

SOUTH OMAHA

The Big Nebraska LIVE STOCK MARKET

Every department of the South Omaha Market shows a big increase receipts so far for the year 1911 compared to other years

THE demand for live stock of all kinds at South Omaha is also increasing from year to year. The packing house demand is the best it has ever been. Shippers of the northwest know that South Omaha offers the best outlet for feeder kinds of cattle that can be found anywhere and with normal crop conditions in the territory tributary to South Omaha the demand for feeders at South Omaha is expected to this fall surpass any previous period in the history of the market.

Extensive improvements and additions to present stock yards facilities will have been completed before the range movement begins and the Stock Yards Company will be able to offer the best accommodations for live stock.

With a steadily increasing demand for all classes of live stock and stock yards service and equipment unsurpassed in the United States, shippers will find in South Omaha a market which will merit their patronage.
