

BEAL-BOHN

The many Alliance friends of Thomas J. Beal were pleased, and somewhat surprised, to learn of his wedding on Monday, October 20, Miss Estella Bohn, formerly book-keeper at Newberry's hardware store, being the bride. The wedding took place at the home of the bride in York, Nebr. She, too, has many friends in this city who will welcome her return and join The Herald in best wishes and congratulations to both groom and bride. They are now in Omaha and will be "at home" within a few weeks at Mrs. Reardon's, 910 Laramie Ave.

ALLIANCE FIRE

One of the worst fires that Alliance has had for some time occurred about four o'clock Tuesday morning. Dr. Hand's residence, the two-story frame house north of the standpipe, caught fire from the furnace. When the fire was discovered it had made such headway that nothing could be done to save the contents of the house, although the A. V. F. D. saved the building from being burned down. Dr. Hand, who was the only person in the house at the time, escaped through a second story window.

DEDICATORY SERVICES

The new Catholic church is to be dedicated Wednesday, Nov. 15, at 9 a. m. Everyone, regardless of creed, is invited to both morning and evening services. The ladies of the parish will serve dinner from 11 to 1 and supper from 5 to 7, in the basement of the church. Printed invitations for out of town guests may be had upon application to the pastor. Please remember that the citizens of Alliance are all invited.

DELEGATE TO REBEKAH ASSEMBLY

Mrs. J. G. Beck, who was sent as a delegate from Alliance Rebekah Lodge No. 104 to attend the Rebekah state assembly that convened in Lincoln this year, returned recently. During the assembly one day was devoted to the dedication of the new I. O. O. F. home at York, Nebr. She spent a few days in Omaha attending the land show, also the golden wedding anniversary of Mr. and Mrs. F. Berckhimer, old time friends of the family in Omaha. Mr. Berckhimer makes his runs regularly as postal clerk on the Rock Island. He is past seventy years of age and has been employed in that capacity for nearly thirty-five years. Returning home she visited her daughter at Lexington, Nebr. In all a pleasant trip is reported.

SKATING CLUB

A skating club will be organized Wednesday night, Nov. 8, at the Alliance Roller Rink. As planned by those who have charge of the preliminary arrangements, invitations will be sent out for the first meeting, after which cards will be issued. The skating club will have the use of the rink every Wednesday night. Further information may be obtained by interested parties by applying to E. E. Hyslop, manager of the rink.

ANNUAL MEETING

The annual meeting of the congregation of the First Presbyterian church will be held tomorrow (Friday) evening at 7:30 o'clock at the church. The elders request all members and friends to attend this meeting.

SCHOOL BOND ELECTION

The article on second page of this issue on the "School Bond Proposition" was written for last week's Herald but was crowded out, hence the statement that it would be voted on at "the election one week from next Tuesday." As this article was not printed until this week it should read "the election next Tuesday." We make this explanation so that no one will make a mistake as to the time the school bond proposition will be voted upon.

BIG RANCH DEAL

A big ranch deal has been consummated by Alliance parties within the last few days. R. M. Hampton selling his ranch near Bonner to Hall & Graham. Eight dollars per acre was paid for the 10,360 acres of land and approximately \$36,000 for about 975 head of cattle, making in the neighborhood of \$120,000 for land and cattle.
