NORTHWEST NEBRASKA COMPARES FAVORABLY

Outlook in this Section Better than Many Other Places

For more than a year past northwestern Nebraska has not had as much rain as has been needed, although we have been having good rains lately. Last year some crops were good, others were poor. This year rye and some other small grain has been injured by dry weather; but the late small grain, corn and potatoes are doing fine, and pasture is good.

Many other sections, even in lower altitudes, have suffered worse from drought this year than this country. A heavy rain in New York within the last few weeks broke the drought. In some portions of eastern Nebraska and Kansas, considered reliable as agricultural districts, small grain was badly damaged by lack of rain early in the season. One of The Herald's Illinois exchanges, the Abingdon Kodak, published in the richest portion of that great farming state, says in its issue of June 13th, "The practical failure of the oats and wheat crop will make a big hole in local business this summer. The elevators will be practically idle and the threshers will have but a short job."

The drought in Missouri has become so severe that Governor Hadley has been requested to appoint a day for prayer for rain.

TOM BOYER GETS BROKEN LEG

On Tuesday morning Tom Boyer met with an accident that will lay him up for a while. He was running his steam plow outfit on Bert Carpenter's place southwest of Alliance. Irvin Meyers was driving the water wagon. Boyer wanted to get on to the water wagon, but without waiting for it to stop. His foot slipped through the wheel, and before he could extricate it, the leg was broken above the ankle.

A Charming Woman

is one who is lovely in face, form, mind and temper. But it's hard for a woman to be charming without health. A weak, sickly woman will be nervous and irritable. Constipation and kidney poisons show in pimples, blotches, skin eruptions and a wretched complexion. But Electric Bitters always prove a godsend to women who want health, beauty and friends. They regulate Stomach,

Liver and Kidneys, purify the blood; give strong nerves, bright eyes, pure breath, smooth, velvety skin, lovely complexion and perfect health. Try them. 50c at F. J. Brennan's.

CRAWFORD'S QUARTO-CENTENNIAL

Crawford's Quarto-Centennial celebration begins Saturday, July 1st, and continues until the 4th. They are planning to have a big time. On Saturday, Monday and Tuesday there will be races and other sports, and on Sunday there will be speaking exercises befitting the occasion. After they get through with their celebration, The Herald hopes they will come to Alliance to the big Stockmen's Convention.
