## THE ALLIANCE HERALD

is a newspaper dedicated to upbuilding the moral and material interests of Alliance, Box Butte county and western Nebraska. Its policy is to deal fairly with all interests and men. It prints the news fully and as accurately as possible. It means to be a household, office and store necessity and as such continues to enter a rapidly growing number of homes, offices and stores throughout this end of the state. As a NEWSPAPER and an ADVERTISING MEDIUM it stands supreme in its field. The job department has the largest patronage of any in western Nebraska and every man on the force is a specialist in his line.

### COUNTY TREASURER

I hereby announce myself as a candidate for the office of county treasurer of Box Butte county, subject to the democratic and peoples independent primaries to be held August 15, 1911. ISAAC ROCKEY. 29-1E-705

### COUNTY CLERK

I hereby announce myself as a candidate for the office of county clerk of Box Butte county, subject to the democratic and peoples independent primaries to be held August 15, 1911.

J. B. KNIEST.

### SHERIFF

I wish to announce to the voters of Box Butte county that I am a candidate for re-election to the office of sheriff of said county, subject to their nomination at the peoples independent and democratic primaries to be held August 15, 1911. CAL. COX.

The Herald "points with pride" to the persons who are adding their names to its subscription list—persons who are interested in the development of western Nebraska and the prosperity of the people of this part of the state, and who most heartily endorse the square deal and decency for which this paper stands.

The Hastings Republican of May 10th tried to boost the state athletic track meet that was held in that city the following Friday, but in so doing the proof reader failed to observe that the letter "L" had slipped into the word "state" instead of the second "T", making the big head lines say "State Athletic Track Meet". The editor of the Republican tried to work up enthusiasm for the event, but the heading of his article gave quite a different impression.

Saturday night the band boys gave a dance in the city hall. Music was furnished by an orchestra composed of members of the band, under the direction of T. S. Jones. A large crowd was in attendance. Mr. Jones announces that there will be a dance given every Saturday night by the band.

The old Catholic parsonage is for rent. Inquire of Father W. L. McNamara. 23-1E-749

## WAR IN ALLIANCE

There's war in Alliance. It isn't a Mexico-American war, or a political war, or even a newspaper war just now, but a war among the clothing merchants. And this war is the real thing, except there has been no blood letting yet. In fact, we do not know that there exists even a feeling of animosity among the merchants engaged in this conflict, but we do know that they are cutting and slashing prices to beat the band.

Now this isn't an advertisement, it's a news item, but we suggest to our readers living in the neighboring towns and surrounding country that they take a day off now and come to Alliance and lay in a supply of clothing. We are sure it will pay them to do it.

## EPISCOPAL CHURCH

Services at the Episcopal church Sunday at 10 o'clock. Sunday school at 11:30 o'clock. Everyone cordially invited to these services.

Guild will meet with Mrs. Dismar Wednesday afternoon at 3 o'clock. The Junior Auxillary will meet on Tuesday evening at 7:30 at the residence of Mrs. Gantz.

## YEOMEN INITIATION AND BANQUET

The Yeomen will initiate a class of about 40 members Friday night, May 19th, at the Oddfellows' Hall. This is the culmination of a membership contest which results in a defeat for the "Reds" who will entertain the "Greens" at a banquet consisting of a two course luncheon followed by various toasts, conducted by Prof. G. M. Burns, Captain of the "Reds", who will be the toastmaster of the evening. The Home-stand will settle for the luncheon which will be served by the "Reds". Each Yeomen Archer and applicant should be present.

## COUNCIL PROCEEDINGS

Meeting called to order by Mayor Harris, Friday evening, May 12, 1911. Councilmen present, Newberry, Martin, Vaughn and Snyder.

Moved that C. W. Jeffers be appointed as scavenger. Carried. Applications for pool halls by Charleton and Greenaeyer, W. F. Crane and Jaes Keeler read and approved and licenses issued.

Petition of property owners to extend water up Platte Ave. read and turned over to Water Committee to investigate.

One hundred acres of the city farm leased to F. E. Hamblin for a term of five years.

Report of Wiggins and Babcock regarding money taken in by police judge, Water Commissioner read and approved. Adjourned.

## WINDING UP SCHOOL WORK

Teachers and pupils of the Alliance schools are as busy as bees finishing up the work of the school year. This applies to the grades as well as to the High school. Besides the routine work and the exams some special programs have been prepared for this week and next.

