

Buy Your Shoes at a Shoe Store

THERE is a big difference in shoes. To a shoe man the difference is apparent but to the customer it sometimes is hard to distinguish between the good and the bad. A "Welt" shoe is a good shoe; a "makay" is inferior. We'll be glad to show you the difference.

Our Men's Welts at **\$3.50** and **\$4.00** are as good as the best shoe made. Let us show you.

RAILWAY NOTES AND PERSONALS

Conductor Hoskins has had his car and crew pulled off for a few days.

It is rumored that Conductor Richardson has resigned from the service.

Conductor Lawson, who has been running between Seneca and Ravenna, has been sent back to Alliance.

Mrs. Charles Grothe spent Sunday with her folks on the Deteline ranch. Mrs. George Deteline went out Monday.

The coal sheds that were at Ansley are to be moved to Ardmore. Road Master Lynch went Wednesday to select the location.

Conductor Moore, of the Seneca-Ravenna run, has quit. He has a furniture store in Ravenna that requires all of his time and attention.

Brakeman Scott Hunt left Alliance Tuesday night without stopping to pay his numerous debts around town. One man to whom Hunt had put up a touching story about wanting to send for his wife is out ten dollars. Besides this the crew he had been on the road with had been feeding him. When a big, able bodied man gets as low as this it makes it very hard for an honest man. Being a married man is no excuse for beating room rent, board, store bills and borrowed money.

Brakeman Rhoe is having trouble with his hand. About five weeks ago he hurt it while unloading stock in the Alliance yards. One finger was badly crushed, but seemed to get almost well and he went to work again. Last Sunday it began paining him and grew rapidly worse. The doctor pronounced it blood poisoning and had to remove the first two joints of the finger. Mr. Rhoe is now able to be down town but will have a very painful hand.

LOCAL PARAGRAPHS

The W. C. T. U. will meet with Mrs. Tash Wednesday afternoon, Nov. 22.

There will be an evangelistic meeting Tuesday afternoon at the home of Mrs. Tash, with Mrs. Nason in charge.

Mrs. Wm. Rust Jr., of Fairview, will leave Saturday for Lincoln, where she will spend a week or ten days visiting friends.

Mr. and Mrs. James Elmore came in from Billings, Mont., Saturday noon. They expect to make Alliance their home for the winter.

Prof. D. W. Hayes arrived yesterday from Peru for a few days' stay in this part of the state. He reports Mrs. Hayes and the children well and all delighted with their new home.

Mr. Ray Deteline, of Crawford, spent Saturday and Sunday in Alliance a guest at the Morris home. Mrs. Deteline and daughter, who have been here some time, returned to Crawford Wednesday.

Miss Ruth Hager writes from Kalispel, Montana, that it does not pay to raise potatoes up there, as they grow too large. In a load that was recently brought to town were a number weighing over four pounds.

Mr. and Mrs. M. L. Phares, having obtained a leave of absence from their homestead southwest of Bridgeport, having come to Alliance and will remain here a few months assisting Watson & Watson, the grocers.

A. C. Ferguson has opened a cleaning and pressing establishment over Zediker's plumbing shop, 411 Box Butte Avenue, and has had cards printed announcing the same under the name of the "Sutatorium".

At a business meeting of the First Baptist church, held last evening, let-

ters were granted Rev. and Mrs. J. M. Huston and son Dwight to unite with the Baptist church at Wymore, where Mr. Huston has been chosen pastor.

W. B. Hosier, having resigned his position as engineer, leaves today for Iowa, where he goes to be with his little girl who has been stopping at her grandmother's home since her mother's death. Mr. Hosier will have charge of his father's farm.

The revival meeting at the M. E. church are still in progress, with prospects that they will be continued several weeks longer. Last Sunday was "Rally Day" for the Sunday school, and pastors and members of the church were delighted with results accomplished.

Miss Iva Smith, of Olney, Illinois, arrived in Alliance yesterday morning to take a place in The Herald office as compositor. She has had several years' experience in this line of work, and is well qualified for the position. We are pleased to add her to our force of expert printers.

"Honey the cow boy", the well known broncho buster who is foreman at the Spade ranch, met with a severe accident some two weeks ago. While cutting leather with a pocket knife it slipped and entered his abdomen, making an ugly and dangerous wound. He is in Alliance now under a physician's care.

E. Reeves has heard from his son, B. V. Reeves, that he is with his wife at Hot Springs, S. Dak., where she is taking treatment for the cancer mentioned in The Herald last week. It is indeed pleasing news to learn that the cancer is yielding to the treatment and can probably be removed within a few days without the use of the surgeon's knife.

W. M. Robinson, of Omaha, manager of the Bennett Piano Company, arrived in Alliance yesterday morning on business connected with the piano sale now in here, and incidentally to look after his real estate interest in Box Butte county. He is highly gratified with the immense business that has been transacted from the Alliance store this year, and seems to think prospects are good for a still larger trade.

C. K. Knapton, special sales manager for the Bennett Piano Company, arrived yesterday noon from the west and will remain a week or more to assist in the big special sale now on and which is being advertised in The Herald. Mrs. T. J. Wiker, the local manager, transacts a large amount of business, but in a great sale like this the work is too heavy even for an expert saleslady, hence the need of extra assistance.

A dozen of Mrs. Charley C. Grothe's lady friends planned and carried out a very enjoyable surprise party last Monday afternoon, that being her birthday.

As a token of their esteem and good will they brought her a dozen Japanese cups and saucers. Mrs. Grothe was too surprised for words. The afternoon was spent playing 500. Mrs. Grothe had been to the ranch the day before and brought home some chickens just right to fry, so the ladies were treated to a chicken supper at six o'clock. That many long and happy years may be hers is the wish of Mrs. Grothe's friends.

Mrs. Nellie Hillier, who for years was a resident of Alliance, came in Saturday and is now a guest at the Fletcher home. She has spent the last nine months in London, Canada, where she has relatives. She will leave the last of the week for Sheridan, where her daughter, Mrs. Nellie Cooper, resides. On her way here she stopped in Lincoln and visited with Mr. and Mrs. Tom Burke. They are on a fine farm just five miles east of Lincoln and are prosperous and happy.

For a few days past The Herald has been so crowded with work that we have not been able to print the extra pages we often print when having an unusual amount of news and advertising. We have been trying to secure additional help and are pleased to announce that we are succeeding. By printing The Herald all at home, and not using the "patent insides" that most local papers use, we give our readers much more live news in our regular eight page edition than is contained in most local papers; but hereafter we will publish twelve and sixteen pages when the amount of news and advertising demands it.

Sale on Silk Waists Saturday at Stuckey Company's.

Box Social.

There will be a box social at the school house in District No. 3 on Thanksgiving eve. A prize will be given to the lady whose box sells the best. There will also be a program rendered. MISS HALEY, teacher.

Beware of Ointments for Catarrh that Contain Mercury.

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is far too great to be worth the temporary relief they give. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co., Testimonials free. Sold by Druggists. Price, 75c per bottle. Take Hall's Family Pills for constipation.

Notice, farmers and ranchmen: If you have good, fat hogs or cattle to sell we will pay you the highest market price for it. We want nothing but good stuff, but will pay you good prices if you have what suits us.
