(Copyright 1910 by Rev. T. S. Linscott, D.D.)

May 28th, 1911.

(Copyright, 1910, by Rev. T. S. Linscott, D.D.), Micah's Picture of Universal Peace. (An International Peace Lesson.) Micah iv:1-8.

Golden Text—Nation shall not lift up a sword against nation, neither shall they learn war any more. Micah iv:3.

(1.) Verse 1—What are your ideas concerning the millennium?

(2.) What institution to-day stands as a mountain above every other institution?

(3.) When will Christianity probably sway the hearts of the nations, so that her beneficent laws will dominate them?

(4.) What are the influences at work to-day which make for the Christianization of the nation?

(5.) Verse 2—What can churches and individuals, do more than they are doing, to make the nations of the earth Christian?

(6.) Verse 3—When will nations begin "to beat their swords into plowshares, and their spears into pruning hooks?"

(7.) There probably never was a time when the civilized nations were spending as much money on their armies and navies as now, or were more thoroughly prepared for war, what does this indicate as to the coming of universal peace?

(8.) What is probably the cost per annum of (1) the standing armies, (2) the navies of the civilized nations?

(9.) If fifty per cent of the vast sum spent in preparation for war were spent in educating the nations in the folly of war, and in the sufficiency of arbitration to settle disputes, how many years would it take to accomplish?

(10.) What would be the effect if the universities of the world were to establish chairs for teaching the folly of war, and the morality, and economics of peace?

(11.) When did you last listen to a sermon from your pastor on the crime and folly of war?

(12.) To what extent is the Christian church responsible for the present insane preparation for war?

(13.) If Jesus were now in the flesh and addressed public gatherings, what would he probably say about present day war preparations? (This is one of the questions which may be answered in writing by members of the club.)

(14.) Verses 4-8—If the nations of the earth were to disarm and make a treaty of perpetual peace, what would be its economic, its social, and ethical effect?

(15.) What effect would perpetual peace have upon the evangelization of the world?

(16.) What can we do more, to arouse the average man to a realization of the stupendous folly and crime of war?

Lesson for Sunday, June 4th, 1911. Israel's Penitence and God's Pardon. Hosea xiv.

**"The Liver Pills act So Naturally and Easily."**

Such a statement, coming from the cashier of a bank, shows what confidence responsible people have in these pills. Mr. A. L. Wilson after trying them wrote:

"I have used Dr. Miles' Nerve and Liver Pills and also your Anti-Pain Pills, on myself, with good results. The Liver Pills act so naturally and so easily that I scarcely know that I have taken a pill. Frequently being troubled with headache I take an Anti-Pain Pill and get immediate relief in every case." A. L. Wilson, Sparta, Ill. Mr. Wilson was for a number of years cashier of the First National Bank of Sparta.

**Dr. Miles' Nerve and Liver Pills**

are different from others. Many kinds of liver pills are "impossible" after one trial on account of their harshness. Dr. Miles' Nerve and Liver Pills do not act by sheer force but in an easy, natural way, without gripping or undue irritation. They are not habit forming.

If the first bottle fails to benefit, your druggist will return the price. Ask him, MILES MEDICAL CO., Elkhart, Ind.
