Ben Burkle is a new employe in the machine shops.

Chief Clerk D. B. Wagner and wife spent Sunday in Omaha.

Miss Mable Thurlow left Saturday for a short vacation in Brush, Colo.

A new engine, No. 4108, passed through here Sunday on its way to Sheridan.

Mrs. Bert Richardson went to Seneca last Friday for an over Sunday visit with friends.

P. H. Barkey, lately of Denver, has gone to work on the repair track as a carpenter.

Dwight Bennett, the popular day call boy for the engine men, spent Sunday in Crawford.

The work train that has been laying steel at the new siding between here and Berea called Yale, came in Friday evening.

Fireman Dick Dodd went to Hyannis last Saturday, where he will herd the work train engine. He bumped fireman Raymond.

Fireman Weidenfeldt who has been in Deadwood on a vacation, returned to Alliance last Saturday. He reported for duty at once.

Mrs. J. G. Beck and Miss Inez Beck spent three days in Denver last week. They went over Thursday and returned Sunday.

Conductor R. J. Burke went to Lincoln Saturday, where he will visit home folks and look after his farm just six miles north of Lincoln.

Carl Christenson, who for some time has been employed here as fireman, has resigned and will go on the road as a traveling salesman.

Conductor Campbell's wife and son, who have been in Omaha for some time, returned home Thursday morning. Master Robert, who was taken there to have his eye treated, was with scarlet fever and was quite sick for some time. In spite of the best

medical attention, the eye ball had to be removed.

Mrs. Ray Deteline of Crawford is in Alliance at the home of her parents Mr. and Mrs. Wm. Morris. Mrs. Deteline has been very sick. She is slowly recovering.

Last Sunday morning Mr. and Mrs. Charley Weatherall and Mrs. Fred Noah went to Denver. Charlie returned Monday morning but the ladies remained until Wednesday.

Engineer Lew Mark left Sunday morning for Harvard, Nebr. He returned Wednesday morning accompanied by his wife and son. They will go to housekeeping on Toluca Ave.

Mrs. Frank Chambers and little daughter, who have been visiting at the Eubanks home, returned to Gillett Tuesday. Conductor Chambers is now working between Gillett and Sheridan.

Things were pretty exciting at the round house Monday afternoon when fire was discovered in the roof of the general foreman's office. The roof was not badly damaged but a lot of important papers and records were destroyed by water.

After trying for a short time to get along without them, the Company put the helpers on the west end again. The one at Edgemont is in charge of engineer Fred White and fireman Trimmer. Engineer Bishop and fireman Harry Hull are at Ardmore, and engineer Carl Witham and fireman Sternberg at Marsland.

There was another mix up at Crawford last Sunday morning that smashed up one engine, three or four box cars and blocked the main line several hours. The conductor on an extra east set his train on a south passing track, cut off and went after coal and water.

Conductor W. W. Johnson and engineer W. A. Bennett on an extra west had orders to take riding and headed in on the train. It is a heavy down grade and they struck with terrific force. Engine 3116 left the track. The only one hurt was Johnson's head brakeman Dock Criswell, who was on top of the train. He fell in between two cars and hurt one foot. He was able to be on the street Tuesday. Conduc-

tor Simonson took the wrecker to Crawford.

Mrs. Helen Short and son Ennis arrived in Alliance last Friday morning. They will make a ten days' visit with her relatives and many friends here. Mr. Howard Short will be remembered as one of our popular brakemen here a few years ago. Last fall he met with an accident on the Chicago and Alton which ended his railroading. His left shoulder was so badly hurt that it resulted in total disability. He has not yet settled with the Company but there is little doubt but that he will get a good sum for damages. He is now holding a fine position as bookkeeper for a grocery company in Slater, Mo.

MUSICAL AND PLAY TO BE GIVEN BY ALLIANCE HIGH SCHOOL ORCHESTRA

A college play is always entertaining, especially so when the plot details the pranks of lively college students, more especially so when the dignity and authority of the college authorities is compromised.

