## SUGGESTIVE QUESTIONS

On the Sunday School Lesson by Rev. Dr. Linscott for the International Press Bible Question Club.

Nov. 12th, 1911.

(Copyright, 1919, by Rev. T. S. Linscott, D.D.)  
World's Temperance Sunday. Belshazzar's Feast and Fate. Dan. v.

Golden Text:—God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil. Eccl. xii:14.

(1.) Verse 1—Of what country was Belshazzar the king?

(2.) What is the social, intellectual and moral value of "smokers" and drinking parties?

(3.) What is the general effect of the practice of men standing up to the bar and drinking?

(4.) Verses 2-3—What was the moral or spiritual quality of the act of drinking out of the gold and silver vessels that had been taken from the Temple at Jerusalem?

(5.) Does the first "taste" or the first influence of wine, stir the noble, or the ignoble passions in a man?

(6.) Verse 4—When a man is drunk, what is likely to be the quality of his worship?

(7.) What do men, who are given to strong drink, generally worship?

(8.) Verses 5-6—By whom was this writing on the wall probably done?

(9.) Would you think a similar phenomenon probable, or even possible, to-day?

(10.) What was it that really struck such terror to the king's heart?

(11.) What would you say is the limit of the possibilities of a guilty conscience, to create remorse and agony of soul?

(12.) Verses 7-9—When we are in trouble or perplexity about the future, is it of any service to us to try and get light from any human being and if so, how and from whom?

(13.) Why is there no need for a true follower of God to be in any dread of the future, no matter what weird or mysterious circumstances may surround him?

(14.) Would it have been possible for any true follower of God, no matter how timid, to have been terror stricken as Belshazzar was? Give your reasons.

(15.) Verses 10-12—Was this queen the wife, or the mother of Belshazzar?

(16.) If this queen had been one of the merry wine drinking party, would she be in condition to have given such sane advice to her son?

(17.) Who was Daniel, the man the queen's mother recommended, and what had he done to be spoken of so highly by her?

(18.) What is the only means of giving ease to a guilty conscience?

(19.) Verses 15-23—What was the accusation which Daniel brought against Belshazzar?

(20.) Was there ever any man who escaped the natural consequences of his wrong doing?

(21.) Verses 24-31—What reason is there to believe that practically the same doom is written against every sinner as was against Belshazzar? (This is one of the questions that may be answered in writing by members of the club.)

## SPRING BRINGS SORE FEET

HERE IS A POSITIVE CURE

With the advent of warm weather comes foot troubles to thousands of people. The increased temperature and heaviness of the atmosphere causes swelling and excess perspiration. This brings on a series of foot troubles. The treatment given below will be welcomed with joy by an army of sufferers. It acts like magic. "Dissolve two tablespoonfuls of Calocide compound in a basin of hot water; soak the feet in this for full fifteen minutes, gently massaging the sore parts. Less time will not give the desired results." Repeat this each night until the cure is permanent." All soreness disappears immediately. Corns and callouses can be peeled right off. Bunions are reduced to normal and the inflammation drawn out. Sweaty and smelly feet, tender and swollen feet need but a few treatments. This Calocide is a remarkable drug. Formerly used only by doctors but any druggist now has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is claimed to cure the worst feet.

GIVES AID TO STRIKERS

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them. 25c at F. J. Brennan's.
