A FINE SHOW COMING

A Rare Dramatic Treat in Store For Our Theatre-Goers.

The Arlington Comedians, for many years past known as the largest and finest Repertoire company playing the west, has been prevailed upon to come to our city, opening in the opera house on Monday, February 20, for a period of one solid week. Anyone at all in touch with theatrical matters need not be told anything about this company. Its reputation is too well known. The Deadwood "Telegram" of Nov. 1st said this: "Mr. Arlington has a strong reputation in Deadwood, for no other company on the road today could draw the house he led last night in the face of the inclement weather." The company numbers seventeen people, and is headed by the charming and clever soubrette and ingenue, Miss Mayme Arington. Special vaudeville features are carried, notably the clever children, Inez, Idy and Helen, who appear between the acts each night in brilliant and up-to-date specialties. The opening play on Monday, February 20, will be the powerful three-act comedy-drama, entitled The Lost Paradise. Play and specialties will be changed nightly. Prices will be 10, 20 and 30 cents. Reserved seats at Holsten's Drug Store. 10-tf-560

A MISTAKE CORRECTED

The market letter in last week's issue of the Herald was not credited. The National Live Stock Company, of South Omaha, who furnish us the reports each week, should have had the credit for the same.

A classified advertisement will reduce the cost of selling your property to the lowest degree.

COLD WEATHER AGAIN

Snow began falling about eleven o'clock Wednesday evening and today it is still snowing. Up to this time the weather has been very moderate, the use of overcoats and heavy clothing being unnecessary.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it incurable, and prescribed local remedies, and by constantly falling to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Holl's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

WILL GIVE SMOKER

Hook & Ladder Company No. 3, of the Alliance fire department, will give a smoker Friday evening at the department rooms in the city hall. All members of the department are invited to be present.
