#### ABOUT FORMER ALLIANCE BOY

Harry Nelson, who formerly resided in Alliance but now is at Minden, was married yesterday at that place, and The Herald tenders congratulations and best wishes. About a month preceding this happy event Harry and two other young men met with an accident which might have proven fatal, but fortunately did not. One of the Minden papers of December 11 contained the following item, printed under the head, "A Sad Joy Ride"

The Homestead Literary Society is progressing nicely. On last Saturday night the French and English locked horns over the question, "Resolved, that England has done more for the U. S. than France." They say that the fire did fly thick and hot between some of the debaters, and even the children are laughing at the antics some of them resorted to in their heat.
