**A. S. Reed Likes Arizona**

A letter received from A. S. Reed, who recently moved to the Salt River of Arizona, states in part: 'We had a good and safe trip. The horses came through in good shape and have done well on the alfalfa since we got here. We are preparing land to sow to wheat, barley and oats. Will pasture through the winter months and harvest next May or early in June.'

'There is a lot of building going on in Phoenix this fall, and some of the buildings are mighty fine. There are many small farms between my place and town—twenty-six houses on the road the first two miles toward town. Some of the places are as small as five acres, but with their cows, chickens and fruit they make a good living.'

'It has been very dry and hot in this country the past summer but is some cooler now. I certainly like the country and am indeed glad to be where we will miss the cold northern winter.'

**JUDGE FOR YOURSELF**

Which is Better—Try an Experiment or Profit by an Alliance Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit. But the endorsement of friends is. Now supposing you had a bad back. A lame, Weak or Aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away aces. It's different when the endorsement comes from home. Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills. Read this case: Dr. Willis Coyle, 211 E.
