Dahlman Leads by 4,619 Majority IN 40 COUNTIES

Cady Leads by 783. Returns of Primary
Election Very Slow In Coming In.

FIFTY COUNTIES STILL OUT

Hitchcock Carries the State

STATE IN GENERAL.

Up to the time of going to press only 506 precincts in the state had reported. Returns from the state are coming in very slowly and it will probably be Saturday before the exact count is known. The votes were as follows: Dahlman, 14,914; Shallenberger, 10,295; Aldrich, 7,224; Cady, 8,007; Whedon, 2,681; Burkett, 5,191; Hitchcock, 12,495; Reed, 2,110; Metcalfe, 4,002.

Shallenberger headquarters claim that forty counties, including Douglas, only give Dahlman a majority of 1,800, and that the returns from the remaining fifty counties will wipe out this lead and nominate Shallenberger.

Dahlman headquarters claim that Dahlman has a majority of 4,619 and that Shallenberger's gain will not offset this. Douglas county gave Dahlman a majority of 4,968 and Lancaster county 534.

As fast as the returns are in they can be gotten at The Her-

ald office, either by phone 340, or on the bulletin board. The next issue will contain the complete official returns.

Special Features

Secretary Earl D. Mallery informs us that arrangements have been completed for a number of special features for the Box Butte county fair that will be big attractions, and that negotiations are pending for others.

Philip Romero, who was interpreter for the noted Chief Red Cloud and who now holds that position at the Pine Ridge agency, is in Alliance today completing arrangements to bring a hundred Indians and camp on the fair grounds and help to entertain the crowds that attend. There will be fifty participate in the Indian dances. Following are some of those who will come: Charles Plentywolf, Fast Thunder, Whale Wind Horse, Running Hawk, all of whom are chiefs, and Chase-in-the-Morning, who is the big chief of the tribe.

Another feature, that will be a treat to farmers and others interested in the agricultural development of this country, is a lecture by Prof. H. W. Campbell, the scientific farmer. Mr. Mallery has a letter from D. Clem Deaver, general agent of the C. B. & Q., advising him that Prof. Campbell will be in Alliance and deliver the lecture September 22nd.
