JOHN AREES OF MERCEDES, TEXAS, MADE A NET PROFIT OF \$237 PER ACRE OUT OF HIS CABBAGES.

He averaged 21,000 pounds an acre at an expense of \$15 an acre. Mercedes is a typical Texas Gulf Coast section. Three years ago it was a wilderness. You can buy just as good land and make just as great profit. Everything grows best in the Texas Gulf Coast country.

A single acre of onions "has been known to pay a profit of \$500. Tomatoes average over \$100. Sugar cane returns a minimum of \$100 per cutting.

Why don't you come down to the Texas Gulf Coast and make some of this good money? Nothing in the city offers you such profits.

It takes a fortune to make a start in the towns nowadays. And at that, the average man in a by-town business has his nose on the grindstone by the time he has paid for his food and rent and conveniences.

It won't cost you much to visit this country and judge for yourself. Every first and third Tuesday of each month you can purchase a round-trip Agent's ticket to any point in the Gulf Coast country, from Kansas City, at \$22.00, via Frisco Lines.

The excursion tickets are good on all Frisco trains leaving Kansas City daily. Booklets and further information will be furnished upon request to J. C. Lovrien, Division Passenger Agent, Frisco Lines, Junction Bldg., Kansas City, Mo., or A. Hilton, General Passenger Agent Frisco Lines, Frisco Bldg., St. Louis, Mo.

SOUTH OMAHA STOCK MARKETS

Special Report.
So Omaha, Nebr., Feb. 21, 1911.

CATTLE—Heavy receipts last week (an increase of 4500) coupled with bad weather broke beef 10 to 15c. With \$300 for 2 days this week prices are firm, top beef bringing \$6.30 and a few loads down to \$5.00. Bulk of better grades \$5.60 to \$5.90 and medium \$5.00 to \$5.50, packers taking a little better hold of this class. Feeders in good demand as ever at \$5.40 to \$5.80; best cows and heifers strong at \$5.00 to \$5.40, general run being \$4.00 to \$4.75 with quite a large number going as stockers. Common grades sell down to \$3.25. Veal calves 25c lower at \$5.50 to \$7.50, only a few at \$7.50 and \$8.00. Bulls unchanged at \$4.00 to \$5.25. Look for a steady market this week, although much will depend upon the number on sale.

HOGS—Receipts quite heavy today 10,500, 5 to 10c lower, bulk \$6.95 to \$7.05, top \$7.10. Liberal supplies will probably continue and a further set back be the result.

SHEEP—Receipts continue ample daily but not excessive, prices today being generally 110c higher. Best lambs \$6.00 with bulk \$5.60 to \$5.85; light yearlings \$5.00; heavy \$4.60 to \$4.85. Wethers scarce and selling with ewes at \$4.00 to \$4.40. Are not looking for much change either way the balance of this week.

Very truly yours,
National Live Stock Commission Co.

TORTURED FOR 15 YEARS

By a cure-defying stomach trouble that baffled doctors, and resisted all remedies he tried, John W. Modders, of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "He can't live much longer." edy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c at F. J. Brennan's. 8-4t

RESOLUTIONS OF RESPECT AND CONDOLENCE

Whereas: It has pleased Almighty God in His Supreme Wisdom and Omnipotence, to call to his reward, our Beloved Brother Sir Frederick Brennan;

Be it resolved: That we bow our heads and hearts in humble submission to the Divine Will; but feel that a void has thus been created, which we feel keenly and which time alone can ease; but nothing ever replace.

Be it further resolved: That this committee, herewith, tender the deepest sympathy and compassion to the beloved widow and children, brothers and sisters of our departed and beloved brother; while we grieve deeply with you, we bid you look upward and onward, to the great happiness in store for you, when you shall again greet your beloved one, in the realms of peace and joy, which you will share with him forever in that eternal and ever blissful home, created by Our Heavenly Father for all the faithful.
