### A Rich Business Man Says

"The American people are prodigal, and our extravagance will have to be paid for some day. People are taking advantage of prosperity, such as has never been excelled in this country, to be wasteful and extravagant. We are not saving up for the time of need.'

#### The Best Advice **On Lumber Costs** The Least Money

and when we say to prospective homebuilders that "now's the time to build" we are offering you really sound advice. No matter what you have heard about cheaper lumber, take it from us that you're on the safe side if you build right now. We haven't been in the lumber business for these many years for nothing-we know a thing or two and we're willing to admit you do too, but in the face of all this talk nowadays about timber conservation we believe you'll agree that lumber has a fixed value and that by delaying the building of your new home you will gain nothing but incon-

We believe we can convince you the above is good advicelet's talk it over.
