#### NO REASON FOR IT

When Alliance Citizens Show the Way

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. Read what an Alliance citizen says:

Mrs. J. E. Whaley, 422 E. Oregon St., Alliance, Nebr., says: "I have had no reason to change my high opinion of Doan's Kidney Pills since I publicly recommended them in May, 1907. Over three years ago my kidneys became badly disordered and the kidney secretions were unnatural. Whenever I stooped, sharp pains darted through my loins and it was very difficult for me to straighten. I tried many remedies but all failed to help me until I procured Doan's Kidney Pills at Holsten's Drug Store. They brought me relief in a short time and I continued their use until I was free from kidney complaint."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
