

The Town of Lingle, Wyoming

Offers excellent opportunities for going into business or for a home. A new town, surrounded by 178,000 acres of irrigable land, which is 100,000 acres more than the town of Scottsbluff with a population of 3,000, has. It will make the best town of the North Platte Valley.

The Leiter ranch of 2,500 acres of thriving alfalfa and sugar beets. The nearest town is ten miles away.

The Leiter ranch of 2,500 acres of alfalfa land, surrounding the town, is for sale at low prices on very reasonable terms, in tracts of from 10 to 160 acres. A small payment down with five years' time on the balance at six per cent is required.

Lingle lots are now selling at from \$150 to \$500 on very easy terms. For full information regarding the farm land, town lots or business opportunities, address LLOYD C. THOMAS, Lingle, Goshen county, Wyoming.

PREMIUM WALL CHARTS ARRIVE

The Herald's Beautiful Three-Leaf Charts Ready for Distribution.

Before the federal census was taken, The Herald ordered a quantity of three-leaf Wall Charts to be used as presents to subscribers who pay for their paper in advance. The Charts contain a good deal of useful information which includes a map of the world on one page, a map of the United States on another, a county map of Nebraska on first page, and on the back of the first leaf the complete census report of 1910 for this state. On account of the last named feature the Chart could not be completed until after the census for Nebraska had been made public, which Herald readers know was only a few weeks since, although it was supposed it would be completed and ready for publication nearly six months ago.

But "all things come to him that waits," and these Wall Charts are such beauties they were worth waiting for. While they last they will be given to subscribers who pay in advance. If you want one you had better hurry up. We don't expect them to last long.

Subscribers who have paid ahead and are entitled to them are requested to call at The Herald office, if convenient to do so.

BAPTIST DAY

Next Sunday will be observed in all the Baptist churches in the United States as Baptist Day. All who would be interested in a sane and strictly informal discussion of Baptist belief are invited to come to our church next Sunday.

In the morning the pastor will preach on "What Baptists Believe" and in the evening on "What Baptists have done for the world."

The Boy Scouts will meet at the church at 5 o'clock Sunday afternoon.

Come thou with us and we will do thee good.

Mrs. F. L. Parsons, Choir-director. FRANKLIN McNEILL, Pastor.

Since buying out the F. N. Wallace dray and transfer, John Garrett has been getting along fine in his new line of work. Frank Wallace continues his connection with the business as an employe, which is a great help to the proprietor in handling their large traffic.

Mr. and Mrs. E. Reed of Dea Moines, Iowa, uncle and aunt of Miss Della M. Reed, have been visiting in Alliance for the last two weeks. They have many friends in this county and will continue their stay here for some time yet.

H. H. Frazier returned to Alliance Tuesday from Texas, where he has been for a few months past.

C. P. Barr, a Sioux county ranchman and locator, living twenty miles south of Harrison, was in Alliance on business last week. He informed the Herald that grass and crops were good in his locality at that time, notwithstanding the dry weather.

Mrs. Eva Thompson, daughter of Mr. and Mrs. E. I. Gregg, left last night for Utah, after a two months' visit in this city. Her home was formerly in Wyoming, but Mr. Thompson, who is a railroad man, having secured a lucrative position in Utah, she will join him there and they will make their home in that state. Their many friends who are readers of The Herald will be pleased to learn that they are pleasantly situated in their new home.

Dr. James P. Maxfield, who purchased Dr. A. Gaiser's dental office, has "made haste slowly" in opening for business for the simple reason that he wanted to have his office thoroughly equipped with modern appliances and in the best possible shape for dental work before asking for the same. For over two weeks he has been busy remodeling the office and installing electrical appliances, so that he now has a thoroughly modern, up-to-the-minute dental establishment. Being now thoroughly equipped for work, he orders his professional card published in The Herald, which readers will find on first page of this issue.

A Charming Woman

is one who is lovely in face, form, mind and temper. But it's hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate Stomach, Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50c at F. J. Equitable-Standard-Policy

Do you know that THE EQUITABLE LIFE ASSURANCE SOCIETY OF THE UNITED STATES issues a policy which, at maturity, instead of being paid to the beneficiary in one lump sum, provides a MONTHLY INCOME for LIFE? It is called a LIFE INCOME POLICY, and is well worth investigation.

Do you know that the Society has introduced a new policy of this kind, which provides a life-income not only for a man's wife or daughter, in the event of his death, but for his OWN SUPPORT in after life, if he lives?

It works either way. It will protect YOU if you live. It protects your WIFE if you die. And if you both live it protects you both.
