

Miss M. Ruth Taylor
TEACHER OF PIANO

Fireman Trenkle, who has been on the relief for some time, went to Seneca Sunday night to take the switch engine.

Brakeman Lawrence, McCarty, who went to Galesburg to work during the week writes that he is working nights in the yards. He expects to be gone about a month.

Harry Penniger, conductor on the Bald Mountain ore train, left with his family the first of the week to take a short vacation in Chicago.

Engineer De Sombra, now of Edgemont, was visiting his family in this city last Saturday.

Mrs. M. E. Johnson went to Grand Island Tuesday night, returning on Thursday morning. She visited her parents, Mr. and Mrs. Thorpe.

Engineer John Young, who has been on the high line for some time, is now on the switch engine in Alliance.

Extra Conductor Houghlin is relieving Conductor Penniger on the Bald Mountain ore train during the latter's absence.

Engineer McDonald of the east end was in Alliance last Saturday.

Fireman Baker went to Denver last Saturday for a short visit with his family.

Mrs. Eric Sklander, wife of Conductor Sklander of Deadwood, is visiting friends in Omaha.

No. 42 of Tuesday morning was five hours late on account of Ex. 1038 west getting a car off, one mile east of Joder.

Dr. Kuhn, company physician, went west Monday morning.

Messenger Stronberg of the Deadwood-Edgemont run has gone to Billings and has been relieved by Mr. Bowell, who formerly had charge of the company wagon in Deadwood.

Passenger Brakeman Oldt, who has been quarantined out for over a month, was allowed to go home Feb. 1.

Mrs. George Davis and children left for Lincoln and Havelock Saturday night. Mrs. Davis will visit her parents and do some shopping before returning.

Tom Morris, formerly with the Burlington, has accepted employment with the Milwaukee, at Miles City, Montana.

Switchman and Mrs. Rose came home Saturday, after a month's vacation spent in Denver and other Colorado points. Finding business dull, Mr. Rose took another thirty days' lay off and returned to Denver.

Conductor Tom Campbell, who has been sick for several days, reported for duty Monday.

There was a fire in the yards last Friday night that burned two box cars. The city fire department was called.

The many friends of M. M. Bartlet, formerly master mechanic here, will regret very much to learn of his terrible accident Saturday night in the Akron, Colo., yards. Mr. Bartlet was climbing through a string of

cars when a switch engine struck them. He fell and was dragged some distance before assistance could reach him. One arm was taken off near the shoulder and the other hand so badly crushed that it will have to be amputated. Mr. Bartlet is a passenger engineer between Denver and Akron. He left Alliance in June, 1911.

The Spearfish train in charge of Conductor Knowles and Engineer Hancock struck a man near Englewood, just outside of the cut. The train was stopped as soon as possible and the injured man taken into a coach, and everything possible was done to relieve his suffering. One leg was cut off and the other mangled. He lived only six minutes. The remains were taken to Deadwood and identified as Mike Cassidy of Lead. No blame is attached to the train crew.

Mrs. Fitzpatrick, who accompanied Miss Agnes Rowland to Omaha, returned last Friday noon. Miss Rowland is now in the St. Joseph hospital. The doctors have not yet fully decided upon an operation. She is under the care of Dr. Allison and Dr. Shagle. Mrs. Fitzpatrick and Pete Rowland will return to Omaha the last of the week.

Relief Agent H. E. Harkleroad was a passenger on No. 44 Tuesday. He goes to Sweetwater, where he will relieve Agent D. O. Cheedle, who is going east for a visit.

Road Master Wilburn went to Seneca Tuesday on company business.

Passenger Conductor Rider, who has been unable to work for some time on account of rheumatism, is going to California for a change of climate. He will go as soon as his transportation arrives, and will stay until about June 1st.

Conductor John Leidtka, who has been in Billings, came in on No. 44 Tuesday.

Earl Callander, for some time yard master at Seneca, is again on the road as a conductor.

Mr. McElvie, a well known switchman, is now general yard master at Seneca.

