

Buy Your Shoes at a Shoe Store

THERE is a big difference in shoes. To a shoe man the difference is apparent but to the customer it sometimes is hard to distinguish between the good and the bad. A "Welt" shoe is a good shoe; a "makay" is inferior. We'll be glad to show you the difference.

Our Men's Welts at **\$3.50** and **\$4.00** are as good as the best shoe made. Let us show you.

"The Squaw Man"

On another page will be found the display advertisement for the "Squaw Man," which is billed for Alliance, Wednesday, Nov. 16. This famous play comes to Alliance with advices that it is the best dramatic production of the season. The company is composed of twenty-three players and will use all special scenery and electrical effects. The magnitude of the production may be seen when it is stated that the actual cost for putting on the play is \$250 per day. Mr. Parvin, first advance agent, has been in Alliance since last Saturday looking after business arrangements and we are sure that playgoers may expect a dramatic production seldom seen outside of the large metropolitan cities. Reports from the Black Hills country are to the effect that the "Squaw Man" has been playing to capacity audiences and that it is the most pretentious dramatic production ever seen in that territory. "The Squaw Man" has enjoyed long runs in New York and Chicago, and present company appears at the Tabor Grand theatre, Denver, shortly.

Death Visits Drake Home

On September 17, 1910, beautiful twin girls arrived at the home of Mr. and Mrs. W. R. Drake to gladden the hearts of their parents, brothers and sisters, but their visit to this earth was to be of short duration. On Thursday, November 3, Viola, who had lived long enough to become a darling of the home, was called away, and on the Monday following sweet little Violet followed. Funeral services were conducted from the home by Rev. J. L. B. Jones, pastor of the Methodist Episcopal church, and the remains of the little ones laid to rest in Greenwood cemetery. Like the sweetest blossoms of spring they came to gladden hearts for a few brief days, and then passed away, the remembrance of them being as fragrance wafted by heavenly zephyrs from a better world. To the bereaved family we wish to express our sympathy.

M. Bayer purchased the house and lot 8, block 13 from Mrs. Alice Johnson. Mr. Bayer will remodel the property and like the rest of his Alliance holdings, will soon have it in first class condition.

Mr. F. A. Pierson, of the implement firm of Pierson and Anderson at Axtell, delivered an excellent address on "The Stainless Flag" at the Methodist church Wednesday night, Oct. 26, to a large and attentive audience. His lecture consisted of argument on what the saloon has and has not done, in a way that held the people to the end. He said that the present condition in Nebraska demanded, for the sake of the good name of the state and our homes, the defeat of all Anti-County Optionists. Mr. Pierson sheds great credit upon the young manhood of the day who stand for honor, uprightness and sobriety. We hope he may see fit to come here again and address us.—The Minden News.

The wonder of baking powders—Calumet. Wonderful in its raising powers—its uniformity, its never failing results, its purity.

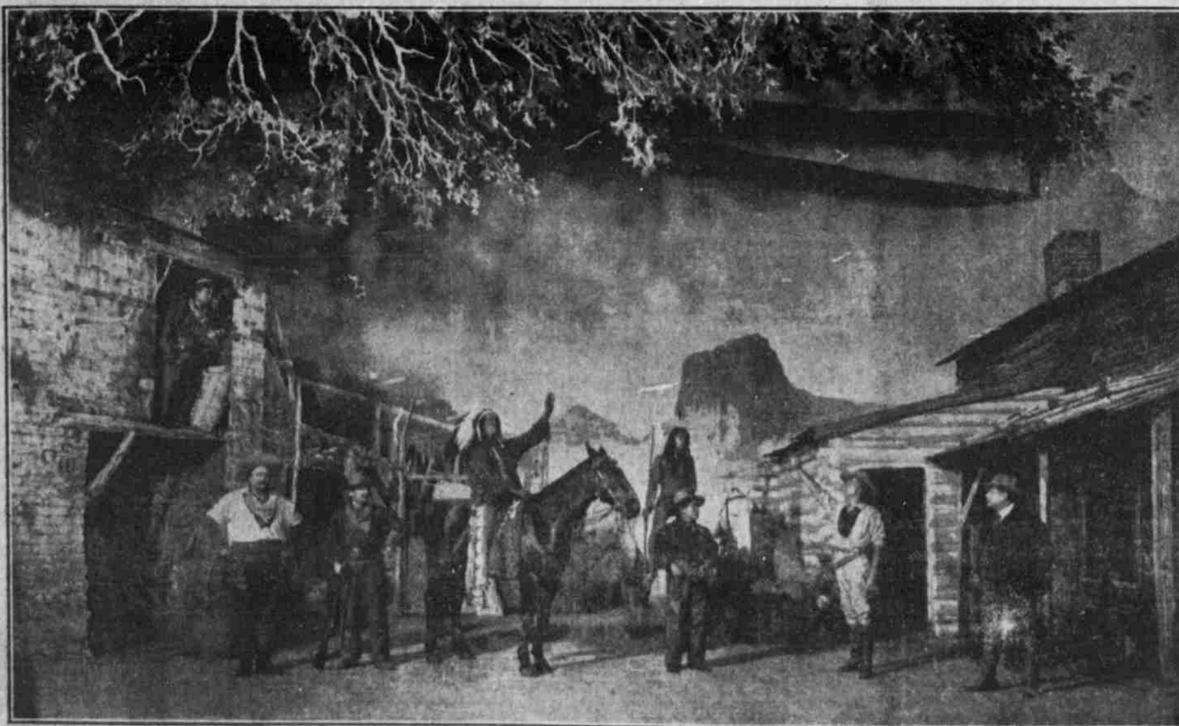

Wonderful in its economy. It costs less than the high-price trust brands, but it is worth as much. It costs a trifle more than the cheap and big can kinds—it is worth more. But proves its real economy in the baking.
