**"The Only Thing That Will Relieve Neuralgia."**

The piercing pains of Neuralgia, which often follows a bad cold or La Grippe, are frequently almost unbearable and few medicines afford any relief to the sufferer.

"I am a rural mail carrier and have been a user of the Dr. Miles medicines for years.

**Dr. Miles' Anti-Pain Pills** can't be beaten. They are the only thing I have found that will relieve my neuralgia and I have tried most everything, besides medicine from the doctor. I am willing to tell anyone what the Anti-Pain Pills did for me."

CHARLES HILDERBRANDT, Box 205 Woodville, Ohio

If you, like Mr. Hilderbrandt, "have tried most everything" in vain, why not do as he did, fight your aches and pains with Dr. Miles' Anti-Pain Pills. Let the pills bear the brunt of the battle. No matter how stubborn the contest, they will come out victorious.

**Dr. Miles' Anti-Pain Pills** stand on their record, which is a long list of cures extending back a generation.

Druggists everywhere sell them. If first package fails to benefit, your druggist will return your money.

 On the Sunday School Lesson by Rev. Dr. Linscott for the International Press Bible Question Club.  
 (Copyright 1910 by Rev. T. S. Linscott, D.D.)

May 7th, 1911.  
 (Copyright, 1910, by Rev. T. S. Linscott, D.D.)  
 Uzziah, King of Judah, Humbled, 2 Chron. xxvi.

Golden Text—Pride goeth before destruction, and an haughty spirit before a fall, Prov. xvi:18.

(1.) Verses 1-3—What can you say for or against hereditary rulers?  
 (2.) What had been the character of Amaziah, the father of Uzziah?  
 (3.) Which are sons more likely to resemble in moral character, their father or their mother?  
 (4.) Verse 4—in what sense did Uzziah and his father Amaziah do "that which was right in the sight of the Lord?"  
 (5.) Verses 5-10—Who was the Zechariah here mentioned?  
 (6.) Do you regard it as the privilege of all spiritual people, to have "understanding in the visions of God," or is it a special gift to a few, and why?  
 (7.) What did the prosperity of Uzziah appear to depend upon?  
 (8.) What are some of the things mentioned which demonstrated Uzziah's prosperity?  
 (9.) In the light of time and eternity, what do you consider as the highest type of a prosperous man?  
 (10.) What are the degrees of desirability, to be prosperous in wealth, honor, intellectual ability, or in having "understanding in the visions of God?"  
 (11.) Verses 11-15—Did God ever delight in war? Why or why not?  
 (12.) Was it ever God's first best plan for nations to settle their disputes by war?  
 (13.) If Jesus were king of this country, and a duplicate of Jesus were king of another country with whom we had a misunderstanding, why would there be no danger of war?  
 (14.) Are the nations of the earth, as nations, guilty or innocent before God, for the vast sums of money they spend annually in preparation for war? Why?  
 (15.) Verses 16-18—What proportion of men are drawn nearer to God, and what proportion are driven to the Devil by earthly prosperity?  
 (16.) Why is it that so many are spiritually hurt by prosperity?  
 (17.) After Uzziah had had such unmistakable experience with God, how do you account for his moral lapse?  
 (18.) What motive do you suppose prompted Uzziah, to usurp the office of the priests of the temple?  
 (19.) What are the sins which an exalted position, or great riches, tend to develop to-day. (This is one of the questions which may be answered in writing by members of the club.)  
 (20.) Verses 19-23—Was the disease of leprosy supernaturally inflicted as a punishment, or was it contracted in a natural way?  
 (21.) Does God in these days send disease upon people in any other way than through the laws of nature? Give your reasons.  
 Lesson for Sunday, May 12th, 1911. Isaiah's Vision and Call to Service. Isa. vi.

Remarkable Success of these Talented Physicians in the Treatment of Chronic Diseases

These doctors are considered by many former patients among America's leading stomach and nerve specialists and are experts in the treatment of chronic diseases and so great and wonderful have been their results that in many cases it is hard indeed to find the dividing line between skill and miracle.

Diseases of the stomach, intestines, liver, blood, skin, nerves, heart, spleen, kidneys, or bladder, rheumatism, sciatica, diabetes, bed-wetting, leg ulcers, weak lungs and those afflicted with long-standing, deep-seated, chronic diseases, that have baffled the skill of the family physician, should not fail to call.

According to their system no more operations for appendicitis, gall stones, tumors, gonor or certain forms of cancer. They were among the first in America to earn the name of the "Bloodless Surgeons", by doing away with the knife, with blood and all pain in the successful treatment of these dangerous diseases.

If you have kidney or bladder troubles bring a two-ounce bottle of your urine for chemical analysis and microscopic examination.

Deafness often has been cured in sixty days.

No matter what your ailment may be, no matter what others may have told you, no matter what experience you may have had with other physicians, it will be to your advantage to see them at once. Have it forever settled in your mind. If your case is incurable they will give you such advice as may relieve and stay the disease. Do not put off this duty you owe yourself or friends or relatives who are suffering because of your sickness, as a visit this time may help you.

Married ladies must come with their husbands and minors with their parents.

Office at the Drake hotel, Alliance, Saturday, May 20. Hours 10 a. m. to 8 p. m.

Below are names of a few of the many patients that have many good things to say for the doctors:

South Shore, S. D., Jan. 11, 1911. Associated Doctors, Minneapolis, Minn.

Dear Sirs:—I thought I would write a few lines to let you know how we are getting along because I think you would be glad to hear. My wife is feeling lots better than she has felt for 8 years after taking 2 months of your treatment. I will have you give her 4 months more after that 4 run out if I can rustle the money. I am feeling good myself after your 4 months treatment. I think a little more treatment is necessary. Please inform me in regard to this matter if you think it is best.

Yours truly,  
 E. van Meredith