At Central school Mr. Burns, Miss Riddell's, Miss Petersen's, Miss Phelan's, Miss Nerud's, and Miss Neidermeyer's pupils have already had special programs, much to their delight; and tomorrow the pupils of Miss Monier, Miss Frazier, and Miss Burritt will take time for the same, and probably those of Miss Larson, Miss Jones, and Miss McQuinn.

Last week The Herald contained a short editorial in regard to central telephone offices in general and the Alliance central in particular. Persons who read the item and will read the ad this week of the Nebraska Telephone Co. may think that either the editor knew what would be in the telephone advertisement this week and anticipated it with an editorial containing something similar, or else that the telephone people wrote an ad for this week based on what was printed in the paper a week ago; but we assure our readers that neither was the case. It is simply a case of accidental coincidence. We wish to call attention to the ad above mentioned, not as a matter of business, but because it contains some such wholesome advice on common courtesy that it is worth reading by persons who do not use telephones as well as by those who do.

## ROOMS WANTED FOR JUNIOR NORMAL

Persons who will have furnished rooms to rent to Junior Normal students are requested to notify Della M. Reed, county superintendent. Miss Reed will be in her office next Monday, May 22nd. Phone 23. 23-1E-744

## DEATH OF MRS. RAY DIETLEIN

After several months of illness, Mrs. Ray Dietlein died Tuesday evening at 7 o'clock at the home of her parents, Mr. and Mrs. Wm. Morris, on Laramie avenue. Deceased was brought here several weeks ago from her home at Crawford where Mr. Dietlein is employed with the International Harvester Company. Everything possible was done to regain health, heart failure being the predominating ailment. As a last resort, it was decided to take Mrs. Dietlein away the night of her death to Iowa where it was hoped the lower altitude would produce an improvement in her condition, but the angel of death intervened a few hours before.

Deceased leaves behind to mourn her demise besides husband and child, a number of other relatives and a host of friends who will always think of her as one of God's noble women. Kind, affable and most cheerful, she possessed a spirit that to know was to love.

The funeral will take place next Saturday from St. Agnes' chapel and interment at the Catholic cemetery. The remains will be laid to rest beside a sister who preceded her to immortal life some two years ago.

The Daughters of Isabella, of whom deceased was a member, will have charge of the funeral.

## WILL RIDE THE GOAT

Alliance council K. of C. will put on a class next Sunday when it is expected about twenty candidates will be initiated. The Daughters of Isabella will serve a banquet after the initiatory work.

## UP-TO-DATE DRUG STORE AT HEMINGFORD

## CANDIDATES ANNOUNCEMENTS

A few candidates for county offices are having their announcements published in The Herald, which of course is the proper thing. There are quite a number (we have no means at present of knowing the exact number) who have not yet given publicity to their candidacy. They are cordially invited to not be backward about coming forward and letting their wants be known. We are pleased to see candidates having their announcements published because we admire the spirit of frankness which it indicates, and—it helps the newspaper business some.

## MEN'S MEETINGS TO CONTINUE

At the Alliance ministerial meeting, held at the home of Rev. Godfrey last Friday, a committee was appointed to secure speakers and make other necessary arrangements for the men's Sunday afternoon meetings during the summer and fall. It was decided to have laymen principally to address these meetings. A considerable home talent will be used, but it is expected that occasionally that someone from out of town will be secured. ## WILL PRINT EARLIER

Formerly The Herald was printed Thursday evening of each week. Since moving into our new quarters we have been printing earlier in the day, commencing to print a little before noon, and giving business men until Thursday morning to get in their orders for advertising and copy for the same. This has been a great improvement over printing in the evening, but we find it necessary to make a further change, by requiring copy for advertisements to be furnished BEFORE THURSDAY MORNING. We try to be accommodating, and as long as the forms of the paper are not closed, dislike to refuse to accept advertisements that our customers want published; but we find that, by permitting advertisers to wait until Thursday morning to furnish copy, so much work piles up for the forenoon that it is almost, or quite, impossible to get to press until afternoon. The printing of this issue is delayed until afternoon. We are fully convinced that it will be very much better to print Thursday morning than in the afternoon or evening of that day, hence earnestly urge our friends who have news items which they wish printed to govern themselves accordingly.
