TO CURE SORE BUNIONS

Treatment Marvelously Quick for This and All Foot Troubles.

"Dissolve two tablets of Calocide compound in a basin of hot water; soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) Repeat this each night until cure is permanent." All pain and inflammation is drawn out instantly and the bunion soon is reduced to normal size. Corns and callouses can be peeled right off and will stay off. Sore, tender feet and smelly, sweaty feet need but a few treatments. A

twenty-five cent package of Calocide is usually sufficient to put the worst feet in fine condition. Calocide is no longer confined to only the doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. This will prove a welcome item to persons who have been vainly trying to cure their foot troubles with ineffective tablets and foot powders.

Sheriff of Dodge and Deputy to Pay \$100 and Costs Each.

FOR LENIENCY TO LEVI MUNSON

Given Until July 10 to Make Settlement With Court—"Fainting Bertha" Must Serve Her Time in Prison—Special Quarters for Her.

Lincoln, July 4.—Anton Bauman, Jr., sheriff of Dodge county, and W. C. Condit, his deputy, were brought up before Federal Judge T. C. Munger of the court here for contempt of court in allowing Levi Munson of this city, sentenced to a thirty-day term in the county jail at Fremont for violating the federal liquor statutes, great liberty in roaming about the streets and saloons of that place.

The men were fined \$100 and costs apiece, payment to be made by Monday, July 10. In assessing the fine against the Fremont men, Judge Munger scathingly arraigned them, asserting that such open and flagrant contempt of orders issued by the federal court of the land was unheard of.

Sheriff Bauman, following the announcement of the penalty, declared that he had recently gone through a financial crisis and asserted that he would not ask any of his friends for the money necessary to redeem the fines, ending with the plea to the judge that he might as well be committed "right now." Judge Munger told the prisoners that they would have the extra time to make their remittances to the clerk of the court.

Must Serve Her Time in Prison.

After going over the report filed by the state insanity board relative to the mental condition of "Fainting Bertha" Liebbeke, Governor Aldrich asserted that the swooning one would have to complete her prison sentence and that if there were not proper quarters for her detention at the state penitentiary provision should be made for them at once. Meanwhile Bertha will be taken to Hastings, where she will be kept only until the quarters can be fitted for her at the penitentiary. Governor Aldrich emphasized the fact that the woman would have to serve her time out at the state "pen" and that her removal to Hastings would only be temporary.

MOTOR CAR HITS FREIGHT

Crashes Into Rear End of Train When Brakes Fail to Work.

Loup City, Neb., July 4.—The section motor car on the Union Pacific branch crashed into the rear end of a freight train about a mile and one-half east of this town, seriously injuring five section hands. The freight had just left the depot on its return trip to St. Paul and the motor, with seven section hands, was following closely behind to put out a fire just a mile or two out of town. The freight slackened its speed and signaled the motor car, but when Foreman Enevoldson attempted to stop, the brake would not work.

All the section hands jumped before the collision except one. He was cut severely about the head, face and hands. Three others who jumped were also badly hurt. The freight gathered up the injured men and backed in to the depot.

The section foreman said a small bolt slipped down into the machinery of his car, preventing the brake from working.

CROP CONDITIONS IN NEMAHA

Wheat is Turning Out Well in South-east Nebraska.

Auburn, Neb., July 4.—Wheat is turning out good, ranging from twenty-five to forty bushels per acre. James Lockwood near Julian threshed thirty-four bushels per acre and weighed sixty-four pounds to the bushel. On the Codrington farm, one piece went a little over forty bushels by weight. Reports from all parts of the county show that the wheat is turning out better than expected and the smallest yield reported is twenty-six bushels per acre.

Damage of Twelve Thousand Dollars is Estimated Result.

Kenosaw had one of the most disastrous fires within the history of the town.

A close estimate places the loss at about \$12,500. Five buildings were burned to the ground.

The origin of the fire is unknown. The blaze was discovered in a corner of the Hershey blacksmith shop, but before water could be brought to extinguish it, it had enveloped the building and was spreading northward. It next destroyed Latta hall. The telephone building next went down. From this point burning embers were blown two blocks northward across the Burlington tracks to Masonic hall, which also burned to the ground.

DUNDEE STORES ARE BURNED

Omaha Suburb Has Twenty-five Thousand Dollar Fire.

A \$25,000 fire destroyed the business section of Dundee, a suburb of Omaha, excepting one drug store, and seriously threatened a number of nearby residences. The stores of the village, consisting of a grocery and meat market, a bakery, a plumber's shop, a barber shop and a shoe repairing shop, were all in a two-story double brick and one-story frame building, both the property of John A. Harte, contractor.

The origin of the fire has not been discovered, but it is generally believed to have started in the Beck bakery.

The hotel porter and others finally subdued him and Mr. Hannah was sent to the city jail for safekeeping.

Plenty of Water in West.

State Engineer Price, secretary of the state board of irrigation, is of the opinion that irrigators on the North Platte river will not run short of water during July or August. Water is now flowing in the river at Kearney and there is enough in sight from the government reservoir in Wyoming to supply the needs of irrigators.
