Wants to Help Some One

For thirty years F. J. Boyer, of Fertile, Mo., needed help and could not find it. That's why he wants to help someone now. Suffering so long himself he feels for all distress from backache, nervousness, loss of appetite, lassitude, and kidney disorders. He shows that Electric Bitters works wonders for such troubles. "Five bottles," he writes, "wholly cured me and now I am well and hearty." It's also positively guaranteed for liver trouble, dyspepsia, blood disorders, female complaints and malaria. Try them. 50c at J. J. Brennan's.

Good News From the Youth's Companion.

We have had to make The Youth's Companion larger to get in all the good things that Companion readers ought to have. The added amount would make four hundred pages of standard magazine size and print; but we have kept the price just the same—\$1.75 for the fifty-two weeks of 1911, and all the issues for the rest of this year free from the time you send in your subscription.

We would like to tell you what is in store for Companion readers next year. We cannot do it here, though; there is not room. But send us your address on a postal card, and we will send you the beautiful Prospectus of the Companion for 1911, announcing many new features, together with sample copies of the paper.

We think you will agree, when you have read them, that there is no other paper that gives quite so much of such a high quality as the Companion. The new subscriber receives a gift of The Companion's Art Calendar for 1911, reproducing in twelve colors and gold a beautiful water colored garden scene.

Artificial Ice Plant

As stated in the Herald some time ago, the Alliance Creamery and Produce Company have been planning on adding a modern cold storage and artificial ice plant to the present plant of the creamery.

There is no artificial ice plant west of Grand Island in the state, and the demand for this kind of ice is heavy. The plans of the present company are to build a new building, to be brick, 70x70 feet, basement and two stories in height. In this building will be installed new boilers with a capacity of 250 horse power, an icemaking machine of forty tons, and a dynamo to furnish power and light for the plant.

As distilled water only is used in making artificial ice, this plant will furnish that commodity. The growth of Alliance is constantly emphasized in the additions to established business institutions.

If the proper freight rates can be secured, Alliance would become a desirable point for the location of wholesale houses.

D. W. Hughes, the proprietor of the Alliance ice company, has taken a large block of stock in the company and will probably have charge of the ice factory when completed, which will be by June 1st, 1911. Practically all of the additional stock made necessary by the new building has been subscribed by present stockholders in the company, although there is still a small amount left which can be purchased after the first of the year.

The Baptist church will have the Christmas entertainment Thursday afternoon, December 22nd.

O. Dack and Frank Knapp, of Hyannis, are visiting in Alliance.

W. H. Lunn, who is an expert piano tuner, has tuned and repaired pianos for many people in Alliance and vicinity, to whom he can refer as to the character of his work. Leave orders with The Bentett Piano Co., Alliance. 1-tf-389.

Wanted

Eligibles for the Civil Service. The U. S. Civil Service commission announces that an examination will be held at Alliance, Nebr., for eligibles for the positions of clerk and carrier in the Post Office Service. Examinations to be held Jan. 7, 1911. All applications must be in the hands of the Secretary of the Eighth U. S. Civil Service district, located at St. Paul, Minn., at the close of business Jan. 3, 1911. For application blanks, instructions and any information as to the examination call on John J. Hanson, Secretary of local board of examinations, at the Post Office at Alliance, Nebr.

School Notes

School district No. 14 has a fine new school building, with good maps, globe, all in splendid shape for work. Mrs. Elizabeth Watkins and pupils gave a box social and entertainment, at which \$12 was taken in for a new library.

The new school house in District No. 27 has just been completed. Though small in number, Miss Jessie Hacker has a very interesting school.

Miss Nettie Nation gave a social at her school in District No. 34, November 25, at which \$16.50 was raised for a library.

Miss Prudence Parrott and pupils gave a Thanksgiving program and supper to the patrons of District No. 15.

Districts No. 33 and 11 have ordered new five dollar libraries.

The officers of District No. 38 have re-furnished their school house, with a new desk and chair for the teacher and new seats for the pupils.

School closed in District No. 51 this week for the Christmas vacation, Mr. Clarke going to Missouri for his vacation.

Letan District No. 124 has placed new seats and teacher's desk in their school.

Miss Haley's school in District No. 3 gave a very interesting program and box social November 23, at which \$27.50 was received from the sale of boxes. This is to be used for a new clock, book case and framed pictures of Lincoln and Washington.

The new school house in District No. 45 will be ready for use after the holidays.

Death of Infant

On Thursday, December 8, 1910, Bernard Raymond, the infant son of Mr. and Mrs. Pearl D. King, 222 East Eighth street, died of pneumonia, aged twenty-six days. Funeral service was held at the house the next day, conducted by J. W. Thomas, interment in Greenwood cemetery.

The family moved to Alliance from Dawes county only a few days before the death of the babe, and had formed almost no acquaintances; but quite a number of persons learning of their bereavement showed their sympathy by attending the funeral.

Mr. Blakely, traveling salesman for the Hamilton-Brown Shoe Company, of St. Louis, who has been very ill at the Drake Hotel, was to have gone south the first of the week, but has suffered a relapse and is unable to be moved.
