# TRACK AND TRAIN

Miss Anna Shaw, daughter of Jas. Shaw, Burlington Engineer at Deadwood, and E. R. Lammer were recently married at Butte, Mont., and will make their home in that city.

Mr. Roy Lowe, Assistant Ticket Agent at Deadwood, accompanied by his family, is enjoying a week's outing in Spearfish Canyon.

Carl Kubler, who has held the position of mail clerk on the Edgemont-Deadwood run for some time, has been promoted to a position in the Deadwood postoffice and has been succeeded by J. W. Fritzmere.

The Burlington reports heavy rains from Edgemont to Deadwood, with a cloud burst at Ivanhoe which resulted in a flood that took out one of the railroad bridges near Hot Springs.

The heavy rain of the 16th caused a landslide in Spearfish Canyon and train service was delayed several hours on the Deadwood-Spearfish run.

Mr. T. Donnegan, Burlington Agent at Spearfish, and wife are spending a short vacation in Minneapolis.

The Burlington has unloaded at Deadwood thirty ore cars for the smelter at Galena. These cars were purchased from the Colorado and Southern Ry., and to get them unloaded promptly an extra crew was sent up from Alliance.

Conductor Hill of the high line is relieving Conductor Eric Skalandar on the Trolley at Deadwood, while the latter enjoys a short vacation.

J. L. Bently, Commercial Agent for the Burlington at Deadwood, who was recently operated on at Deadwood, is taking a much needed rest in hopes of regaining his former health. He was accompanied by Mrs. Bently and expects to spend some time in the south and east.

Extra Conductor Steele of the high line, has Conductor Hill's car and crew while the latter is relieving Conductor Skalandar on the Trolley line between Deadwood and Lead.

Mrs. A. J. Cole and children left Tuesday on No. 44 for Auburn, Nebr. where they will spend two weeks with Mr. Cole's parents.

Mrs. U. N. Hoskins left on No. 41 Wednesday morning for a ten days' stay in the Black Hills.

Mrs. H. L. Richardson returned Sunday from Marsland where she had been visiting at the Richie home.

Conductor Clyde Miller came in on No. 36 Monday night from Crawford. He has been acting as Yard Master there for the past month.

Engineer A. E. Nelson is on No. 35-36 west of Alliance.

Gus Hildebrand and wife returned to Crawford Sunday morning after a month's vacation spent with relatives in Chicago. Gus at once reported for duty as Yard Master.

### BAD MAN FROM BITTER CREEK

Twenty-five Dollars and Trimmings Helped Some

A man from Bitter Creek, or somewhere else, came to town a few weeks ago and after imbibing the proper amount of red rye to make him bold and nasty, started out to show the populace who he was. He met a couple of girls on the street and showed them that he was really the brave one by hurling at them some obscene remarks, which were overheard by a number of persons, including some married ladies. The city marshal being informed of his escapade, started out to take him in tow, when he took refuge in a saloon and escaped through the rear door before the officer could reach him.

For a few weeks he made himself scarce in Alliance, but evidently thinking the past was forgotten, if not forgiven, he came in and repeated the offense, but with different success in trying to make his getaway. The marshal nabbed him, Judge Zurn said, "Twenty-five bucks and trimmings," and promised him the limit next time; and now the bad man from the headwaters wonders whether the fun's worth the money.

Engineer Davenport is building a handsome modern bungalow on Toluca Ave. It will be ready to occupy about July 10th. It is another one of those comfortable homes for which Alliance is justly famous.

Mr. and Mrs. George Davis and children went to Denver Saturday morning where they spent two days visiting and sight seeing.

Mr. and Mrs. Walter Davis of Sheridan came to Alliance Saturday for a few days' visit at the Kauffman and George Davis homes. Mr. Davis returned to Sheridan Tuesday morning. Mrs. Davis left Tuesday noon for Lincoln and Havelock where she has relatives. They tell us that all the main streets of Sheridan are paved and that the steel is laid for several miles of street car track.

Conductor Mort. Johnson, Brakeman Fred Vauh and Engineer Milliken went to Mullen Tuesday to be witnesses in a trial brought against the Company for a fire about eight-months ago.

Chief Clerk Wagner was a Crawford visitor Sunday.

A letter from Conductor Fred Campbell, now in Horton Kansas, says that his knee is very slow getting well, and that it will be a month if not longer before he will be able to work.

Since the crews have been cut down there has been a busy lot of bumping among the brakemen. There is hardly a crew but that has been changed.

Fireman Burns went to Edgemont Saturday to fire the switch engine for a few days.

Firemen Raymond and Trimmer came home from Deadwood Saturday morning.

There was a washout at Orella Friday evening that delayed No. 42 about two hours.

Brakeman George Emery and wife returned last Friday noon from Crawford where they went to attend the funeral of a relative.

Yard Master and Mrs. Carr moved to Seneca last Friday where they will make their future home.

Brakeman Lang is night engine foreman in Seneca. Switchman Harry McIntire is laying off.

No. 35-36 will be run as a passenger extra until a new time card comes out. Conductor Rad. Randall and Brakeman John Burke have this run with their layover at Edgemont.

Brakeman Ray Hoag and wife left for Denver Saturday noon. Ray returned Tuesday morning. Mrs. Hoag will remain in Denver for a few weeks' visit with her sister.

Conductor Beach left Monday morning with a work train. He will work all summer on new steel from Asby to Alliance.

Mrs. Dick Kenner was a Marsland visitor Saturday, returning Monday.

### NAME MISPELLED

Correspondents Requested to Spell Names Correctly

In the obituary of Mrs. Chloe Purinton, which appeared in The Herald last week, the name was misspelled Perrington. Also, the name John M. Perrington should have been Judson M. Purinton. These names were spelled in the published notice the same as in the copy furnished for publication.

In this connection we wish to request persons furnishing items for publication to be sure to spell the names of persons correctly. If other words are misspelled, it is easy for the proof reader to correct them, but when correspondents use proper names, we depend almost entirely upon them for the spelling.

### CARD OF THANKS

We wish to extend our sincere thanks to our friends and neighbors who so kindly assisted and sympathized with us during the illness and death of our beloved mother.

D. E. PURINTON AND FAMILY.
