### REV. G. C. JEFFERS WRITES AN INTERESTING LETTER

The Herald is in receipt of an interesting and encouraging letter from Rev. G. C. Jeffers of Mecklenburg, N. Y., formerly pastor of the Alliance Baptist Church. As many of our readers will be interested in the contents of the letter we give the following extract from it:

"I have been thinking for some time of writing you in the way of congratulation on your enterprise in installing a Mergenthaler type-casting machine. Your paper took on a new and improved appearance at once. The increased amount of readable material was also very marked. You are also to be congratulated on your editorials, particularly those touching moral and religious questions, both of a public and private character. On these you take the right stand, it seems to me. They are fearless exponents of truth. Just the attitude every newspaper ought to take, for they are the molders of public sentiment. Let the newspapers have a low moral standard, and you will find a low moral tone in the community. Editors like ministers, must be clean moral and religious men to fulfill their high calling.

"Some of your readers, at least, will be interested in matters touching our family life. For the past year, Mrs. Jeffers has been very poorly most of the time. Frequently I have thought she could not stay with me long; but for the last two months, her condition has very greatly improved. She is now able to do all her work easily, with the little assistance I render. She is able to go to church again, a thing she has not done before in six months. Your humble servant is very well indeed. For these unspeakable mercies, we are devoutly thankful to our loving Father. Our son who has been in the newspaper work for the past twelve years, has been called to be assistant superintendent to the Wm. Roger's Mfgs. of silverware, Niagara Falls, N. Y. "We still have a deep and abiding interest in Alliance and her people; hence, we want the Herald. Thru this medium, we wish to express our best wishes to all our many Alliance friends. God bless you all."

### TAKING VACATION

Mr. and Mrs. A. D. Rodgers are taking a well earned, three weeks' vacation, during which they will visit friends and old home scenes in Iowa and Missouri. They left Monday for Sigourney, Iowa, from which place they will go to other points in the "Hawkeye State", and then to Missouri. The Herald wishes them a safe journey and a pleasant outing, which without doubt they will have. Chester Rodgers and Frank Merritt will have charge of the store in the absence of the proprietor, and with other help will see that customers receive the customary treatment and prompt service that they are accustomed to at the Rodgers establishment.

### AND STILL THEY COME

New arrivals in this country and new subscriptions to the Herald continue to come in a manner that is very pleasing to us. Mr. and Mrs. L. M. Scott arrived about the first of March from Indianola, Iowa, to make their home on their Kinkaid claim in the northwest part of Garden county. We are glad to welcome them to western Nebraska. Mr. Scott was transacting business in Alliance a few weeks ago, and called at the Herald office to have his name put on our subscription list. He informs us that he and his wife are pleased with this country, and that it is his intention to go into the cattle business, at which we predict he will make a success.

Finally we tried Dr. King's New Discovery, and are pleased to say that one bottle effected a complete cure, and our child is again strong and healthy." For coughs, colds, la grippe, hoarseness, asthma, croup, and sore lungs, it's the most infallible remedy known. A box of Dr. King's New Discovery costs 50c and \$1.00. Trial bottle free.
