

1900—1910

TENTH ANNIVERSARY SALE

ON SEPT. 22, 1900, we began business in Alliance and it is with no little pride that we look back to the old days. For two years we occupied 1200 feet of floor space, then we moved and for five years had 1800 feet of floor space and for the last three years we have occupied our own building, using all three floors, giving us 7500 feet of floor space. We are crowded now but soon hope to have more room. Our GROWTH has been due to the kindness of the good people of Alliance in patronizing us. We have tried to merit your confidence by giving you good goods at fair prices and standing back of every sale and positively guaranteeing the quality. To show our appreciation we are going to give one week of SPECIAL BARGAINS. We have planned this sale for some time and were fortunate in being in New York when the great stock of **TEFFT WELLER COMPANY** was put on sale at their liquidation, and secured some rare BARGAINS in various lines.
