, with corner card printed in either black or colored ink, was as follows: 50 for 75c; 100 for \$1.00; 250 for \$1.50; 500 for \$2.65.

In order to put these envelopes into the hands of as many persons as possible, we are making the following special offer until the balance of the case has been sold:

- 50 envelopes with corner card, \$.50
- 100 envelopes with corner card, .75
- 250 envelopes with corner card, 1.50
- 500 envelopes with corner card, 2.25

Persons wishing these envelopes without corner card, as shown below, can secure them while this case lasts for 35 cents for 100.

Call at The Herald office as early as possible and leave your order, or call up phone 340, and the envelopes will be delivered anywhere in the city.
