Farmer Shoots When Woman Refuses to Return to His Home.

RESULT OF FAMILY QUARREL

He is in a Critical Condition, but Has Chance to Recover—Tragedy Occurs at Home of Mother-in-Law in Presence of Their Infant Son.

Hastings, Neb., April 3.—Murder of his wife and an attempt at suicide, leaving his life in the balance, ended the marital difficulties of Harry Palmer, twenty-three years old, a farmer.

Palmer shot his wife in front of the home of her mother, where she had taken refuge, and in the presence of their son, an infant of two years. Mrs. Palmer died five hours after the shooting. Palmer is in a critical condition, but with a possible chance to recover.

Three days ago differences between the Palmers reached the breaking point. They separated and Mrs. Palmer went to the home of her mother, Mrs. John Nelson.

Palmer took his infant son and went to the home of his mother-in-law to call on his wife. He asked her at the door to get into his buggy, drawn up nearby.

"I will not go," she replied. "Are you going to live with me any more?" he inquired.

"No, never," she replied.

The two shots, murder and attempted suicide, followed.

Palmer is the son of O. R. Palmer, a farmer. Both families are widely known in this county. Both formerly lived at Juniata.

CAPITAL NATIONAL CASE

Decision Reached by Court in Long Pending Controversy.

Seward, Neb., April 3.—At a special sitting of the court here District Judge Good rendered a decision in the Capital National bank case, finding generally for the plaintiffs.

The cases grew out of the failure of the Capital National bank of Lincoln sixteen years ago. The plaintiffs were the Bank of Utica, Jones National bank of Seward, Bank of Staplehurst, Thomas Bailey, and the estate of Isaac Holt. The judgments were for \$75,000, divided as follows: Bank of Utica, \$11,737; Jones National bank of Seward, \$23,477; Bank of Staplehurst, \$19,022; Thomas Bailey, \$14,000; estate of Isaac Holt, \$7,500.

This case has been tried in all the courts and was tried to a jury in Seward in 1902 and the verdict was then rendered in their favor, after which it was carried to the higher courts and there reversed on technicalities. D. E. Thompson was the defendant in the Jones National bank case and the Staplehurst bank case, and Director Yates of the Capital National bank was the defendant in the other suits.

INCENDIARY PLOT THWARTED

Attempt Made to Destroy Italian Tenement at Omaha.

Omaha, April 4.—Incendiary fire and a possible attempt at double murder were discovered at an Italian grocery store, 1054 South Twentieth street.

Torches soaked in oil were placed against the ceiling of the basement directly under a tank of gasoline standing on the floor above. But a thin layer of flooring separated the explosive fluid from the flames.

Four families, each including several children, occupy the apartments above the store. Two men were sleeping in a room against the wall where the gasoline tank stood. Firemen aroused the sleepers only after repeated efforts.

When the fire department arrived the blaze was easily controlled. An investigation by the fire warden revealed the cause of the fire. Wads of waste soaked in fish oil were wired to the ceiling of the cellar. The work indicated care and deliberate plans for the destruction of the building.

EVANGELICAL MEETING ENDS

Four Delegates Are Elected to General Conference.

Grand Island, Neb., April 4.—The annual conference of the Evangelical association of Nebraska came to a close here with a sermon by Bishop Strong of Cleveland. The conference has been largely attended. No little attention was paid to foreign missions and the reports of the work in this department were gratifying, as were those of the growth of the churches at home.

Delegates to represent this state at the general conference at Cleveland, O., in October, were elected, as follows: Rev. H. Sohl of Fremont, Rev. F. L. Wiegert of Hastings, Rev. F. H. Roscher of Milford and Layman Otto H. Hagemeier of North Loup.

CONGRESS MEETS

Both Houses Convene in Extraordinary Session.

CLARK IS ELECTED SPEAKER.

Democrats Have Majority of Sixty-Seven in House—Nine Senators Retire, Many of Whom Have Long Been Prominent in Upper House.

Washington, April 4.—The Sixty-sixth congress convened at noon today in extraordinary session.

Speaker Champ Clark received a remarkable ovation when he took up the gavel, after being elected over Representative Mann of Illinois, the Republican candidate.

