SECURES POSITION AT SHERIDAN

John R. Beach, who for some time past has been bookkeeper in The Herald office, received a telegram last Saturday notifying him of his appointment to a lucrative position in the railroad offices at Sheridan, Wyoming, and the next Saturday left for that city. While we are very sorry to lose Mr. Beach from The Herald office, we are pleased with his appointment to a position that will pay him a better salary. Mr. Beach has a good business education and is perfectly reliable, and it gives us pleasure, after being associated with him in a business way for a number of months, to give him our unqualified commendation.

LAWN SOCIAL

The Methodist Sunday school will give a lawn social Friday evening at the residence of Mrs. Ella Hawkins, 806 Laramie Ave. Refreshments

A CLOSE CALL

An accident that might have proved serious if not fatal to some of the parties concerned, had a fractious team been in place of Geo. Douglas' gentle carriage team, occurred on Monday of this week. The Misses Ethel Rowley, Mary Ray, Etta Douglas and Gladys Ricketts were out driving when one of the carriage wheels turned inside out. The team stopped, the girls were thrown out, and Miss Ricketts and Miss Douglas were painfully, although not seriously injured. They were caught in the carriage in such a way that had the team become badly frightened, they would probably have run away with more serious results.

BOY GETTING WELL

H. P. Larson of Reno came to Alliance Tuesday with his little boy who was so badly scalded about three weeks ago by falling into a vat in which cattle dip was being

HON. WILLIS E. REED WILL SPEAK

Since the program for the 4th of July and Stockmen's Convention was made out, arrangements have been made for an address by Hon. Willis E. Reed of Madison, Nebraska, to be delivered Thursday forenoon, July 5th. Mr. Reed is quite an interesting speaker, and is a prominent candidate for United States senatorship. The addition of his name to the program of the Stockmen's convention will add additional interest. All who can should hear his address.

LIKES NORTHWEST NEBRASKA

C. E. Bently of Ozawie, Kansas, stopped off at Alliance yesterday on his way home from a trip to the western coast. He manifested quite an interest in northwestern Nebraska, and spent some time interviewing a number of our citizens in regard to products of this country, prices of real estate, etc.

Who will speak in Alliance, Wednesday evening, July 5th

BAPTIST CHURCH

The glorious Fourth will soon be here. Let us enter into the spirit of the day and celebrate as becomes citizens of a great and glorious republic. Liberty is but a synonym for America, and we are justly proud of the fact. But did you ever stop to think that the liberty we prize so much is but a fruit of the religion of Christ? Since that is so, honor Him by going to church next Sunday. In the morning our theme will be "The Meaning and Mission of America". In the evening, "The Great Coronation". You are cordially invited to attend.

FRANKLIN McNEILL,
Pastor.

YOUNG PEOPLE'S MEETINGS

The Epworth League of the M. E. church is conducting very interesting meetings at the M. E. church every Sunday evening. Next Sunday evening an orchestra will furnish the music and there will be a special song service. A cordial invitation is extended to all.

W. R. HARPER, President.

DALTON WILL CELEBRATE

The Herald Job department printed a lot of large posters for Dalton, Nebraska, announcing their 4th of July celebration, and the bills were dandies, if we do say it. Dalton expects to have the biggest celebration of any town of its size in the state this year, and as the people of that little burg are rustlers, we hope their expectations will be realized.

Start a Home Now and Join the Ranks of the Independents.

Never has it been easier to build than right now—money is plentiful and is seeking legitimate channels. And there is no enterprise more worthy than home-building. It opens the purse strings of the banker quicker than anything else, because it means that you have decided to become a part of the community in which you live. Thus almost before you start you find the ownership of a home carries a significance. Start today—you'll be glad if you do and sorry if you don't. When you're ready to talk lumber we'll be waiting for you, because we have just the lumber you will need, besides a lot of suggestions that may be helpful to you—without any extra cost.

WEDDED IN ALLIANCE

At the Manse of the First Presbyterian church in Alliance, Nebraska, at High noon, June 28th, 1911, Mr. Richard Irwin Glasgow and Miss Eleanor Spencer, both of Lingle, Wyo., were united in holy bonds of matrimony by Rev. James B. Brown.

Besides the contracting parties and officiating clergy there were present the following: A. N. Spencer, father of the bride, two of her sisters, Misses Mary and Hazel Spencer, and an aunt, Miss Isabella Hayes, and Mrs. J. B. Brown. After the ceremony had been performed and congratulations tendered, the newly married couple left for their Wyoming home.

The Herald offers heartfelt congratulations to this worthy couple, and our very best wishes for a long and happy married life.

BOOKKEEPER AND STENOGRAPHER

On Monday of this week Miss Ethel M. Nolan took a position in The Herald office as bookkeeper and stenographer. We consider ourselves fortunate in securing her services, not only because of her ability, but because of her large acquaintance in this city, which will be of material assistance in securing local news.

heated. The Herald's many readers, especially in the southern part of Sheridan county, will be greatly pleased to learn that the little fellow is recovering nicely.

UP WITH THE PROCESSION

The Alliance Tailoring Company keeps up with the Alliance improvement procession by installing an up-to-date machine for cleaning and pressing work. It is a Sanitary steam pressing machine, known as the "Hoff-Man." The garment that passes through this machine is disinfected, as no germs or microbes can exist under a temperature as high as the dry steam that is injected in the process of cleaning. At the same time it removes any odor, takes away the grimy appearance, raises the nap, revives the colors, and imparts to the garment that freshness desired by all dressers.

The Herald is pleased to note that Manager Enyeart of the Alliance Tailoring Company is also turning out a large amount of work with their new machine, a cut of which we give herewith.