Such is the nature of the college farce to be given by the Alliance High School Orchestra, Friday, May 12th. The farce is entitled "A Case of Suspicion." It is brim full of humor and ridiculous situations. It has been played on the professional stage with marked success.

The program to be rendered by the orchestra will consist of three parts. Two of which will be of musical nature, the third, the aforementioned farce.

The music to be rendered is from the best composers. The musical portion of the program will consist of solos, duets, and full orchestra. The High School Orchestra will endeavor to make this program worthy in every respect of your patronage.

WOMEN'S CLUB

Last Friday afternoon Mrs. Robert Birney entertained the Women's Club at her home in the Norton Block. The ladies had prepared for a musical but the business of the club occupied the whole afternoon. At five-thirty a delicious four-course lunch was served, that is it was supposed to be a lunch but the ladies pronounced it to be a regular banquet. Mrs. Birney has the well deserved reputation of being one of the best entertainers in the club.

Last week J. J. Keenen bought out E. Essay's interest in the store of Essay & Keenen, and is now sole proprietor. His brother-in-law, Grant Gilfrey, of Lincoln, Ill., arrived in Alliance last Thursday, and is assisting in the store. As will be seen by Mr. Keenen's ad in this issue of The Herald, he is going after the business, and without doubt will receive a good share of it.

WILL GO TO WYOMING

The board of directors of the North Platte Canal and Colonization Company and the Wyoming and Nebraska Land and Cattle Company, two allied corporations with a paid up capital of \$600,000, having tendered to Lloyd C. Thomas the position of secretary-treasurer and general manager at a salary and interest in the company which will give him an income of \$5,000 per year from that source, he has decided to accept the same, and he and Mrs. Thomas will in the near future leave Alliance to take up their residence in the new town of Lingle, Wyoming, on the Guernsey branch of the Burlington. The stock of these companies is held largely by eastern capitalists, and their holdings are principally in and near the Goshen Park country (formerly called the Goshen Hole country). They have large tracts of land which are now, under the government ditches. Their intention is to develop this land and sell it to settlers, which will mean a large immigration into that country within the next few years. They wanted a resident manager to have charge of developing and selling the land and offered the position to Lloyd, at a salary which he could not afford to turn down to remain in the newspaper business at Alliance.

Lingle is a new town but has good prospects of becoming one of the best towns in the North Platte valley. It has more irrigable land tributary to it than any other town on the North Platte, which when it has all been put under cultivation will mean a dense population of prosperous people. Already there is talk of a sugar factory and other enterprises that will boom the town.

Lloyd will still retain the controlling interest in The Herald Publishing Company, and will make frequent trips to Alliance to look after his interests here.

BABY BOY GONE BEFORE

Our sympathy goes out to Mr. and Mrs. C. C. Rodgers, whose six weeks old baby boy, Ronald Douglas Rodgers, departed for the bright world beyond, March 31st, after a short illness, during which the little idol of its parents and other relatives was given all the attention that parental love and professional skill could devise. The funeral was conducted Sunday afternoon by Rev. Franklin McNeill at the Baptist church. The Rebecca lodge attended in a body.

Tenderly lay our darling to rest, Never a sorrow will cloud its brow, Lovingly on the Saviour's breast Is the precious gem reposing now. Then tenderly lay the darling to rest Where flowers bloom and birds will sing, Sweetly it sleeps on the Saviour's breast In a land of love, of eternal spring.

CARD OF THANKS

We wish to thank our friends and neighbors for their kindly assistance in our bereavement.
Mr. and Mrs. C. C. Rodgers.

500 CLUB MEETS

The 500 Club held their regular meeting last Thursday evening at the home of Mrs. Jerry Rowan. The full membership, two tables, were present. Mrs. Lindley won the most games and was given a china plate. A dainty lunch was served by the hostess.

Mrs. R. J. Murry who has been very dangerously sick for some time is now slowly recovering.

