9:20-10:00	Office	Rhetoric	Beg. Geom.	Arithmetic	Assembly	Geography	MODEL SCHOOL	DRAW. AND PEN.
10:00-10:40	CHAPEL							
10:40-11:20	Reading	Assembly	Picture Study	Arith.	Bookkeeping	Rev. Geom.	Consultation	Office
11:20-12:00	Assembly	Latin	Grammar	U. S. History	Trigonometry	Geology		Office
12:00 to 1:20	NOON INTERMISSION							
1:20-2:00	Office	Physiology	Assembly	Botany	MUSIC	Geography		
2:00-2:40	Office	Orthography	Eng. Lit.	Assembly	Physics	Agriculture	PRIM. METHODS	

The maximum amount of work a student may take is four full subjects and two drill subjects. The drill subjects (printed in small caps) are music, model school, primary methods, penmanship and drawing. Classes in the remaining life certificate branches will be organized if there is any demand for them. Numbers indicate the rooms in which classes will recite.

INSTITUTE PROGRAM

During the first week all periods will be shortened to 30 minutes, each class to begin immediately at the close of the preceding one, the time thus gained to be used for the following additional institute program:

11:00-12:00: GEOGRAPHY OF NEBRASKA—PROF. N. A. BENGSTON

2:20-3:20: INDUSTRIAL GEOGRAPHY—PROF. N. A. BENGSTON

On Thursday evening, June 8, at the High School building, beginning at 8:30 o'clock, Prof. Bengston will deliver an illustrated lecture on "Development of Nebraska."

FLAG DAY DESIGNATED

A Beautiful Custom to be Appropriately Observed in Alliance

Governor Aldrich issued a proclamation on Tuesday naming Wednesday, June 14th, as Flag day. He asked that Old Glory be displayed on all public buildings and that the mayor of every town and village in the state make it his business to see that some observance of the day is made.

Mayor Harris requests that the day be duly observed in Alliance, in pursuance to the governor's proclamation. It is hoped that those who have charge of the public buildings will see to it that the flag is displayed from each of them, and that citizens generally will decorate their places of business and residences with the red, white and blue. Such a display of the national colors, as an emblem of patriotism, will be a credit to the city.

BOARD OF EQUALIZATION

The county commissioners will convene as a board of equalization on Tuesday of next week, June 13, and remain in session as such board not less than three or more than twenty days. Here's hoping that they will remain in session long enough to bring to law some of the well to do tax shirkers who have been throwing the burden of taxation upon others less able to bear it. They might as well begin doing it now. As a matter of information to which the public is entitled, The Herald intends to give publicity to some of the tax dodging that has been done in this county, unless there is a change for the better.

In answering Herald want ads please mention that you saw it in this paper.

END OF A NOBLE LIFE

Mrs. L. I. Lore, wife of Mr. John Lore, has Gone to Reap the Reward of the Faithful.

A cloud of sorrow came over the community in the neighborhood of Unity church, west of Alliance, last Thursday when the news was spread abroad that Mrs. Lore had been called from earth to the eternal world. And the grief was not confined to the community in which she had resided so long, as she was known and loved thruout the county, largely on account of her earnest Christian work.

Luella Ida Dunlap was born in Illinois, Jan. 1, 1869. She was married to John Lore, at Pawnee City, Nebr., Aug. 24, 1877. To them seven children were born, six of whom survive her. Died at her home near Alliance June 1, 1911.

Their early married life was spent on a farm in Kansas. They came west in 1886, the last twenty-five years being spent in Box Butte county. Mrs. Lore was converted in early life and has been an earnest, constant Christian, always striving

to do her best under all circumstances. Her beautiful Christian qualities endeared her to all with whom she came in contact, and those who knew her longest loved her best. She will be greatly missed in the community; and the little church where she has labored so long has lost one of its most loyal supporters.

After short services at the family home, the body was taken to the church, where impressive services were held, and scores of true friends paid loving tribute to her memory. The services were in charge of Rev. J. L. B. Jones, pastor of the M. E. church at Alliance, assisted by John W. Thomas and a quartet of singers, Mrs. C. O. Davenport, Miss Nelle Acheson, and Messrs. Cecil and Lloyd Smith. The crowd at the church, conveyed by more than fifty vehicles, could not all gain admission, but many waited outside until the close of the service.

She leaves a husband, four sons and two daughters, seven sisters and two brothers, and numerous other relatives to mourn her death. The children now living are: Mrs. Geo. Denton of Sioux county; Arthur H. Lore, who is married and resides in Sioux county; and Ira, Lyle, Helen and Howard living at home, Howard who is eleven years of age being the youngest. They were all at the funeral as were also her sisters, Mrs. Wesley O'Laughlin of Friend, Nebr., and Mrs. Frank Jeffers of Allen, Nebr. W. H. Lore, brother of the bereaved husband, and J. G. Storm, an old friend of the family, both of Pawnee City, Nebr., were at the funeral.

She was a faithful wife, a devoted mother, a sincere friend, an earnest Christian. "Blessed are the dead who die in the Lord, they rest from their labour, and their works do follow them."

CARD OF THANKS

To the friends who ministered to us, and assisted in many ways, dur-

ing our sad bereavement, we wish to return our sincere thanks.

JOHN LORE and FAMILY.

Dr. and Mrs. B. S. Allison autoted to Lakeside last Friday, and from there drove twenty-three miles farther by team, making quite a long trip before getting back to the city.

ALLIANCE STATE JUNIOR NORMAL

Commenced this Week with Good Prospects for Successful Session

For a number of weeks past Supt. W. R. Pate of the Alliance city schools and County Supt. Della M. Reed have been working hard to make ample preparations for the success of the Alliance State Junior Normal, which opened on Monday of this week, with a good attendance. Indications are that they will not be disappointed. With an exceptionally strong faculty and a large attendance, and with the hearty support of the citizens of Alliance, prospects are very encouraging indeed.

We are pleased to print the revised program in this issue of The Herald. After this week we will have a Junior Normal department.

DEATH OF REDMOND HAND

Redmond Hand passed away last evening at the residence of his brother, Dr. Geo. J. Hand, death being due to that dread disease, cancer. His home was at Hay Springs, but he has been in Alliance for some weeks past. He leaves three orphan children, two girls and a boy. The remains were shipped to Hay Springs today for interment, under the auspices of the I. O. O. F., of which he was a member. The Herald wishes to give expression to the sympathy which we feel for the bereaved relatives.

ATTENTION, ODD FELLOWS AND REBECCAS

All Odd Fellows and Rebeccas

are requested to attend the annual memorial sermon at M. E. church next Sunday evening, June 11th. All meet at hall at 7:30.

BUGGIES AND SPRING WAGONS

I. L. Acheson's hardware and implement house has a fine line of top buggies and spring wagons. If you are thinking of buying either, it will interest you to call and see them, in Opera House block.

Work on the new Catholic church is progressing, the basement excavation being completed, and the masons are at work on the foundation.

Idle Capital is An Extravagance

no community can afford; to be anyone a benefit it must be kept moving and to do the most good it should seek legitimate channels. Then let us divorce ourselves from the prevailing "get rich quick" fever and get back to the good ways of our forefathers. Put your money into something at home, where it will help your home town and enhance the other interests you may have. Why not build a home? There's no satisfaction like that born of the knowledge you own a home. Start it today and tomorrow you'll awaken with a feeling of independence like that of 1776. Of course you'll need lumber, but we can quickly help you out, as our stock is complete and all orders can be filled the day we get them.
