

A Solid Car Load—16 Famous "KURTZMANN" PIANOS

Received for a Sensational Selling in Alliance

THE BENNETT CO. Headquarters in Omaha recognizes the Alliance demand for really high-grade Pianos and arranges that Box Butte county users may take advantage of a recent immense "Kurtzmann" deal.

The "Kurtzmann" is not an ORDINARY piano by any means. It is a product of one of the oldest and most prominent firms in the east; in fact it has been on the market over 60 years.

No other make is more popular in Nebraska; we have sold hundreds of them; so when we were recently accorded an opportunity to purchase a number of car loads at a considerable concession in price, we accepted in haste, and arranged that our Alliance establishment should come in for a huge share of the deal.

We shall look forward to a RECORD selling in Alliance, for the musical public CANNOT afford to overlook a piano of the "Kurtzmann" grade, at the PRICES quoted here while this lot of SIXTEEN instruments is on our floors.

It will undoubtedly prove the largest selling of a single make ever chronicled in Alliance; see that yours is arranged for BEFORE the sixteen will have been disposed of.

THE PRICES QUOTED on these superb "Kurtzmann" Pianos will make history in Alliance. Don't wait for a better price or a better Piano—you'll just lose so much time if you do. The time is NOW! The price is "RIPE."

The "Kurtzmans" received in Alliance for this special selling, are of a model only recently gotten out by the "Kurtzmann" designers; the cases are of unusually select Mahogany or Walnut; the case design is one that must harmonize most beautifully with the finest surroundings.

In these pianos the pin blocks are "finished;" the music desks are of the full extension variety, while the "Boston" ball board is another evidence of taste in manufacture.

The instruments are what is known as the "Cabinet Grand" style; full four feet, nine inches high; with scale and action accurate to the most precise degree.

In fact, for general piano goodness, it would prove a task to find an all around finer instrument than the very style of Kurtzmann that is to be disposed of at sensationally low prices during this selling. See the instruments without fail.

If you have no piano, you'll crave for a "Kurtzmann" after seeing and hearing the sixteen that have just been shipped here. And if you HAVE a piano--one of those old time, unmusical affair, you'll want a "Kurtzmann" all the more. Terms will be arranged so that you may meet them with utmost ease.

The "Kurtzmann" is no stranger in Box Butte county. We have sold a number of them here; the owners are enthusiastic; they will agree to our claims as to the exquisite tone, capacity and lasting qualities of this extraordinarily fine make.

Book of Home Menus

Showing "What to Serve" and "How to Set and Decorate a Table."

A book to be highly prized, containing table settings beautifully illustrated in natural colors. Also twenty-four menus and more than one hundred recipes for cooking in a

"Caloric" Fireless Cookstove

You will be amazed at the seemingly impossible, almost unbelievable, things it does. It actually *bakes* cake, pie, bread, biscuits, etc., and actually *roasts* meats, chicken, game, etc., without any fire whatever except that supplied by the radiators (heated a few moments over a flame the same as an ordinary flat iron), as well as steams, stews, boils, etc.

You can cook practically everything for the family table, better and more wholesomely, more nutritiously, richer in flavor and at less cost than is possible any other way. You can do so the year round, summer and winter.

Delegates to State Irrigation Meeting

NEBRASKA STATE IRRIGATION ASSOCIATION.

Lincoln, Nebr., Nov. 3, 1910.
S. C. Reck, Chairman Board of County Commissioners, Alliance, Nebr.

Dear Sir: At the last meeting of the National Irrigation Congress, which was held at Pueblo, Colo., on Sept. 25th to 30th, the state of Nebraska was represented by thirty-two delegates. After listening to the discussions at this congress it was apparent to many of our delegates that irrigation in Nebraska was deficient in many ways, and it was suggested and unanimously agreed by the Nebraska delegates that a state association should be formed with a view to bettering this condition. A meeting of the delegates was called. After some discussion the "Nebraska State Irrigation Association" was formed, with T. C. Egelston, Freeport, Nebr., president, and D. D. Price, State Engineer's office, Lincoln, Nebr., secretary.

A call has been made for a meeting of this association to be held at Bridgeport, Nebr., on Nov. 15 and 16, to perfect this organization. That those who attend this meeting may have a recognized standing, it is desired that the chairman of the boards of county commissioners of supervisors of each county in the state where irrigation is practiced, appoint not less than five delegates composed of citizens who are directly interested in irrigation, power or conservation, if possible, and who will be able to attend this meeting at Bridgeport on Nov. 15 and 16. We also desire that the mayor

of each city or village and each commercial body assist us in this work by appointing delegates as above set forth.

This is an important matter, deserving our prompt and careful attention, as great good will result to every citizen of the irrigated portion of the state.

Will you kindly make the appointments as early as your convenience will permit and advise Mr. D. D. Price, Lincoln, Nebr., giving him a list of the appointees and their address?

Thanking you for your kind co-operation and prompt attention in this matter, I remain, Very respectfully yours,

D. D. PRICE,
Sec'y Nebr. State Irr. Ass'n.

Pursuant to the above request I hereby appoint the following named persons as delegates from Box Butte county to attend the Nebraska State Irrigation Association, to be held at Bridgeport, Neb., Nov. 15th and 16th, 1910: J. P. Jensen, J. M. Wanek, Cal Hashman, H. G. Furman and James A. Hunter. I hereby respectfully request that said delegates attend.

SANG C. RECK,
Chairman Box Butte County Com.

Potash Negotiations Fail.
Washington, Nov. 8.—The state department was officially advised of the failure of the potash negotiations in a cablegram from Ambassador Hill and Commercial Adviser Davis. The latter, the dispatch added, would leave at once for Vienna to consider certain trade relations with Austria.

Kramer and Moran Win Race.
Boston, Nov. 8.—Frank Kramer of East Orange, N. J., and James Moran of Chelsea won the six-day bicycle race, their mileage of 1,346 miles, 8 laps, marking a new American record for a ten hours a day six-day race.