G. H. Stanton of the Newberry Hardware Company went to Omaha Monday on business for the firm.

Mr. Pettingill, who has been employed for some time in the Theile drug store, left Tuesday for Hot Springs where he has secured a position.

F. B. Dismar has moved his cafe and restaurant one door south, from 113 to 111 Box Butte avenue, into the building formerly occupied by "The Right" clothing store.

A. D. Rodgers was laid up for a few days with a severe bilious attack, which came on last Friday, but we are pleased to note that he is again able to be at his place in the store.

The Herald is pleased to note that Messrs. N. W. Jeffers and H. D. Baker, railway postal clerks on the Guernsey line, now make their homes in this city, the route now being from Alliance, instead of Bridgeport, to Guernsey.

There will be a ball game next Sunday the 30th between a team from Crawford and a local Colored Ball Club. So far neither team has been defeated and a good game is expected. Admission will be charged. Don't forget the date, April 30.

WILL PUBLISH NAMES OF PETITIONERS

As will be seen by reference to the W. C. T. U. department in this issue of the Herald, the ladies will publish the names appearing upon the petitions for saloon licenses in Alliance this year. We suppose that most of those who signed the petitions will not object to having their names thus published, but it is probable that there are some who would prefer that it would not be done. While this is no affair of ours, we call attention to the fact that these petitions, when filed with the city clerk, become public documents, and it is in perfect accord with the spirit of the law, requiring the petitions as a condition to the granting of saloon licenses, that they be published. As we understand, the intention of the ladies is to publish only those names that are on the petitions at the time they are acted upon by the council. If we may be permitted a suggestion in the interest of harmony and good will, it is that those petitioners who do not wish to have their names thus published, if there are any such, have their names removed from the petitions before they are acted upon. They have a right to do this, and there will no doubt still be enough names remaining on the petitions to secure the licenses.

B. H. Perry was elected delegate from Sterling to the national convention of the O. R. C., to be held at Jacksonville, Florida. Next Monday he and Mrs. Perry will start for the southland, going via Chicago and Washington, D. C. Before returning home they will visit Texas and California points, thence to Carlin, Nev., for a visit with their son, Lee. From Carlin they will go to Boise, Idaho, to see Mrs. Perry's brother, whom she has not seen since she was eight years old. They certainly have a most delightful trip mapped out, and The Herald wishes them all the pleasure they anticipate.

Mr. and Mrs. Rollin Alcott of Kelly, Nebr., have been visiting for a few days with Rev. and Mrs. McNeill. They were classmates in college with Mrs. McNeill. Mr. Alcott is the son of G. E. Alcott, who up to two years ago had a large sheep ranch west of Alliance, and who is now located near Gillette, Wyoming. Rollin expects to spend the next three months helping his father herd and shear sheep.

You Can't Get Medicine Too Good

Good medicines are more necessary than good food. When you're strong and well a little good food won't hurt you, but when you're weak and sick a little good medicine will work a great deal better.

Good medicines are the only kind to call. We put the greatest and freshest drugs into prescriptions. Our prices are right, too.

We have an excellent dyspepsia cure, if you are suffering from any form of this common disease. **RECALL DYSPEPSIA TABLETS** assist the gastric juices, act as a gentle tonic, enable the body to derive all the nutriment from food and cure dyspepsia and indigestion permanently. Cold with the Recall guaranteed.

HOLSTEN'S

Correct Clothes for Gentlemen

THERE are four points to be considered in buying clothing—right style, accurate fit, reliable quality and fair price. You want them all for they all count. You want to be well dressed; you want to get the most value for your money. We can help you in both respects, and that is why we want to tell you about NORTON'S clothes. It is needless for us to say much about them; all we want is for you to see and judge for yourself. But we say this: that our new Spring and Summer Suits are certainly the most attractive ever shown in Alliance. They are doubly guaranteed to you.

We most cordially invite you to see them without delay.