The following is taken from the World-Herald of Tuesday, and may refer to the "hobo girl" who was at the depot here Sunday—but who can the red headed Burlington conductor be? "Miss Ramie, who says she is a cowgirl beating her way back to Idaho, and who was last heard of at Broken Bow, was at the Union Station a week ago. She was dressed comfortably like any other woman but used to rush to climb on the platform when a train was pulling out. She was taken off the Union Pacific Colorado train starting at midnight. She spoke bitterly of a red headed Burlington conductor who she said had put her off his train four times."

Conductor and Mrs. Clyde Bullock and Master Lloyd are in Albion visiting Mrs. Bullock's mother. They will be gone two weeks.

At a meeting Tuesday afternoon, Conductor Cummings was initiated into the Order of Railway Conductors.

Mr. Jollinger, general grievance man for the O. R. C., will go to Omaha Sunday to confer with the officials in regard to an employee's pension.

George Kechter and wife are in Denver this week visiting relatives.

Misses Cynthia Davenport and Hazel Bennett were with the crowd that went to Sidney Saturday for the basket ball game.

Owing to slack business, the freight crews are cut to seven running out of Alliance. Three cars were pulled off this week.

Invitations have been issued by the B. of L. F. and E. Lodge 623 for their annual ball, February 14, 1912. They have secured good music and insure everyone who attends a good time.

ELMORE—PETERSEN

Happily Married at Holy Rosary Church Monday Morning

At Holy Rosary church on Monday morning, February 5, 1912, Rev. Father Donnelly, pastor, performed the ceremony which united for life in the holy bonds of matrimony Mr. Pete Petersen and Miss Nellie Marie Elmores, daughter of Mr. and Mrs. William Elmores.

The bride is one of Alliance's popular young ladies. Having lived here for a long time she is well and favorably known. The groom is a barber, a good workman and an industrious young man, and will amply provide for himself and his lovely young bride. The Herald extends congratulations and best wishes to the newly married couple. May their pathway of life be strewn with flowers, and their joys as many as the sands on the sea shore.

BAD DAY FOR SALE

Cold and Disagreeable Weather on Saturday Made Buyers Scarce

Owing to the disagreeable weather and bad roads last Saturday the attendance at the public sale of stallions and mares at Spry's barn was small. Only a part of the stuff was sold. Six stallions and twenty-two mares were sold, the proceeds for the same amounting to between \$3,000 and \$4,000. Ed Ross of Gordon bought the twenty-two head of mares. The six stallions were sold to the following named persons: Joe Manion, H. E. Boon, John Lore and G. H. Hagaman, all of Alliance; W. W. Beck, Hewett, and B. N. Sharp, Moffitt.

DOCTOR GOES TO HEMINGFORD

Last Friday Dr. F. W. Boland shook the Alliance dust off his feet (or perhaps it was snow or mud) and went to Hemingford, where he had previously arranged to open an office over the First State Bank. There was a good opening for another physician at that place. Although the town is small, it is surrounded by a splendid farming country and with the thickly settled territory to cover, extending out many miles, the work of a physician was too much for one man to conveniently handle. Much as The Herald regrets to see Dr. Boland leave Alliance, we are glad that he still remains in the county. He is well qualified in his profession and has had an experience that serves him well in the practice of it. We wish him continued success.

APPOINTED SPECIAL AGENT

The State Insurance Company of Nebraska, with home office at Omaha, recognizing the qualifications of J. W. Guthrie as an insurance man, has appointed him special agent for all of Nebraska west of the east line of Holt, Hall and Adams counties. This takes in all of the Sixth congressional district and the Fifth, except Clay and Nuckolls counties. Mr. Guthrie without doubt is one of the best posted insurance men in the state. In him the State Insurance Company has secured a man who is qualified to do the work in an able and acceptable manner. His business in this connection will be that of appointing local agents, adjusting losses, etc. He will continue his connection with the firm of Gray & Guthrie, and The Herald is pleased to note that he will make his headquarters and his home while traveling at Alliance.

LEAP YEAR VALENTINE SOCIAL

At the First Presbyterian Church, Given by the Christian Endeavor. A royal good time is assured. Friday, Feb. 9th, 7:30 p. m. Admission, ten cents. Everybody invited. Be a booster for the fund. The piano fund.

Mrs. Jason Ash of Lakeside and her daughter, Mrs. C. E. Leishman, have been in town for the past week.
