PROMINENT FIREMEN WHO WILL BE AT ALLIANCE

Herewith we present photos of two prominent members of the Nebraska Volunteer Firemen's Association, both of whom will be in this city during the Convention. The first is H. L. Boyse, Clerk of the District Court of Thayer County and second vice president of the Association.

H. L. BOYSE

The second is H. W. Winter, of Norfolk. Mr. Winter has been the treasurer of the Norfolk Fire Department for twenty years and is Treasurer of the State Association.

H. W. WINTER

Mr. J. W. Guthrie, who is a member of the committee, has returned from a business trip over the western end of the state and he reports that Scottsbluff, Mitchell, Crawford and Sidney will join the State Association at Alliance this month.

LEAVE FOR MEXICO

Two more of the leading business men expect to leave for an extended trip to Mexico next Monday. They are James Hunter and John O'Keefe. They go from here to Kansas City where they will be joined by Joe Vaughn, who left the last of the week for that city.

From Kansas City the three will probably go on an extended tour through Oklahoma, Texas; then down to Mexico City and on down south to the Pacific coast; then on and up through New Mexico, Arizona, California and up north through Washington and Oregon.

It is probable that the trip will take from two to three months, the gentlemen taking their time and stopping over from time to time at points that interest them. The Herald has arranged to give its readers little sketches from time to time of the points visited by them. We wish them a safe trip.

FIFTY FIREMEN FROM NORFOLK

Judge Ridgell has a letter from M. R. Green, chief of the Norfolk fire department, dated January 2nd, in which he says: "We have engaged twenty-five rooms at the Burlington Hotel to accommodate fifty people, and we hope to be there with that many. We leave here Monday, January 16th, at 8:05 p. m., via C. & N. W. to Crawford, and arrive at Alliance at 11:45, January 17th. I think all are coming who are entitled to come, and all are looking for a big time at Alliance."

NEW YEAR'S FEAST AT DRAKE

Although New Year's day was one of the coldest ever seen in Alliance, many of the people braved the elements to partake of the dinner prepared by the expert chef at the Hotel Drake.

In addition to the usual number of transient guests there were Mr. W. E. Collinger, Mr. J. Kridelbaugh and daughter, Bernice; Mrs. Holloway and daughter, Vivian; Mr. and Mrs. W. R. Birney; Dr. F. M. Knight; Reuben Knight; Mr. and Mrs. F. M. Broome and daughters; Mr. and Mrs. H. J. Ellis and family; Mr. and Mrs. E. C. McCluer; and Mr. and Mrs. Lloyd C. Thomas. Mr. Barrett, the proprietor, has a good patronage and is running a first class hotel in every way. He has had many year's of experience

in the hotel business and the reputation of the Drake is second to none in this section.

ENTERTAINS AT FIVE HUNDRED

The home of Percy Cogswell was the scene of a very delightful five hundred party last Thursday evening. The guests were seated at ten tables and the house was beautifully decorated with autumn leaves and Christmas decorations.

Mrs. Joe Andrews won first prize; Mrs. Ed. Marks second; Mrs. Will Schlupp, the free-for-all prize; Mrs. Hively and Mrs. McCluer won the booby prizes; and Miss Helen Broome won the prize for original poems.

Mrs. C. D. Peckenbaugh, of Sterling, came over for the party.

A delicious four-course luncheon was served, after which the guests departed, expressing their appreciation of the good time shown them.

MISS MABEL WORLEY ENTERTAINS C. C.'S

Miss Mabel Worley entertained the C. C.'s last week at a house party on her father's ranch. The girls report a dandy time and few mishaps.

SALE IS BIG SUCCESS

The special closing out sale of E. G. Laing was a success from the start. The half-page ad in last Thursday's Herald, combined with 7,500 bills, started the sale off with a bang on Friday. Mr. Laing will sell everything out by Saturday night, as will be noted by his ad in this issue.

Mr. and Mrs. John Mitchell, Hay Springs, step-father and mother of Monte Hargraves, spent several days visiting with him the first week. They left for home day noon.

ASALE that SUCCEEDS

SINCE our announcement in the last issue of this paper that this sale was to be a bone-fide closing out sale we have been swamped with customers who are taking advantage of the cut prices. We have sold hundreds of dollars' worth of goods, but it takes a little time to close out an immense stock of goods like this, and there are still many, many extraordinary bargains in this immense stock of GROCERIES and CLOTHING.