The galleries were crowded and there was a good attendance of senators and representatives. The political complexion of the two branches of congress are as follows:

House—Democrats, 228; Republicans, 160; Socialist, 1; vacancies, 2, the Ninth Iowa and Second Pennsylvania districts.

Senate—Republicans, 50; Democrats, 41; vacancy, 1, from Colorado.

The roll calls in the two branches will show some remarkable changes from the last session. In the house the Democrats show a gain of fifty-

four members and the Republicans a loss of fifty-five, the Socialist member, Victor Berger of Milwaukee, accounting for the difference in the equation.

By reason of the change resulting from the election last November, new faces are seen.

Fifty Republicans in Senate.

Instead of the fifty-nine Republicans who occupied seats in the senate on March 4, there are only fifty today. The ranks of the minority are increased from thirty-two to forty-one.

More notable even than the large number of new faces in the senate and the house are the absence of so many veteran legislators. Chief among those whose absence loomed large were Tawney of Minnesota, Boutell of Illinois, Scott of Kansas, McKinley of California, Bennet, Fish, Parsons and Coeks of New York, Hull and Smith of Iowa, Denby of Michigan, Kellar of Ohio. Cannon appeared in the ranks of the minority. Four members of Washington, Gronna of North Dakota and Townsend of Michigan have been elevated to the senate.

Senator Aldrich Absent.

No longer will the senate roll call open with the familiar name of Aldrich, the Rhode Island leader having voluntarily renounced another term to devote himself to leisure and the study of monetary reforms. He is succeeded by Henry F. Lippitt. Many other striking figures are missed from the senate floor, notably Hale of Maine, succeeded by Charles F. Johnson; Beveridge of Indiana, who was vanquished by John W. Kern; Kean of New Jersey, in whose place is James F. Martine; Warner of Missouri, replaced by James A. Reed; Dick of Ohio, replaced by Atlee Pomerene, and Carter of Montana, succeeded by Henry L. Meyers. All of these changes represent Democratic gains except in the case of Rhode Island.

The other senate changes are Frazier of Tennessee, succeeded by Luke Lea, the youngest of all the senators; Money of Mississippi, whose place is filled by John Sharp Williams, formerly the Democratic leader of the house; Flint of California, succeeded by John D. Work; Bulkeley of Connecticut who gave way to George P. McLean, formerly governor of his state; Burrows of Michigan, whose mantle is worn by former Representative Townsend; Burckett of Nebraska, succeeded by former Representative Hitchcock; Scott and Elkins of West Virginia, the former succeeded by W. E. Chilton, while C. W. Watson, already had taken the place of Senator Elkins, and Piles of Washington, succeeded by former Representative Poindexter, while the place of Senator Dewey is filled by the election of Justice James A. O'Gorman.

WRECK NEAR CRAWFORD

Runaway Freight Train Crashes Into Passenger.

Crawford, Neb., April 1.—A runaway freight train containing fifty-nine cars crashed into No. 42, Burlington east-bound passenger train, wrecking one engine and ten boxcars. That no one was injured is considered remarkable. The freight train had been set out on a siding, which is on a steep grade, and the brakes became loosened, allowing the train to run down the main line at a speed of eight miles an hour. No. 42's train requires a helper engine between Crawford and Belmont and this engine, which had just been attached, received the full impact of the runaway cars and undoubtedly saved the lives of the imperilled passengers.

No. 42 was standing still at the depot and the engineer and fireman of the wrecked engine saw the danger and saved themselves by jumping. Traffic was delayed several hours by the wrecked cars.

Since the man has been in jail it has been ascertained that he was sent away from Germany because he could not keep out of trouble and was finally jailed because of an assault on his mother. The church furnished him money with which to come to this country. It has been decided by the county officials since they have looked up his record to ask that he be deported and returned to the country from whence he came. WINCHESTER

Repeating Shotguns

USED IN THE U. S. ARMY.

The U. S. Army authorities know a gun; that is why, when they decided to equip some troops with repeating shotguns, they selected the Winchester in preference to all other makes. The experts of the U. S. Ordnance Board also know a gun; that's why, after submitting a Winchester Repeating Shotgun to all sorts of tests, they pronounced it *safe, sure, strong and simple*. If you want a shotgun—buy the one whose strength and reliability led the U. S. Army authorities to select it and the U. S. Ordnance Board to endorse it—that's the Winchester.
