JUNIOR NORMAL NOTES

Items of Interest Furnished by The Herald's Correspondent

Harold Jones of Hemingford, a graduate this year, received a message on Sunday informing him of his mother's illness. Mr. Jones left for Hemingford on Monday. His many friends wish him a speedy return.

New members of the student body: Mrs. Leishman of the city enrolled Monday, and Mrs. Johanna Foley of Sidney on Tuesday.

Prof. Williams announced in chapel that the school does splendidly in the singing of the old songs. He likens their voices unto "the tinkling of a hundred silver bells."

Tuesday Dr. Jones gave the second lecture of the psychology series. It is doubted that any speaker ever receives a warmer welcome than the Normal people extend to Dr. Jones.

Messrs. R. E. Holland and E. K. Nelson, whose work has been to supply all prospective teachers with reference and reading circle material, will leave the city at the end of the week.

A special arrangement has been

made to accommodate the members of the faculty and the students who desire to leave the city the Fourth. School lets out Friday and does not begin until the Wednesday following. There will be school the following Saturday to make up Monday's work.

THOSE PREMIUM WALL CHARTS

An Elegant Present to Herald Subscribers While They Last

Of all the premiums that we have known to be offered by newspaper publishers, the beautiful and useful Premium Wall Charts, which are now being offered free to subscribers who pay two years' subscription in advance, are among the nicest and most useful. In fact, we do not remember any premium that we have ever known to be offered free that would equal them in beauty and utility.

New subscribers who take advantage of our special offer which is being made this week, may secure one of the charts by paying two years in advance; however, we will accept only one year's subscription at the special reduced price of one dollar per year, if a Premium Wall Chart is taken.

MEN'S MEETING

Special attention is called to the men's meeting to be held Sunday afternoon at 3 o'clock in the M. E. church. Arrangements are now being made to make these meetings of unusual interest. All are cordially invited to attend.
