### RAINY DAYS

Come to everybody. Life has more ups than downs. Right now, while you are making, you ought to be saving; then when the downs come you will have something to fall back upon.

Where is the money you have been earning all these years? You spent it and somebody else put it in the bank. Why don't you put your own money in the bank for yourself—why let the other fellow save what you earn?

### Valuable City Lots on Easy Payments

Mr. N. P. Dodge, Jr. of the well known real estate firm of N. P. Dodge & Co. of Omaha, arrived in Alliance with his salesman and engineer to put on a sale of the lots in the new Belmont addition to Alliance. The lots are all staked and the price tag is on every stake. Every lot is sold for one dollar cash payment and the balance is paid at the rate of fifty cents per week, no interest is charged, and the taxes are paid by the present owners until the lots are paid for.

"In this way," said Mr. Dodge, "we enable hundreds of home buyers and investors to start owning their own homes or a piece of real estate which will increase in value while they are paying for it. We have sold thousands of lots on these very easy terms, and many mothers and fathers buy lots for their children or themselves, as it is easier to save money in fixed amounts and by regular payments, and one is not tempted to open the little savings banks or go to the bank and draw the money out. By paying 50c or \$1. a week you become the owner of one or two lots and it cannot run away."

"As soon as the purchaser comes to the addition, selects his or her lot, pays down a dollar and gets our contract; he or she can build at once or sell the lot again. Many buyers make a profit in a short time, and in one of our additions we have over one hundred and twenty fine houses."

"We maintain an office on the ground and Mr. F. E. Reddish is our local agent. We will assist every buyer to build by getting him a loan in the Occidental Building & Loan Association as soon as his lot is paid for, or before if he has a little money."

"We give 10 per cent discount for cash payment of \$25 or over. Our sale opens today and we will have a special corps of salesmen Saturday and Sunday."

### Great Preparations

The opening day of the second annual Box Butte county fair is less than a week away and the fair management is now confident that when the gates are open to the people of western Nebraska, Wednesday, September 21, it will be to view the largest and most complete exhibit ever shown in this section of Nebraska.

A large force of men have been at work for some time past, making improvements upon the grounds, and today there is not a county fair association in the state that can boast of more beautiful and adequate accommodations. Since last year's fair, a new grandstand, fully as large as the first, has been added to the equipment. In the rear of this roomy building many thousands of square feet of space will be utilized for exhibit purposes. One of the most interesting exhibits here will be the Box Butte county exhibit shown exactly as set-up at the recent state fair. At Lincoln, many thousands of people viewed this exhibit each day, and to a majority of the visitors, not familiar with the possibilities of this western country, it was a revelation. While, naturally such an exhibit will not occasion this feeling of surprise, on the other hand it should cause a feeling of great satisfaction that we live in a country possessing such a wonderful future.

The management has been steadily at work for months that this fair shall be a real unquestioned success. The most noted speakers in the state have promised to deliver addresses and ample entertainment in the way of races and free attractions have been provided. No effort or expense has been spared and the continued co-operation of the people of this county will certainly mean a bigger and better fair each succeeding year.

### A Splendid Lecture

Rev. T. J. Allen will deliver a highly interesting and instructive lecture at the U. P. church, Friday evening of this week, his subject, "Hebrew Sanctuaries", being illustrated with an exhibition model. Admission, 25 cents; children, 15 cents; family, \$1.00; all under 8 and over 80, free.

### Faust Pleases Allianceites

Sanford Dodge kept up his reputation for good productions of high-class

plays in his production of "Faust" at the Phelan Opera House last evening. This is the first play of the season at the opera house and the audience plainly showed their appreciation of the good performance. The electrical and scenical effects were very good. Come again Mr. Dodge.

While in Alliance Sanford Dodge favored the pupils of St. Agnes Academy with an interesting hour of his Shakespearian impersonations.

### Jos Barkhurst Very Ill

Jos. Barkhurst, the Box Butte pioneer, returned from a trip to Lincoln on Saturday morning very ill and was not able to be taken to his home northwest of town until this morning. He was taken to the residence of grandma Boone in Alliance, and a doctor secured immediately on arriving. His granddaughter was also sent for, who stayed with him until taken home. It is hoped that he will soon be well and out again.
