

**INVESTIGATE PLANT DISEASES**

In connection with the investigation of the plant diseases of Nebraska, Dr. E. Mead Wilcox, collaborator in charge of the investigation, is making an effort to secure information in regard to the distribution and severity of the diseases of our cultivated plants. He wishes to secure specimens of the various plant dis-

eases found in every part of the state, and will appreciate co-operation of readers of The Herald. Franked tags will be furnished you free of charge so that specimens of diseased plants may be sent him thru the mails without the payment of postage. For further information and for tags write to Dr. E. Mead Wilcox, Agricultural Experiment Station, Lincoln, Nebr.

**WEDDING BELLS**

Marriage of Former Alliance Young Man to Lincoln Lady.

A beautifully engraved wedding announcement was received last week at The Herald office, which conveyed the following brief story:

"Mr. and Mrs. E. E. Butler announce the marriage of their daughter, Nettie, to Mr. Carl William Thomas, Wednesday, the eighth day of May, nineteen hundred twelve, University Place, Nebraska. At home after June the first, 633 North 27th Street, Lincoln, Nebraska."

It gives us more than ordinary pleasure to publish the above announcement. The groom formerly resided in Alliance, being employed at the post office at the time he left here to go to Lincoln to accept a position in the post office mailing division of that city. He was one of Alliance's most highly respected young men. It will afford his many friends here pleasure to learn of his marriage to an estimable young lady of the capital city.

The Herald extends congratulations and best wishes for a long, happy married life.

**NOTICE TO PROPERTY OWNERS**

Real Estate Values Cannot Be Changed after Meeting of Board of Equalization

Alliance and Box Butte county property owners are hereby notified that the assessment values have been made and that if any objections are to be had or changes desired to be made, notice of same must be filed with the county clerk in time to be acted upon by the Board of County Commissioners, meeting as a Board of Equalization, on the first Tuesday after the second Monday in June, which will be June 11, 1912, and continuing in session as a Board of Equalization not less than three days or more than twenty days.

Every year the board has met the objections from property owners that they had no notice when values were being placed. Now due and timely notice is given to each and every property owner. The values now fixed will stand for four years. If you are an owner of Alliance or Box Butte county realty, go now and ask the clerk what value has been fixed upon it. This notice applies to all, and careful compliance will be for the interest of all concerned. Take notice that no values will be changed after the June meeting.

By Order of Board of County Commissioners for Box Butte County. 20-4-1224

J. P. Earger made a trip to Belvue the first end of the week to get a lot of young evergreens to supply his Alliance trade.

**Deafness Cannot Be Cured**

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

THE RANGE REPUTATIO!  
WITH A

In case of serious illness, you wouldn't call in any old doctor, but would get the best doctor you knew of, The Doctor with a Reputation, the doctor that has shown his worth by years of good honest service.

Then why buy any old range, when you can get The Great Majestic, The Range with a reputation—a reputation won by years of constant, honest and economical service.

The Majestic is made right—OF NON-BREAKABLE MALLEABLE IRON, and RUST-RESISTING CHARCOAL IRON. All parts of the Majestic are riveted together (not bolted) practically airtight—no cold enters range or hot air escapes, thus baking perfect with about half the fuel used in a range that is bolted and pasted together with stove putty.

The All-Copper Movable Reservoir on the Majestic is absolutely the only reservoir worthy of the name. It heats 15 gallons of water while breakfast is cooking, and when water boils it can be moved away from fire by simply shifting lever.

Call at our store and let us show you why the Majestic is absolutely the best range on the market.

Your neighbor has one—ask her. All styles and sizes.

**VISIT YELLOWSTONE PARK THIS SUMMER**

See America first. Travelers from Europe visit Yellowstone Park and say there is nothing comparable with that wonderland. The season of 1912 offers still more attractive routes through the Park. For instance you will be able to go through the Park one way via Cody, the scenic entrance over Sylvan Pass, returning via Gardiner, North entrance, or vice versa. A complete system of automobiles and Park coaches is operated between Cody and Lake Hotel, in connection with the park hotels and stage lines.

You can buy round trip rail tickets to Gardiner or Cody and make your own arrangements, including if you like, Wiley Permanent Camp six-days tours, or you can buy round trip tickets to Cody and there use the Frost & Richard sixteen day personally conducted camping tours through the Park. There are no such vacation tours in this country.

You can make the Park tour one way through Denver, scenic Colorado and Salt Lake City, the other via Gardiner. Then there are side trip Park tours from Livingston on the main line of the Northern Pacific for those going beyond.

If you will consult with us we will be glad to show you the various attractive ways of making the tour of the Park and hand you folders.
