### RECENT ARRIVALS

C. F. Coupons arrived in Alliance the last day of last month from Columbus, Nebraska, bringing with him a Percheron stallion. He called at The Herald office yesterday to do some printing, subscribing for the paper at the same time, and gave us the following information: He and his brother, John Coupons, have claims seven miles south of Alliance and together they shipped a carload of stuff from Platte county, bringing their families with them, with the intention of making their homes in western Nebraska. We are confident they will make a success as farmers and stockmen in this county, as they have in the county from which they come.

### COUNTY SUPERINTENDENTS' CONFERENCE

The attendance at the conference of northwestern Nebraska county superintendents held at Alliance was not large but the interest in the work of the meeting was good. Those present were: superintendent Caviness of the Fairbury schools who came to conduct the conference; Miss Reed, Supt. of Box Butte county; Miss Lackey, Supt. of Scotts Bluff county and Miss Walford, Supt. of Morrill county. Prof. Caviness went from here to Hemingford for a visit with his sister, Mrs. Smith, before returning home.

### THE PROPER COURSE

Information of Priceless Value to Every Alliance Citizen.

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement will add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of Alliance citizens who have been permanently cured?

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, Nebr., says: "I have had no reason to change my high opinion of Doan's Kidney Pills since I publicly recommended them in May 1907. Over three years ago my kidneys became badly disordered and the secretions from these organs were unnatural. Whenever I stooped, sharp pains darted through my loins and it was difficult for me to straighten. I tried many remedies but all failed to help me until I procured Doan's Kidney Pills at Fred E. Holsten's Drug Store. They brought me relief in a short time and I continued their use until I was free from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### HA, HA, HA!

A nice looking colored gentleman walked into the photographer's studio in Berea one day last week and handing a roll of films to the polite artist said, "Will you kindly develop this film for me?" The photographer went through the skylight.

Before he had returned to earth another chap, who appeared to have been on the farm for several years, walked in and in a hurried way said to the assistant, "I've just bought a ninety-eight cent camera from Sears, Sawbuck and company, and want some dally-voper (developer)." The assistant also went through the roof. So now you know why there is no photographic studio at Berea any more.

### "DOG GONE YOU"

that explains where my clothes line went to," said an Ohio woman when she found that her husband had hanged himself with it in the barn.

Naturally you are wondering, gentle reader, if you are a business man, and business seems slow, what to do to make it brisk. Let us suggest that you make use of a few inches of Herald display space. Try it once, then again, then again, and once more. It'll work just like medicine. Don't take too big a dose at once, but take it regular. Your business'll begin to get better and better 'till you wonder why the dickens you never tried it before.

The policy of all great merchant princes has been to advertise at all times. If business got dull, as it often has a habit of doing, give it a good dose of well written advertisements and you'll be surprised at how much better it'll get right away.

If you don't want to take the time to write your ad and don't know what to say, just phone 349 and ask The Herald ad man to come over. He'll sit right down and help you get up a cracker jack ad that'll bring the business. "Procrastination is the thief of time—do it now!" Phone 349.

### BAND ORGANIZED

A good bunch of Alliance musicians met at the city hall last Monday evening for the organization of a band in Alliance, under the leadership of T. S. Jones, from Fort Robinson, but who has now located here.

Mr. Jones has called the first band practice for Friday evening. It is hoped that a good bunch will be at the city hall. The Alliance business men are giving their aid and encouragement to the project and we predict that Alliance will soon have the best band in western Nebraska.

### WILL MOVE TO ALLIANCE

As announced in a recent issue of The Herald it has been definitely decided that Rev. Ware of the Episcopal church will remove to Alliance and take up the pastorage here, and also have the church at Mullen.

Mrs. Ware will probably be here on Friday and they will immediately move into the parsonage. Services will be held at the Episcopal church at 10 o'clock each Sunday morning.

### INJURES HAND

While Lloyd Smith, of the First National Bank force, was in the Marks harness store last Saturday, the door was blown shut with such force that the end of his index finger on his right hand was cut completely off. The wound is healing nicely and no serious results, other than the loss of the tip of his finger, are anticipated.
